Why Benchmark Passages. Benchmark Passages assess comprehension and reward students' progress from level to level. They are one part of a three-part process that provides a more complete assessment of reading behavior and comprehension than any of the parts independently.

* Poems, table of contents, plays, decodable texts, and single words per page do not have a certified Lexile level due to formatting, word/sentence length, and grammar. ** This passage has a higher certified Lexile Level due to the content area vocabulary.

Fluency Practice Passages Improve reading speed and accuracy with repeated readings of Fluency Practice Passages. Stu-

dents orally read passages designed for one-minute readings several times with appropriate expression and smoothness to increase reading rate, resulting in improved focus on comprehension.

Our products and services help learners achieve their goals by providing unique insights about their ability level and potential for growth. New Tools Experience this tool's updated look and features by visiting the Lexile & Quantile Hub - new home to all our Lexile and Quantile tools.

This conversion chart is based on educational levels from the published "Lexile Framework" chart. A smoothed curve was fit through the grade-level points indicated here, and regression analysis provided the equations: $\text{Lexile} = 500 \ln(\text{Grade Level})$ or, the counterpart $\text{GradeLevel} = e^{0.002(\text{Lexile})}$

The passages are meant to be used as independent-level texts that students can read on their own with minimal support. Use the Lexile measures to help you determine which level is right for each student. Print or download the passages as a supplementary, independent reading activity to help students develop reading fluency.
