**Bonobo Handshake eBook by Vanessa Woods - 9781101528839 ...**

Bonobo Handshake is that rare important book that I wish all people would read, for it is not just a brief treatise about our closest non-human cousins, but it is also a heartbreaking reflection of the horrors of which we are repeatedly and maddeningly capable, and the inspiring ways we press on despite it all.

A fascinating memoir of hope and adventure, Bonobo Handshake traces Vanessa's self-discovery as she finds herself falling deeply in love with her husband, the apes, and her new surroundings in this true story of revelation and transformation in a fragile corner of Africa.

A fascinating memoir of hope and adventure, Bonobo Handshake traces Vanessa's self-discovery as she finds herself falling deeply in love with her husband, the apes, and her new surroundings. Courageous and extraordinary, Almost French meets The Poisonwood Bible in this true story of revelation and transformation in a fragile corner of Africa.

Vanessa Woods (born 1977) is an Australian science writer, au-

thor and journalist, and is the main Australian/New Zealand feature writer for the Discovery Channel. A graduate of the Australian National University with a Master's degree in Science Communication, and an author of children's books, she is best known for her work in both the Republic of the Congo and the Democratic Republic of the ...

Bonobo Handshake moved me to tears and showed me a side of bonobos and Lola Ya Bonobo that doesn't come through in the scientific papers. I keep reading and rereading my favorite parts and reading passages to all my friends. If you like to learn about morality and social behavior, ...
