Chilton's Chevrolet Corsica/Beretta 1988-92 Repair Manual

Today's technologies are a world apart from the cars of a generation ago. That's why Chilton created a new breed of model-specific repair manuals -- so comprehensive they set the standard. Written in response to consumer studies, they give your customers exactly what they want and need in specific automotive informa-

tion. Total Car Care provides the amateur mechanic with two essential ingredients: -- In-depth information on all systems from headlights to exhaust -- Complete, easy-to-follow, illustrated, procedural directions for disassembly, removal, replacement and reinstallation Each volume lives up to its name with total information, including: -- Photographs and illustrations throughout -- Diagnostic and troubleshooting sections throughout -- Actual wiring and vacuum diagrams -- Complete electronic controls information -- Tune-up specs and maintenance schedules -- Emissions controls data, environmental and safety information

Provides guidance in choosing and purchasing used vehicles from 1990 to the present, recom-

mends a variety of models, and includes information on recalls, price ranges, and specifications.

A comprehensive index to company and industry information in business journals.

First introduced in 1985, this fifth edition of the Camaro White Book has been updated and expanded to include all Camaros from the first 1967s to the last models built in 2002. It includes thousands of Camaro facts, window-sticker prices, options and option codes, exterior and interior colors and codes, production volumes, and compilations of those little details that make each model unique. Presented in a precise, year-to-year format, this book puts real expertise at the fingertips of Camaro enthusiasts. This latest Camaro White

Book has increased from 128 to 160 pages and is nearly an inch taller, yet retains a convenient back-pocket or glove box size.

This definitive guide includes exclusive discount price lists and "low prices" to help shoppers negotiate with salespeople; specifications for all body styles, horsepower ratings, and EPA fuel economy ratings; rating charts that assess each car line in 16 categories covering performance, accommodations, workmanship, and value. Over 125 photographs.

This updated edition covers only five years to allow more detailed instruction and features individual indexes for easy reference of each make and model. Includes nearly 3,000 drawings and photographs and thousands of tables and specifications.
