## SJLE0B - BLACKBURN MENDEZ

---

The regulated financial services activities are set out and explained in Part 2 of the Financial Services and Markets Act 2000 (FSMA). These include dealing in, arranging, advising on, assisting in the administration of, and making arrangements with a view to:

Act No. 19 of 2012 Financial Markets Act, 2012 ACT To provide for the regulation of financial markets; to license and regulate exchanges, central securities depositories, clear-

ing houses and trade repositories; to regulate and control securities trading, clearing and settlement, and the custody

More than simply a successor to the Financial Services Act of 1986, The Financial Services and Markets Act 2000 (FSMA) is an extremely significant legislative development, and the UK's unified approach to the regulation of financial services introduced under the FSMA has set a trend which is being followed around the world.
