Ghoms are generally thought to reside in the Wasteland. While technically correct, this is also technically incorrect: They live in an unknown underground space, possibly hibernating underground, and emerge through cracks in the ground or patches of black mud when they detect motion on the surface.

Ghom is a new character to Diablo, and his title is the Lord of

Gluttony.. He is a servant of Azmodan, and is encountered about a third of the way through Act III in the Larder. Defeating him completes the last quest in Bastion's Keep, and frees a character up to leave the keep and battle on the frozen surface areas.
