Caliban. La guerra Fanucci Editore Su Ganimede, il pianeta granaio dell'intero sistema gioviano e fonte di approvvigionamento per i pianeti più esterni, un marine dell'esercito di Marte assiste inerme allo sterminio del suo plotone, massacrato da un mostruoso supersoldato. Nel frattempo, Venere è stato invaso da una protomolecola aliena altamente infettiva che, dopo aver apportato mis-

teriosi e catastrofici cambiamenti all'equilibrio del pianeta, minaccia di espandersi nell'intero sistema solare. Sulla Terra, un politico di alto rango lotta per evitare che si riaccenda la guerra interplanetaria. È in questo scenario che James Holden e l'equipaggio della Rocinante provano a mantenere la pace all'interno dell'Alleanza dei Pianeti Esterni. Quando accettano di aiutare uno scienziato a ritrovare un bambino scomparso in una Ganimede devastata dalla guerra, comprenderanno che in gioco c'è molto più della sorte di un singolo. L'avvenire dell'umanità è nelle loro mani, ma riuscirà una sola navicella a impedire un'invasione aliena che forse è già cominciata? Un'epopea visionaria e avveniristica, un viaggio in un futuro remoto ma al tempo stesso sorprendentemente tangibile.

The characters in these thirteen masterful and engaging stories exist on the edge of danger, where landscapes melt into dreamscapes and every house is haunted. A drug dealer's girlfriend signs up for the first manned mission to Mars. A girl falls in love with a man who wants to turn her into a bird. A teenaged girl and her best friend test their relationship by breaking into suburban houses. A wife finds a gaping hole in the floor of the home she shares with her husband, a hole that only she can see. Full of longing and strange humor, these subtle, complex stories—about the love between a man and his pet crow, an alcoholic and his AA sponsor, a mute migrant and a newspaper reporter—show how love ties us to each other and to the world. The Dark and Other Love Stories announces the emergence of a wonderfully gifted storyteller whose stories enlarge our perceptions

about the human capacity to love.

He is the King of Luda, blood brother to the Emperor and his line will die with him. He will have no offspring for no female would join with him, for once he was scarred he was considered 'unfit'. The Tornian Empire has been dying ever since the great infection caused the birth of females to become a rarity. Since then they have been searching the known universes, for compatible females. The Emperor's discovery of a compatible female on a slave ship changed that. He has ordered Grim to find his Empress' home world so more 'unprotected' females could be obtained, knowing Grim would never be allowed to join with one. Lisa Miller is a widowed mother of two little girls, Carly and Miki. Her husband died just a year ago, after a long battle with cancer and she misses him immensely. Friends want her to start dating again, but in her heart, she knows there isn't a man on the planet she could love like her Mark and who could love their girls as their own. Therefore, she'll stay alone. When Lisa is discovered 'unprotected' at her husband's grave site, she wakes on an alien ship heading for an alien world. Refusing to accept this she confronts the large alien males, demanding she be returned to her children. Seeing his chance to have a female, Grim agrees to ac-

cept and protect her offspring if she agrees to Join with him and only him. Realizing this is the only way she can retrieve her children, Lisa agrees and the Tornian Empire changes forever. Tiamat's Wrath Orbit The eighth book in the NYT bestselling Expanse series, Tiamat's Wrath finds the crew of the Rocinante fighting an underground war against a nearly invulnerable authoritarian empire, with James Holden a prisoner of the enemy. Now a Prime Original series. Thirteen hundred gates have opened to solar systems around the galaxy. But as humanity builds its interstellar empire in the alien ruins, the mysteries and threats grow deeper. In the dead systems where gates lead to stranger things than alien planets, Elvi Okoye begins a desperate search to discover the nature of a genocide that happened before the first human beings existed, and to find weapons to fight a war against forces at the edge of the imaginable. But the price of that knowledge may be higher than she can pay. At the heart of the empire, Teresa Duarte prepares to take on the burden of her father's godlike ambition. The sociopathic scientist Paolo Cortázar and the Mephistophelian prisoner James Holden are only two of the dangers in a palace thick with intrigue, but Teresa has a mind of her own and secrets even her father the emperor doesn't guess. And throughout the wide human empire, the scattered crew of the Rocinante fights a brave rear-guard action against Duarte's authoritarian regime. Memory of the old order falls away, and a future under Laconia's eternal rule -- and with it, a battle that humanity can only lose -- seems more and more certain. Because against the terrors that lie between worlds, courage and ambition will not be enough... Dogs Auberon Neon Genesis Evangelion: ANIMA (Light Novel) Seven Seas A light novel series exploring an alternate ending to one of the most influential anime series of all time! What if reluctant hero Ikari Shinji had saved the world? Now, at seventeen years old, he is the defacto leader of the EVA team. Under the leadership of Commander Katsuragi Misato, the Evangelion suits have been updated with advanced designs and powers, in preparation for the possible return of the monstrous Angels. Four copies of Ayanami Rei have been tasked with operating a global anti-Angel search-and-destroy program. But when one of these clones goes rogue, it's up to Shinji to stop her.

