#### What is the summary on game by Walter Dean Myers - Answers

The author's knowledge of basketball shows in the expertly realized game sequences. There's plenty of basketball here, but, as in any good sports novel, more is going on than the sport; life is the game, and this is a sensitive portrait of a likable young man, his family, city and dreams. A good match with Myers's *Monster* (1999) and *Slam* (1996).

As in theme number two, Drew's coach yelled at him to sit down. His attitude toward everything was bad and he thought he was the best. Its good to think that way but then you don't listen to other people and what they have to say. That can be a problem in the game of basketball because you have to work together.
