Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthen-

ing Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

CENTURY 21 ACCOUNTING GENERAL JOURNAL (Green Text) begins with a two-column general journal, and then introduces students to special journals in cycle two. Based on teacher input, we have completely reorganized this new edition of CENTURY 21, starting with a service business organized as a proprietorship, progressing to a merchandising business organized as a corporation, and concluding with special topics, partnerships, and recording international sales and electronic transactions. Technology is integrated throughout the

text, including Automated Accounting, Peachtree, QuickBooks, and Microsoft Excel. Also, the New Student Companion CD-ROM is included with each text. The student CD is exclusively available with CENTURY 21 and includes Competitive Event Prep, Automated Accounting data files, Electronic flash cards of key terms, Web links, PowerPoint presentations, and much, much more! CENTURY 21 ACCOUNTING presents real-world source documents as each new transaction is presented in the text. Source documents provide the objective evidence for journalizing every transaction, and are now included in the working papers for selected end of chapter problems. T accounts are always used to analyze transactions into debit and credit parts to increase student comprehension of journalizing transactions. Illustrations are consistently placed at the top of the page and include step-by-step instructions. Concepts are reinforced through descriptive text to provide complete accounting instruction. Each chapter is divided into three or four lessons with corresponding assessment activities right at the point of use. In addition,

several short application problems at the end of each chapter have been added to build student's knowledge before completing the longer mastery and challenge problems.

Printed Working Papers help students efficiently complete end-of-lesson, end of-chapter, and reinforcement activities as well as improved chapter study guides.

Accounting practice, whether in business or government, is more dynamic, more complex, and addresses a wider array of issues than it did as little as five years ago. Significant and rapid social, political, technological and economic changes are taking place in the world economy and it is increasingly recognised that accountants in all countries play a key role in the process of economic development.

Printed Working Papers help you efficiently complete end-of-lesson, end of-chapter, and reinforcement activities, as well as improved chapter study guides.

No other accounting text takes you further or gives you more. With CENTURY 21 ACCOUNTING MULTICOLUMN JOURNAL 9E, 2012 UPDATE, you place the advantage of more than 100 years of accounting success into your students' hands with the latest from this authoritative leader in accounting education. Each advantage you find in CENTURY 21 ACCOUNTING MULTICOLUMN JOURNAL reflects guidance from a Teacher Review Board of more than 60 experienced educators just like you and input from a first-of-its-kind Student Advisory Board. This edition's fresh, clean presentation addresses your contemporary classroom needs as effectively today as this best-selling text did more than a century ago when it redefined the accounting course. CENTURY 21 ACCOUNTING MULTICOLUMN JOURNAL starts with the five-column multi-column journal before moving into special journals in Part Two. This is the only text to offer you a choice in accounting presentation. The ninth edition's new student-driven design integrates commercial technology such as Microsoft Excel,

Peachtree(R), and Quick-Books(R) into the end of every chapter and offers the market's first online working papers. A unique focus on financial literacy and emphasis on character, as well as companies selected by students, prepare your class for accounting challenges. Financial Literacy for the 21st Century, new to the 2012 Update, guides students in the exploration of financial topics through engaging activities that provide opportunities for students to apply valued skills such as problem solving, critical thinking, and technology use as defined by the Partnership for 21st Century Skills. Acquisition of the knowledge and skills taught in this feature will prepare stu-

dents to compete in a workplace that demands creativity and innovation. Trust the book's unwavering accuracy to ensure a complete text, a comprehensive package, and technology solutions with the advantage to move your course and your students ahead in today's times.