Timothy Top Vol. 1 The Green Pig Lion Forge Timothy Top is a grade school kid going through a hard time. His parents are constantly quarreling, and he's feeling like an outsider among his classmates. His fascination with nature and superheroes makes for an unusual combination that few of his peers can relate to. But when a crooked businessman moves into the neighborhood with plans to "reinvent the local park" into a concrete monstrosity devoid of nature and life, Timothy sets out on a mission to save a famous tree from the bulldozers. Being just a kid, he doesn't know how he'll be able to go about this, until one night he discovers that he's been given the power of a magical green thumb that can heal and grow plant life! He's a superhero! But will he be able to use this power to save the park or the relationship between his parents? A simple tale but with many layers, this first volume supports respect for the environment, as well as dealing with bullies, quarreling parents, and school expectations. Future volumes tiptoe into other topics such as discrimination, forgiveness, and commitment.

Harley Quinn Vol. 3: The Trials of Harley Quinn DC Comics Harley Quinn has the cosmic opportuni-

ty of a lifetime-becoming the "Galactic Angel of Retribution" for the Lords of Chaos and Order! But to prove herself worthy, she must survive six suitably bizarre trials, including teaming up with Batman, getting turned into a giant bug, fighting space aliens, and surviving Gotham City after its transformation into a deadly medieval fantasy RPG. Collects issues #55 and 57-63.

In Battle for Peace The Story of My 83rd Birthday Oxford University Press W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, *In Battle for Peace* frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, *In Battle for Peace* remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history.

Powell, the second book in the critically acclaimed Embers of War space opera series. The former warship Trouble Dog and her crew follow a distress call from the human

starship Lucy's Ghost, whose crew have sought refuge aboard an abandoned generation ship launched ten thousand years before by an alien race. However, the enormous vessel contains deadly secrets of its own. The Marble Armada calls for recovered war criminal Ona Sudak to accompany its ships as it spreads itself across the Human Generality, enforcing the peace with overwhelming and implacable force. Then Sudak's vessel intercepts messages from the House of Reclamation and decides the Trouble Dog has a capacity for violence which cannot be allowed to endure. As the Trouble Dog and her crew fight to save the crew of the Lucy's Ghost, the ship finds herself caught between chaotic alien monsters on one side, and on the other, destruction at the hands of the Marble Armada.

The seventh book in the NYT bestselling Expanse series, *Persepolis Rising* finds an old enemy returning home with more power and technology than anyone thought possible, and the crew of the aging gunship *Rocinante* tries to rally forces against the new invasion. **HUGO AWARD WINNER FOR BEST SERIES** An old enemy returns. In the thousand-sun network of humanity's expansion, new colony worlds are struggling to find their way. Every new planet lives on a knife edge between collapse and wonder, and the crew of the aging gunship *Rocinante* have their hands more than full keeping the fragile peace. In the vast space between Earth and Jupiter, the inner planets and belt have formed a tentative and uncertain alliance still haunted by a history of wars and prejudices. On the lost colony world of Laconia, a hidden enemy has a new vision for all of humanity and the power to enforce it. New technologies clash with old as the history of human conflict returns to its ancient patterns of war and subjugation. But human nature is not the only enemy, and the forces being unleashed have their own price. A price that will change the shape of humanity -- and of the *Rocinante* -- unexpectedly and forever. . .

From a New York Times bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system—Mars, the Moon, the Asteroid Belt and beyond—but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for—and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations—and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." —George R. R.  W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, *In Battle for Peace* frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, *In Battle for Peace* remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history.

