As this Federer, it ends stirring monster one of the favored books Federer collections that we have. This is why you remain in the best website to see the incredible books to have.

KKDKGL - DRAKE KORBIN

Admired for his perfect form, style, and finesse, tennis star Roger Federer has been ranked as the number one player in the world, and is arguably the greatest player in the history of tennis. He holds the record for the most wins in Grand Slam tournaments and has spent the most consecutive weeks as the number-one ranked player in professional tennis. This volume charts Federer's rise to fame, from his early start as an impulsive but talented youth to the tournament wins that established him as a world-class athlete. The author also explains how Federer earned a reputation as a fair player, a polite and considerate sports hero, and a humanitarian.

The executive editor of Sports Illustrated offers an in-depth analysis and behind-the-scenes look at the historic 2008 match between tennis titans. In the 2008 Wimbledon men's final, Centre Court was a stage set worthy of Shakespearean drama. Five-time champion Roger Federer was on track to take his rightful place as the most dominant player in the history of the game. He just needed to cling to his trajectory. So, in the last few moments of daylight, Centre Court witnessed a coronation. Only it wasn't a crowning for the Swiss heir apparent but for a swashbuckling Spaniard. Twenty-two-year-old Rafael Nadal prevailed, in five sets, in what was, according to the author, "essentially a four-hour, forty-eight-minute infomercial for everything that is right about tennis—a festival of skill, accuracy, grace, strength, speed, endurance, determination, and sportsmanship." It was also the encapsulation of a fascinating rivalry, hard fought and of historic proportions. In the tradition of John McPhee's classic *Levels of the Game*, *Strokes of Genius* deconstructs this defining moment in sport, using that match as the backbone of a provocative, thoughtful, and entertaining look at the science, art, psychology, technology, strategy, and personality that go into a single tennis match. With vivid, intimate detail, Wertheim re-creates this epic battle in a book that is both a study of the mechanics and art of the game and the portrait of a rivalry as dramatic as that of Ali-Frazier, Palmer-Nicklaus, and McEnroe-Borg. "Deftly touches on all the defining factors of contemporary tennis." —San Francisco Chronicle "Illuminates a kingdom changing hands. An engrossing book." —Bud Collins

A major biography of the greatest men's tennis player of the modern era. There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In *THE MASTER*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a

pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. *THE MASTER* tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.

A close study of the rivalry between Rafael Nadal and Roger Federer at the French Open, *THE CLAY RAN RED* is the latest collection of tennis insight by the well-known author, journalist, and blogger, Peter Bodo. Federer and Nadal played their first match at Roland Garros in the semifinals of 2004, where Bodo—courtside and reporting on every meeting of the tennis titans in Paris—picks up the story. He weaves together his on-the-scene dispatches to create an illuminating narrative that covers every aspect of this great rivalry, from the underlying psychological issues, to tactics and the place of each man in tennis history, culminating with the final of 2009. Along the way, Bodo also introduces secondary characters and rivals, and gives a richer and deeper understanding of clay-court tennis taking into consideration the unique demands it makes on the players.

Bestseller Chris Jackson has written a thoughtful and brilliant study of Federer as a man, player, and aesthetic and moral figure of our times. It outplays even Foster Wallace's magisterial writing on this greatest of all tennis champions. Here is the one of the most profound, insightful and elegant books ever written about sports.

Attention Tennis Fans: Great Story for Kids to Learn and be Inspired by Roger Federer Fully illustrated children's book of the story of one of the best tennis players Roger Federer who overcame all the challenges and became one of the tennis players in history. The great story of a young boys who follows his dream, works hard and never gives up to finally become one of the greatest tennis players in history Learn the life of Roger Federer, and be inspired to be like him one day. Get this book now and enjoy the rise to stardom of Roger Federer.

This admired biography traces the rise of Roger Federer, from his first tentative strokes with a racket

to legendary status, and perhaps even the title of greatest tennis player ever. It looks at his development as a sportsman and how he has matured into a family man after his marriage and the birth of twin girls, followed by twin boys in 2014. With his remarkable return to top-level form after his grim 2013, culminating in his sealing Switzerland's Davis Cup triumph in November 2014, and his narrow loss to Novak Djokovic in the 2015 Men's Singles at Wimbledon, a fuller picture of the player's career can be painted. Far from being an endless recitation of tennis matches won and, sometimes, lost, however, the book also examines how Federer bounced back from arguably one of the most challenging periods of his career when he suffered a serious illness and a dip in form. In characteristic style, he silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown, winning Olympic gold, and in 2015 recording his 1,000th career win – a feat achieved by only two other players – as well as beating both Djokovic and Murray, the world Nos 1 and 2, to win the Cincinnati Masters for the seventh time. This masterly biography brings the player's story up to date, while also considering Federer the man and the player, as well as his place in tennis and sporting history.

