Watching my mother end her second marriage, I thought to myself, "does anything last forever?" Growing up in a family culture full of divorces, extra-marital affairs, and separations, I didn't know what a healthy marriage entailed, but I knew I wanted to be married? Like many of you, I quickly realized that love was not enough to keep my marriage from failing. We were heading down an unexpected and disappointing road to divorce and my fairytale was crumbling. I needed to understand how to use the gifts God had given me as a "Helper" to be the wife I was never taught to be. My book, "Marriage Is A Beautiful Thing, But I Wish I Would've Known" highlights the challenges wives experience juggling purposefulness, marriage, and children, and how to experience a life-changing transformation realizing the power we have as wives and mothers. In order to walk in that power there are four critical areas discussed: ?Setting a firm foundation and understanding the value of the "Ministry of Marriage" ?Balancing your time in order to have healthy relationships in all areas of your life?Conquering a self-serving mentality and using the gifts God gave women to have a more fulfilling marriage?Successful Strategies for building a healthy marriage and maintaining love for a lifetime Women are initiating divorces at an alarming rate and it is due to impart to an improper understanding of the purposes of marriage and an inability to tap into our gifts in order to bring out the best in our spouse. Women have and ability to create an atmosphere in the

home where trust, vulnerability, love, and hope abide. Whether you are single and considering if marriage is for you, or if you are married and wish to unfold the true joy of the marital experience, this book will give you a deeper understanding of who God has called women to be and how you are divinely gifted to love your spouse into purpose.

The hope-filled sequel to the bestselling One Tuesday Morning. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul's, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie's husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul's. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband's journal to move Jamie beyond one Tuesday morning. "Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she'd ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie's face. If she

could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she'd fallen for when she was only a girl." Take back your life in 40 Days! For the past sixty years, the Pentecostal and Charismatic movement has played a major role in Zambia. In this book, Naar Mfundisi-Holloway explains the history of this development and its impact on civic engagement. She opens a discussion on church-state relations and explains how the church presented a channel of hope in the wake of the HIV/AIDS pandemic, despite having a history that eschewed civic engagement. In fact, the pandemic propelled the church to work alongside the state in the fight against the disease. Using interviews and historical analysis, this book provides valuable insight into how Pentecostal and Charismatic churches have effectively engaged matters of civic concern in Zambia dating from colonial times.

There is no question the world is fractured. Nations, families, and individuals all experience a broken and fallen world in which Satan maintains strongholds of power. But believers are to become free, whole, and mature in Christ. John Loren Sandford and Mark Sandford bring understanding and reconciliation between the disciplines of deliverance and inner healing. They correct misunderstandings, identify abuses, and present direction for using both

ministries effectively. With clear, informative chapters and multiple appendixes full of scriptural references, Deliverance and Inner Healing is the one-stop source for both theoretical and practical application of deliverance and inner healing today.

This book is an exposé from God's record in the Bible of what is happening in the spiritual realm that is causing families and nations to be torn apart. God states that he is against manipulation and oppression and calls it witchcraft. The book awakens one's awareness of the contrasts of darkness versus light. It addresses modern-day family dynamics and outlines my personal journey as a victim of manipulation and how I was able to overcome it when I accepted Jesus Christ, the light of the world, as my personal Savior. My Heavenly Father warned me through a series of dreams and visions about the devil's plans to destroy my life and

taught me through his precious Holy Spirit how to overcome it. This is my opportunity to expose the plans that the devil has for families nationwide and worldwide, thereby giving those who have lost their way an opportunity to receive healing, deliverance, and restoration.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The power of the spoken word is beyond our understanding. It is a spiritual mystery that has been hidden from us, but now it is being revealed so that God's people can be equipped for an unprecedented era of influence. #2 The universe begins with words and thoughts. Everything in the universe revolves around these two elements. Your thoughts, intentions, and aspirations - whether they be secretly pondered in your heart or openly declared as desires - mold and shape your personal universe into something that is either grand and beautiful or base and hideous. #3 What you say matters greatly. Your thoughts provide the fuel for your words, and your words provide the fuel for your world. It is important that you understand the meaning of what you are saying. #4 The law of cause and effect also works with the law of attraction. It states that like attracts like, and your thoughts and words are transmitted like a shortwave radio signal. They send messages out on a specific frequency and are transmitted back to you manifested as an experience or occurrence in your life.
