Destinos: Second Edition of the Alternate Edition This is the newer textbook, colorful and updated but more for classroom use By Michael Schellon Aug 26, 2013 The biggest challenge I've had jumping into Destinos as an independent (non-classroom) study tool is the confusing array of supporting materials available.

2. ANOTHER DESTINOS REVIEW: Here is an interesting review written by someone who uses Destinos for learning Spanish. She clearly noticed a great deal more about the actors' early 1990s hair and clothing style than I did, lol, likely because of that "Men are from Mars, Women are from Venus" thing.

Destinos: Second Edition of the Alternate Edition by Bill VanPatten. McGraw-Hill College. Hardcover. GOOD. Spine creases, wear to binding and pages from reading. May contain limited notes, underlining or highlighting that does affect the text. Possible ex library copy, will have

the markings and stickers associated from the library.