Regarded by many as the greatest tennis player in the history of the sport, this authoritative biography is based on many exclusive interviews with Federer and his family as well as the author's experience covering the international tennis circuit for many years. Completely comprehensive, it provides an informed account of the Swiss tennis star from his early days as a temperamental player on the junior circuit, through his early professional career, to his winning major tennis tournaments, including the U.S. Open and Wimbledon. Readers will appreciate the anecdotes about his early years, revel in the insider's view of the professional tennis circuit, and be inspired by this champion's rise to the top of his game.

Roger Federer is an icon. One of the greatest tennis players of all time, he is also one of the most highly regarded and best-loved figures in the sporting world. Veteran tennis writer René Stauffer has been closely covering Federer's career for nearly twenty-five years. In this comprehensive biography, Stauffer talks at length to the man himself as well as family, friends, coaches and rivals to paint an unrivalled picture of this extraordinary athlete, family man, philanthropist, businessman and sporting ambassador. From Federer's early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his twentieth Grand Slam victory and all points in between, Stauffer explores the secrets of Federer's success, the hardships and doubts that he has faced and examines Federer's legacy in the modern game. Insightful, touching and revealing, this is the most definitive biography on Roger Federer ever written.

'Quite possibly the best living writer in Britain' Daily Telegraph Much attention has been paid to so-called late style – but what about last style? When does last begin? How early is late? When does the end set in? In this endlessly stimulating investigation, Geoff Dyer sets his own encounter with late middle age against the last days and last achievements of writers, painters, athletes and musicians who've mattered to him throughout his life. With a playful charm and penetrating intelligence, he examines Friedrich Nietzsche's breakdown in Turin, Bob Dylan's reinventions of old songs, J.M.W. Turner's paintings of abstracted light, John Coltrane's cosmic melodies, Jean Rhys's return from the dead (while still alive) and Beethoven's final quartets – and considers the intensifications and modifications of experience that come when an ending is within sight. Oh, and there's stuff about Roger Fed-

erer and tennis too. This book on last things – written while life as we know it seemed to be coming to an end – is also about how to go on living with art and beauty, on the entrancing effect and sudden illumination that an Art Pepper solo or an Annie Dillard reflection can engender in even the most jaded sensibilities. Blending criticism, memoir and repartee into something entirely new, *The Last Days of Roger Federer* is a summation of Dyer's passions and the perfect introduction to his sly and joyous work.

Discover The Inspirational Story of Tennis Superstar Roger Federer! Read on your PC, Mac, smart phone, tablet or Kindle device! You're about to discover the incredibly inspirational story of tennis superstar Roger Federer. If you're reading this then you must be a fan of Roger, like so many others. A collection of 16 thematically arranged pieces presenting the author's 20-year-long observations, interviews on and insights into the life, career and professional achievements of Swiss-born tennis player Roger Federer.

"First published in Great Britain in 2015 by Yellow Jersey Press"--T.p. verso.

Roger Federer's astounding all-around ability has led to him being referred to as one of the most complete players the game has ever seen and with 17 Grand Slam wins and an Olympic Gold Medal under his belt, the Swiss star has already achieved legendary status in the game. This authoritative and affectionate biography traces Federer's rise, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland, as well as how he handled the sudden death of his first real coach and mentor. It also examines how Roger has bounced back from arguably one of the most challenging periods of his career following a serious illness and a dip in form, he broke his run of successive Wimbledon championship wins and was toppled from the number one spot by rival Rafael Nadal—but in characteristic style, silenced his critics by once again returning to winning form. This biography explains how Roger's professionalism and charm, as well as the time he devotes to his charitable foundation, have won him huge amounts of respect from both his fellow athletes and tennis professionals alike.

He is recognized as the greatest tennis player of all time. An all-around, all-court player known for his exemplary fluid style in tennis play, with incredible speed and extraordinary shot making, his versatility in the court is simply one of a kind. He is also one of few highest-paid athletes, making around 40-50 million euros annually. Generally speaking, he is one of the few extremely successful athletes, specifically in the tennis field. But the greatest thing about him is his big heart. He's a monster in the tennis court but an angel in the real world. He never kept his achievements and wealth for himself, rather, he chose to share it to the less fortunate fellow men. He is a genuine man who is always willing to extend a helping hand, and that makes him a true champion not just in the realm of sport but in the hearts of people whom he helped and who witnessed his greatness. Yes, we're talking about Roger Federer here. Many people out there may perhaps ponder how this mega successful athlete achieved their success or probably wonder what they've gone through in their journey or simply wish to follow their path. These same questions are what drive this book. This book is written for both tennis enthusiast, Federer fanatics, and even random individuals who wish to know all about Roger Federer- his life, achievements, obstacles he faced, his contribution to the world and learn something important from him, something which can help or guide them on their journey to-

wards their achievement.

