Author's Note: All of the events in this story are true. Roy and Silo are called chinstrap penguins because of the delicate line of black feathers that loops...

And Tango Makes Three is the perfect book to illustrate the fact that "no two families are exactly the same." The title itself connects to the theme, as not all families are made up of three individuals. Throughout the book, the authors develop the characters in such a way, that they also help develop the theme.

#### And Tango Makes Three
