## M7N6SR - GRAHAM KLINE

Thing most terrifying thing about serial killers is that sometimes, they're just like us, as the interesting facts in this true crime collection reveal. Even the most diabolical of serial killers was once someone's child, someone's spouse, someone's parent, but somewhere along the line, something happened to send them off the rails on a descent into madness. Wisconsin serial killer Jeffrey Dahmer would have said he was just lonely, and that's why 17 young men ended up dead at his hands. Never mind that he carried around a plastic bag to pick up road kill as a child - a huge harbinger of terrible things to come. The compilation of trivia in this serial killer true crime anthology goes beyond the familiar stories to give you a glimpse of some of the more horrifying aspects of people who become famous for acts of barbarianism that are unfathomable for most of us. By going behind the scenes, you'll learn more about the monsters whose stories keep us awake at night, uncover the mundane hidden amongst the horrifying bits that make the evening news. These serial killer true crime moments are those you'll want to read around the campfire on a moonless summer night. That's if, of course, you're planning on staying up all night. Sleep, if it comes, will be a nightmare.

Did you know that Will Smith was the original choice to play Neo in The Matrix? Or that the New Zealand censors cut The Muppet Movie because in their eyes it featured scenes of gratuitous violence? If you enjoy going to the movies, you will love this book which contains over one hundred amazing facts about your favourite flicks. Organised into sections such as stunts, cast members, bad decisions and more, this is the perfect addition for any film fan's bookshelf.

The first two Avengers movies grossed over \$ 2.9 billion worldwide, setting a new record. "Avengers: Infinity War" and its untitled sequel scheduled for release in 2019

will end the epic adventure started in 2012. All the superheroes of the Marvel Cinematic Universe will unite to try and defeat the terrifying Thanos. The arrival of the ultimate supervillain has been described as a real game changer: nothing will ever be the same. But why are superhero movies always so successful? And what do comic book artists think of the cinematic versions of Thanos, Star Lord, the Guardians of the Galaxy and all the others? The journey from comic books to a film set is a fascinating one: here you will find exclusive interviews about the backstage of "The Avengers" and "Avengers: Infinity War".

Did you know that watching scary movies burns more calories than any other genre? Or that three quarters of the women James Bond has slept with have tried to kill him? If you enjoy going to the movies, you will love this book which contains over one hundred amazing facts about your favourite flicks. Organised into sections such as costumes, props, original endings and more, this is the perfect addition for any film fan's bookshelf.

Did you know Shakespeare introduced thousands of words into the English language, amongst them alligator, eyeball and swagger? Do you know what unusual item he left to his wife in his will? Have you heard of the conspiracy theory that suggests Shakespeare didn't write the plays we attribute to him today? This fascinating book contains over one hundred facts about William Shakespeare, organised into categories for easy reading. Whether you are studying the bard for a project or you are interested in finding out more about the English speaking world's greatest ever author, this is the book for you.

There's a lot riding on Batman v Superman, including the health of the new DC Expanded Universe, which is reportedly setting up ten additional films in this movie alone! The advance box office projections for Batman v Superman are very

It is a great conversation starter and readers are sure to impress friends and family with nuggets of insider information that most Seinfeld fans do not know. Photos included. 100 Amazing Facts About the Negro Pantheon The first edition of Joel Augustus Rogers’s now legendary 100 Amazing Facts About the Negro with Complete Proof, published in 1934, was billed as “A Negro ‘Believe It or Not.’” Rogers’s little book was priceless because he was delivering enlightenment and pride, steeped in historical research, to a people too long starved on the lie that they were worth nothing. For African Americans of the Jim Crow era, Rogers’s was their first black history teacher. But Rogers was not always shy about embellishing the “facts” and minimizing ambiguity; neither was he above shock journalism now and then. With élan and erudition—and with winning enthusiasm—Henry Louis Gates, Jr. gives us a corrective yet loving homage to Roger’s work. Relying on the latest scholarship, Gates leads us on a romp through African, diasporic, and African-American history in question-and-answer format. Among the one hundred questions: Who were Africa’s first ambassadors to Europe? Who was the first black president in North America? Did Lincoln really free the

slaves? Who was history’s wealthiest person? What percentage of white Americans have recent African ancestry? Why did free black people living in the South before the end of the Civil War stay there? Who was the first black head of state in modern Western history? Where was the first Underground Railroad? Who was the first black American woman to be a self-made millionaire? Which black man made many of our favorite household products better? Here is a surprising, inspiring, sometimes boldly mischievous—all the while highly instructive and entertaining—compendium of historical curiosities intended to illuminate the sheer complexity and diversity of being “Negro” in the world. (With full-color illustrations throughout.) Unbreakable Kimmy Schmidt Sitcom Trivia Quiz Independently Published Unbreakable Kimmy Schmidt is filled with a lot of interesting details and facts behind the scenes. The first edition of Joel Augustus Rogers's now legendary 100 Amazing Facts About the Negro with Complete Proof, published in 1934, was billed as "A Negro 'Believe It or Not.'" Rogers's little book was priceless because he was delivering enlightenment and pride, steeped in historical research, to a people too long starved on the lie that they were worth nothing. For African Americans of the Jim Crow era, Rogers's was their first black history teacher. But Rogers was not always shy about embellishing the "facts" and minimizing ambiguity; neither was he above shock journalism now and then. With élan and erudition—and with winning enthusiasm—Henry Louis Gates, Jr. gives us a corrective yet loving homage to Roger's work. Relying on the latest scholarship, Gates leads us on a romp through African, diasporic, and African-American history in question-and-answer format. Among the one hundred questions: Who were Africa's first ambassadors to Europe? Who was the first black president in North America? Did Lincoln really free the slaves? Who was history's wealthiest person? What percentage of white Americans have recent African ancestry? Why did free black people living in the South before the end of the Civil War stay there? Who was the first black head of state in modern Western history? Where was the first Underground Railroad? Who was the first black American woman to be a self-made millionaire? Which black man made many of our favorite household products better? Here is a surprising, inspiring, sometimes boldly mischievous—all the while highly instructive and entertaining—compendium of historical curiosities intended to illuminate the sheer complexity and diversity of being "Negro" in the world. (With full-color illustrations throughout.)

Connect students in grades 4 and up with

science using Amazing Facts about Animals. This 128-page book features creatures from North and South America, Asia, Australia, Africa, the ocean, and the farm. The book includes puzzles, logic problems, myth busters, and scientific mysteries to pique student interest. It also includes reproducible answer keys.

How well do you really know the music and groups that shaped the soundtrack of your life? This book will test (or showoff) your knowledge of Rock and Roll and Pop, from the Fabulous Fifties to the New Wave 80's and everything in-between. This is not just a trivia book; it is "A totally fab deep dive down the mind bending rabbit hole of rock n roll history", according to Jack Sonni of Dire Straits. It is the standard by which all other rock books should be judged. There are two ways to enjoy this book. You can take the Masters Level which asks the questions to which you either know the answers or you don't. The Mortal Level gives you a multiple choice of the same questions. This is perfect for hosting your own

trivia nights. Even if you know the answers it behooves you to peruse the Mortal section as it is chocked full of behind the scene stories about the music and artists.

Do you know which classical legend was a key inspiration for Suzanne Collins when she wrote The Hunger Games? Or why Katniss is so named?