Roger Federer: 20 Grand Slam Wins On August 8, 1981, a star was born in Basel, Switzerland and the baby's happy parents named him, Roger Federer, not knowing the world stage was waiting for the star-studded kid. At the age of 11, Roger had all the trappings of a force to reckon with in the tennis field having become the top 3 best Swiss tennis players for the junior team. He had a strong drive, he had a passion for the game, his goal was the world stage and nothing, absolutely nothing was going to deter young Federer from fulfilling his dreams. Roger Federer practiced relentlessly. At age 14 he would spend six hours per week practicing and participating in two to three tournaments in a month. Federer arguably became one of the youngest lawn tennis player at age 18 and in the Swiss David Team. He didn't go the whole haul alone as he learned from his idols, Stefan Edberg and Boris Becker. By 1998, Federer had gone professional, having won the Wimbledon titles for boy's singles and doubles. He was then 'The New Kid' in the block to beat. Surprisingly, he took on erstwhile tennis champion Pete Sampras at the Wimbledon 2001 and knocked him out at the fourth round. So, began the story of the Swiss kid now turned a world tennis giant in the making, a sensation loved by his emerging fans, scoffed by some and dreaded by others, who were his opponents. So, what's it going to be? At last, Roger Federer has written his name in the sands of time. He made history repeatedly and became the Greatest Of All Times (G.O.A.T). As his active days in the lawn tennis court gradually draw to an end, Roger Federer has everything to be thankful for. With over 1,500 matches played in his life as a professional player, 103 career wins, 20 Grand Slam titles from 31 final matches, over 10 consecutive finals, and more 8 consecutive finals, Roger Federer has set a record to emulate for years to come. To know more about this champ and menacing player, his games, intrigues, bad days, special moments, style of play, emotions, victories and more, let's delve into the life of Roger Federer and his 20 Grand Slam title win.

Roger Federer is an icon. One of the greatest tennis players of all time, he is also one of the most highly regarded and best-loved figures in the sporting world. Veteran tennis writer René Stauffer has been closely covering Federer's career for nearly twenty-five years. In this comprehensive biography, Stauffer talks at length to the man himself as well as family, friends, coaches and rivals to paint an unrivalled picture of this extraordinary athlete, family man, philanthropist, businessman and sporting ambassador. From Federer's early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his twentieth Grand Slam victory and all points in between, Stauffer explores the secrets of Federer's success, the hardships and doubts that he has faced and examines Federer's legacy in the modern game. Insightful, touching and revealing, this is the most definitive biography on Roger Federer ever written.

You'll also discover why his foundation, the Roger Federer Foundation, chooses to concentrate its efforts in South Africa as well as Switzerland, and why he believes education is critical. To date, his charitable work has helped a million children since its inception in 2003. Federer has won many nicknames, such as Darth Federer, FedEx, and King Roger, but what means the most to him is his legacy, his family, and his ability to keep playing at an almost superhuman level. And when he can no longer do that? He will still be a truly remarkable human being. This book provides you with all the information on the greatest tennis legend, including his early years, family, and support groups, as well as his most notable competitors, Rafael Nadal and Novak Djokovic. Given his accomplishments, Roger

federer is more than exceptional. He is the only male player to have won the us open five times in a row, shared the record for most wimbledon victories (8), and has won 20 grand slam singles titles, more than any other male player. He has won the davis cup, olympic gold, and silver for his native switzerland. He is regarded as the best in the sport by many fans and analysts. Swiss tennis legend roger federer has lost his last professional match, playing doubles against contemporary and rival rafael nadal. Roger federer closed off his exceptional professional tennis career at age 41. Twenty-time grand slam winner roger federer puts his great career to a conclusion with a loss with rafael nadal.

