Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-

hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart."--Back cover.

Dragon Prince Nikolai Vassago's day starts out fairly normal: get up, kick some ass, fondle his beard, take some names. One minute he's participating in a run-of-the-mill mission, and the next minute, he's rescuing Brooklyn, the woman that is fated to be his, from the clutches of a criminal mastermind. Nikolai is quite pleased with his fated mate. Unfortunately, the same can't be said for Brooklyn. Living in a religious commune for the majority of her life meant Brooklyn wasn't exposed to all of the outside world's craziness. The moment she turned eighteen, she was off and running towards whatever new experiences the outside world could give her. In her quest to experience it all, she tends to jump into situations without weighing the potential consequences until it's too late. Brooklyn just wants to be free to make her own decisions and live her life as she pleases. But in her quest to save herself from the limitations of her old commune life, she lands herself in a dangerous situation, and Nikolai swoops in to her rescue, throwing her on the back of his dragon and flying off into the night. He's a man-with-a-plan kind of guy, and she's a fly-by-the-seat-of-her-pants (not on the back of a dragon!) kind of girl. Nikolai, however, has fate on his side, and whether she is ready to accept her fate or not, it won't be denied. Brooklyn's stubborn, though, and Nikolai will need to use all of his powers to show her that she's exactly where she needs to be.

Need Love, TooDragon Prince Nikolai Vassago's day starts out fairly normal: get up, kick some ass, fondle his beard, take some names. One minute he's participating in a run-of-the-mill mission, and the next minute, he's rescuing Brooklyn, the woman that is fated to be his, from the clutches of a criminal mastermind. Nikolai is quite pleased with his fated mate. Unfortunately, the same can't be said for Brooklyn. Living in a religious commune for the majority of her life meant Brooklyn wasn't exposed to all of the outside world's craziness. The moment she turned eighteen, she was off and running towards whatever new experiences the outside world could give her. In her quest to experience it all, she tends to jump into situations without weighing the potential consequences until it's too late. Brooklyn just wants to be free to make her own decisions and live her life as she pleases. But in her quest to save herself from the limitations of her old commune life, she lands herself in a dangerous situation, and Nikolai swoops in to her rescue, throwing her on the back of his dragon and flying off into the night. He's a man-with-a-plan kind of guy, and she's a fly-by-the-seat-of-her-pants (not on the back of a dragon!) kind of girl. Nikolai, however, has fate on his side, and whether she is ready to accept her fate or not, it won't be denied. Brooklyn's stubborn, though, and Nikolai will need to use all of his powers to show her that she's exactly where she needs to be.-

Page, the job of warden at Elmcote Hall is a dream come true. The beauty of the old house and the overgrown grounds speaks to her love of nature. As a venue for weddings, films and exotic parties the Hall draws curious and interesting people, including the handsome Richard Fox and his friends - who are equally alluring and more puzzling still.