"The emotional range and depth of [Willis's stories], the clarity and deftness, are astonishing."—Alice Munro The characters in these thirteen masterful and engaging stories exist on the edge of danger, where landscapes melt into dreamscapes and every house is haunted. A drug dealer's girlfriend signs up for the first manned mission to Mars. A girl falls in love with a man who wants to turn her into a bird. A teenaged girl and her best friend test their relationship by breaking into suburban houses. A wife finds a gaping hole in the floor of the home she shares with her husband, a hole that only she can see. Full of longing and strange humor, these subtle, complex stories—about the love between a man and his pet crow, an alcoholic and his AA sponsor, a mute migrant and a newspaper reporter—show how love ties us to each other and to the world. The Dark and Other Love Stories announces the emergence of a wonderfully gifted storyteller whose stories enlarge our perceptions about the human capacity to love. The third book in the NYT bestselling Expanse series, Abaddon's Gate opens the door to the ruins of an alien gate network, and the crew of the Rocinante may hold the key to unlocking its secrets. HUGO AWARD WINNER FOR BEST SERIES For generations, the solar system -- Mars, the Moon, the Asteroid Belt -- was humanity's great frontier. Until now. Timothy Top is a grade school kid going through a hardtime. His parents are constantly quarreling, and he's feeling like an outsider among his classmates. His fascination with nature and superheroes makes for an unusual combination that few of his peers can relate to. But when a crooked businessman moves into the neighborhood with plans to "reinvent the local park" into a concrete monstrosity devoid of nature and life, Timothy sets out on a mission to save a famous tree from the bulldozers. Being just a kid, he doesn't know how he'll be able to go about this, until one night he discovers that he's been given the power of a magical green thumb that can heal and grow plant life! He's a superhero! But will he be able to use this power to save the park or the relationship between his parents? A simple tale but with many layers, this first volume supports respect for the environment, as well as dealing with bullies, quarreling parents, and school expectations.

Future volumes tiptoe into other topics such as discrimination, forgiveness, and commitment.

The eighth book in the NYT bestselling Expanse series, *Tiamat's Wrath* finds the crew of the *Rocinante* fighting an underground war against a nearly invulnerable authoritarian empire, with James Holden a prisoner of the enemy. Now a Prime Original series. Thirteen hundred gates have opened to solar systems around the galaxy. But as humanity builds its interstellar empire in the alien ruins, the mysteries and threats grow deeper. In the dead systems where gates lead to stranger things than alien planets, Elvi Okoye begins a desperate search to discover the nature of a genocide that happened before the first human beings existed, and to find weapons to fight a war against forces at the edge of the imaginable. But the price of that knowledge may be higher than she can pay. At the heart of the empire, Teresa Duarte prepares to take on the burden of her father's godlike ambition. The sociopathic scientist Paolo Cortázar and the Mephistophelian prisoner James Holden are only two of the dangers in a palace thick with intrigue, but Teresa has a mind of her own and secrets even her father the emperor doesn't guess. And throughout the wide human empire, the scattered crew of the *Rocinante* fights a brave rear-guard action against Duarte's authoritarian regime. Memory of the old order falls away, and a future under Laconia's eternal rule -- and with it, a battle that humanity can only lose -- seems more and more certain. Because against the terrors that lie between worlds, courage and ambition will not be enough... Su Ganimede, il pianeta granaio dell'intero sistema gioviano e fonte di approvvigionamento per i pianeti più esterni, un marine dell'esercito di Marte assiste inerme allo sterminio del suo plo-

tone, massacrato da un mostruoso supersoldato. Nel frattempo, Venere è stato invaso da una protomolecola aliena altamente infettiva che, dopo aver apportato misteriosi e catastrofici cambiamenti all'equilibrio del pianeta, minaccia di espandersi nell'intero sistema solare. Sulla Terra, un politico di alto rango lotta per evitare che si riaccenda la guerra interplanetaria. È in questo scenario che James Holden e l'equipaggio della Rocinante provano a mantenere la pace all'interno dell'Alleanza dei Pianeti Esterni. Quando accettano di aiutare uno scienziato a ritrovare un bambino scomparso in una Ganimede devastata dalla guerra, comprenderanno che in gioco c'è molto più della sorte di un singolo. L'avvenire dell'umanità è nelle loro mani, ma riuscirà una sola navicella a impedire un'invasione aliena che forse è già cominciata? Un'epopea visionaria e avveniristica, un viaggio in un futuro remoto ma al tempo stesso sorprendentemente tangibile.

King Grim Vasteri is the strongest and most feared warrior in the Tornian Empire. He is the King of Luda, blood brother to the Emperor and his line will die with him. He will have no offspring for no female would join with him, for once he was scarred he was considered 'unfit'. The Tornian Empire has been dying ever since the great infection caused the birth of females to become a rarity. Since then they have been searching the known universes, for compatible females. The Emperor's discovery of a compatible female on a slave ship changed that. He has ordered Grim to find

his Empress' home world so more 'unprotected' females could be obtained, knowing Grim would never be allowed to join with one. Lisa Miller is a widowed mother of two little girls, Carly and Miki. Her husband died just a year ago, after a long battle with cancer and she misses him immensely. Friends want her to start dating again, but in her heart, she knows there isn't a man on the planet she could love like her Mark and who could love their girls as their own. Therefore, she'll stay alone. When Lisa is discovered 'unprotected' at her husband's grave site, she wakes on an alien ship heading for an alien world. Refusing to accept this she confronts the large alien males, demanding she be returned to her children. Seeing his chance to have a female, Grim agrees to accept and protect her offspring if she agrees to join with him and only him. Realizing this is the only way she can retrieve her children, Lisa agrees and the Tornian Empire changes forever.