THE BIOGRAPHY OF ROGER FEDERER: One of the greatest tennis players in history. He holds the record for most Grand Slam men's singles championships at 20. BY PRIME PUBLISHERS One of the Greatest Tennis Players in History. Deemed by pundits as the greatest tennis player of all time, Roger Federer is known for his speed, fluid play, and exceptional shot-making. His powerful smashes, excellent footwork, and efficient technique not only made him win several matches, but create history as well. He holds the record for being the only player to hold the number one position for 302 weeks overall, out of which he held the position for 237 consecutive weeks from 2004 to 2008. He remained in the top two positions for eight consecutive years. He then held the top three positions from 2003 to 2012. He has the distinction of being one amongst the eight tennis players in the world to have a career 'Grand Slam.' Furthermore, he has won a total of 20 'Grand Slam' titles till date. He is also the proud recipient of Olympic gold and silver medal for doubles and singles respectively. Tennis star Roger Federer was brought into the world on August 8, 1981, in Basel, Switzerland, to Swiss dad Robert Federer and South African mother Lynette Du Rand. Federer's folks met while on an excursion for work for a drug organization, where the two of them worked. Federer looked into sports at an early age, playing tennis and soccer at eight years old. By age 11, he was among the Top 3 junior tennis major parts in Switzerland. At age 12, he chose to stop different games and spotlight every one of his endeavors on tennis, which he believed he dominated at all the more normally. By 14, he was completely inundated in the game, playing a few competitions each month and rehearsing six hours per week, alongside as long as three hours of molding. To consummate his strategy, he regularly imitated his golden calves, Boris Becker and Stefan Edberg. At age 14, Federer turned into the public junior hero in Switzerland and was picked to prepare at the Swiss National Tennis Center in Ecublens. He joined the International Tennis Federation junior tennis circuit in July 1996 and had his first sponsorship by age 16. In 1998, presently before he turned master, Federer won the lesser Wimbledon title and the Orange Bowl. He was perceived as the ITF World Junior Tennis boss of the year. **CLICK ON THE "BUY" BUTTON TO GET YOUR COPY AND KNOW MORE!**

Few athletes hear the title "greatest" attached to their name while they're still playing. Roger Federer is an exception to this rule. His domination of the tennis court has commanded attention and admiration worldwide. This book documents Federer's journey as an athlete, from lessons as a young boy to grand-slam victories. Still at the top of his game, Federer shows every sign of continuing to break records, ensuring his place in tennis history.

Roger Federer, si no el mejor jugador de esta era dorada del tenis masculino sin duda el que ha tenido un mayor impacto deportivo y mediático, está en el ocaso de su histórica carrera. A lo largo de estos años, ha cautivado a las audiencias por su gracia, tanto literal como figurativa, en la cancha, y por su inquebrantable simpatía en tiempos de escepticismo y negatividad. Pero detrás de esta elegante figura deportiva hay un ser humano con sus demonios y sus defectos, y ningún periodista lo conoce mejor ni está tan bien preparado para escribir este relato íntimo como Christopher Clarey, en-

cargado de su cobertura en The New York Times y The International Herald Tribune durante más de dos décadas.

Since 2004, two names have dominated men's tennis: Rafael Nadal and Roger Federer. Each player is legendary in his own right. The Spanish Nadal is the winner of sixteen Grand Slam titles, including five consecutive French Open singles titles from 2010-2014, and is the only player ever to win a Grand Slam for ten straight years. Federer, from Switzerland, has spent over three hundred weeks of his career ranked as the number-one player in the world and has won twenty Grand Slam titles and two Olympic medals. But neither player's career would have been nearly as successful without the decade-long rivalry that pushed them to rise to the peak of tennis excellence. Nadal and Federer have met thirty-eight times over the course of their careers, and have shared the distinction of being ranked the two best players in the world for an astounding six years in a row from 2005-2009. In *Roger Federer and Rafael Nadal*, international sports journalist Sebastian Fest uses information gleaned from his numerous interviews with both players over the last decade to narrate the rivalry, and its impact not only on the players, but on the sport itself. Documenting their respective wins and losses, hopes and disappointments, and relationships with their rivals, Fest formulates a unique biography of two of the greatest players of tennis. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Learn about the inspirational story of Roger Federer In *Roger Federer: A Biography of the Tennis Legend* you will learn about the life, professional career, and accomplishments of Roger Federer. In this biography you will read about Roger Federer's incredible life story. Federer is arguably the greatest tennis player of all time, having won 17 Grand Slam titles, more than any other tennis player. He has been a force in the tennis world for the past ten years, and has had legendary matches against rivals, such as Nadal, Djokovic, and Murray. Federer began his tennis career in Switzerland, where he was very successful as a junior player. He rose through the ranks, and gained international recognition after winning his first Wimbledon title in 2003. Since then, he has won with grace on the world stage. In addition to tennis, Federer has been part of many large marketing campaigns and philanthropy events. Read this biography to gain insight on the career, rivalries, and personal life of this tennis great. Here is a preview of this biography: *An Introduction to the Legacy of Roger Federer Discovering a First Love in Tennis Early Career and Establishment as a Title Contender International Super-Stardom, Rivalries, and the Ascent of a Tennis Icon At Home: The Personal Life of Roger Federer Making a Tremendous Impact: Roger's Emotional Connection with Philanthropy Federer's Tennis Legacy* Here is an excerpt from the book: Roger Federer, the Swiss-born tennis legend, has become one of the most well-rounded and professionally accomplished humans in the history of sport. As a whole, the sporting world watches closely as talented athletes vie for victory on a public platform

