IERNUB - BRIDGET CARDENAS

The iPhone 7 user manual has been specifically designed to help you understand the functions and features of your iPhone 7 and iPhone 7 plus. This document contains instructions and explanations on everything from setting up the device for the first time for users who still didn't understand the basic function of the phone.

On your phone, navigate to Settings, then swipe to and tap Tips and Help, and then tap Help . The user manual will open via your internet browser. Tap the different options (i.e. Special Features) to learn more, or use the search bar to find something specific.
