While most discussions about the Libyan crisis revolve around geopolitics and international interference, internal divisions within Libya's civil society and political institutions have also played a fundamental role in destabilizing the country since the fall of Moamar Gaddafi in 2012. Governance in Libya is fragmented with very few truly national actors.

A Fragmented Society: the Internal Dynamics of Libya's ...

The growing involvement of non-state actors in environmental governance is generally welcomed for two reasons: civil society presumably helps governments reach more effective and democratic agreements by providing information and legitimacy. Yet, there are reasons to doubt civil society's capacity to fulfill these two functions.