and engage in competitive battle for all to admire. Federer embodied the spirit of the "alpha-dog," just as fellow "alphas" like Tiger Woods and Michael Jordan similarly have. Not a single part of Federer's career is underwhelming or anti-climactic. From the tumultuous rivalries to utter domination of his sport, Federer lives up to the designation so many professional athletes chase but never quite achieve: Legend.

Roger Federer could live anywhere in the world, but he always returns to the place he loves most: Switzerland. Dave Seminara is a mad traveler and tennis lifer who has written about Federer for The New York Times and other publications. A pair of autoimmune diseases and a knee surgery kept Dave from playing tennis for years, but as he inched toward recovery, he had a bright idea: why not start his tennis comeback on hallowed ground—courts that his hero Roger Federer graced in Switzerland. *Footsteps of Federer* is a funny, novella-length account of Seminara's travels across seven Swiss cantons in search of insights into Federer's character, which is inextricably linked to his deep roots in, and love for, his country. Seminara timed his unique pilgrimage to the 2019 Swiss Indoors, where he had a chance to ask Roger a number of offbeat questions before and after Federer hoisted his record tenth title there. Seminara's Federer pilgrimage took him to Switzerland's most important abbey, where he prayed with Abbot Urban Federer; to the vineyard of Jakob Federer from Berneck, where the Federer clan originated from; to the stunning villa where Roger and Mirka were married; and to many of the neighborhoods and tennis clubs where Roger has lived and trained at over the years.

If you are a Roger Federer fan, then this book will help you to learn about his inspirational story behind his success. Find out about his amazing achievements throughout his entire football career.

The 41-year-old Roger Federer of Switzerland has announced his retirement from playing tennis, citing signs from his body. In recent years, Federer has had to contend with operations, injuries, and a growing field of youthful competitors. You may learn more about Roger Federer, the finest tennis player in the world, and his career by reading *Roger Federer's Retirement*. We were all aware that Roger Federer will ultimately have to give up playing competitive tennis owing to the effects of aging and regular bodily wear and tear. Before the iPhone was ever thought of and while Tony Blair was still the prime minister, this guy was already winning grand slam tournaments. He first won Wimbledon two months after Carlos Alcaraz was born. Sports-wise, Roger Federer has created history and will go down in history. The book contains all of Roger Federer's biographical facts, including when he first began dominating the sport of tennis, when he retired, and why. Tennis has never seen anything better than this. Why are you holding out? Grab a copy right now.

FEDERER is almost universally recognised as the greatest tennis player of all time; he might also be the greatest athlete. Adored around the world, Federer has become one of sport's most iconic and popular figures. In this innovative graphic biography, Federer's genius is explored and celebrated like never before, with beautiful infographics looking at his serving patterns, the speed of his shots, the spin he generates, his movement, as well as his performance in high-pressure situations such as tiebreaks and Grand Slam finals. Federer's astonishing records - no man has won more majors, or spent more weeks as the world number one - are also showcased against his rivals and the legends of the game. Drawing on his conversations with Federer, as well as exclusive interviews with those close to the Swiss, Mark Hodgkinson tells the story of how a young hothead from Basel transformed

himself into a calm and poised athlete who came to dominate tennis. And who, while deep in his thirties, has continued to seek improvements, to challenge men many years younger than him and to contend for the sport's biggest prizes. The infographics, stunning photography and insight and analysis - from Federer's rivals, idols, coaches and members of his inner circle - will give you a new appreciation of his greatness and how his tennis has moved so many people.

"First published in Great Britain in 2015 by Yellow Jersey Press"--Title page verso.

Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland; and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as, following a serious illness and a dip in form, his run of successive Wimbledon championship wins was ended and he was toppled from the number

one spot by his long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.

Looks at the life and accomplishments of the Swiss tennis player who became the first man to win five straight titles at two different Grand Slam events.
