designing and executing strategy in aviation management is a practical and accessible route map through the complex world of strategic management it combines theoretical essentials with illuminating corporate stories from the aviation industry

Designing and Executing a Digital Strategy A digital strategy, if you don't already know, can be thought of as a plan that is designed to achieve business goals through digital initiatives . While this is perhaps a vague definition, the basic idea is that you are using digital technologies as a tool to accomplish your already-existing business objectives.

Designing and Executing Strategy in Aviation Management: Flouris, Triant G., Oswald, Sharon L.: Amazon.sg: Books

And, rightly so. Strategy without execution is a waste of time. But, execution without strategy is like saying "Ready, Fire, Aim" or more accurately "Fire, Look—OMG!" I believe in strategy. More importantly I believe in a well thought out, successful sales strategy.
