Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The seventh book in an action-packed, time-travelling series - perfect for fans of Beast Quest.

The fascinating story of how the fossils of dinosaurs, mammoths, and other extinct animals influenced some of the most spectacular creatures of classical mythology Griffins, Centaurs, Cyclopes, and Giants—these fabulous creatures of classical mythology continue to live in the modern imagination through the vivid accounts that have come down to us from the ancient Greeks and Romans. But what if these beings were more than

merely fictions? What if monstrous creatures once roamed the earth in the very places where their legends first arose? This is the arresting and original thesis that Adrienne Mayor explores in *The First Fossil Hunters*. Through careful research and meticulous documentation, she convincingly shows that many of the giants and monsters of myth did have a basis in fact—in the enormous bones of long-extinct species that were once abundant in the lands of the Greeks and Romans. As Mayor shows, the Greeks and Romans were well aware that a different breed of creatures once inhabited their lands. They frequently encountered the fossilized bones of these primeval beings, and they developed sophisticated concepts to explain the fossil evidence, concepts that were expressed in mythological stories. The legend of the gold-guarding griffin, for example, sprang from tales first told by Scythian gold-miners, who, passing through the Gobi Desert at the foot of the Altai Mountains, encountered the skeletons of Protoceratops and other dinosaurs that littered the ground. Like their modern counterparts, the ancient fossil hunters collected and measured im-

pressive petrified remains and displayed them in temples and museums; they attempted to reconstruct the appearance of these prehistoric creatures and to explain their extinction. Long thought to be fantasy, the remarkably detailed and perceptive Greek and Roman accounts of giant bone finds were actually based on solid paleontological facts. By reading these neglected narratives for the first time in the light of modern scientific discoveries, Adrienne Mayor illuminates a lost world of ancient paleontology.

As an African American, have you hungered for information about your Ancestral home? Or hungered for stories with historical significance that show your ancestors as anything but slaves? In your youth, or even now as a parent, have you searched for fiction that displays women and girls of African heritage as Strong, Powerful, Complex, Beautiful beings, but found only one-dimensional caricatures?"I AM A DAHOMEY WARRIOR" follows the gripping journey of a young girl coming of age prior to the colonization of Africa. This narrative poem follows our heroine from the early days of her childhood through the heart-stopping events that mold her into the warrior she is today. Although fictional, this story is based on a real tribe of female African Warriors. The Dahomey Warriors, through their incredible power and prowess, were often compared to the mythical Greek Amazons by European scouts. These comparisons continue to this day. Come, step into the mind of a warrior and be lead through her adventures by the use of poetry as a means of powerful storytelling. The Huntress pulled me closer, hugging me tightly. She looked down at me with dark piercing eyes and said, "None of this is your fault." "Today you are only a child, and

you did what you were able to do, Survive!"

The black hunter travels through the mountains and forests of Greek mythology. Taking its title from this mythological figure, this book approaches the Greek world by charting the elaborate system of contradictions which pervaded Greek society and culture - wild yet cultivated, real yet imaginary.

Feeling alone and betrayed by Bianca and Gabriel, Poe finds a humbled and apologetic Z, who tells him that all the Mice have been taken by the Scarf Man.

Today, girls and women seeking a strong role model can find one in an icon more than two thousand years old. She is the Greek goddess Pallas Athena. Born fully formed from the head of Zeus, Athena defied gender roles of the time by being the goddess of strategic war, intelligence, and household crafts. Today, she is a symbol of enduring persistence, determination, and resourcefulness. Through easily accessible text, vibrant images, and fun sidebars and fact boxes, this book introduces readers to the legends surrounding this powerful goddess and shows her continued relevance in the twenty-first century. Young readers will also gain an understanding of women's roles in ancient Greek society, see how Athena paved the way for greater equality, and explore how pop culture elevates her today.

"Stories of Old Greece and Rome" by Emilie K. Baker. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost

readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Dear Reader, Life is great for me. I have my chicory coffee, my warm beignets, and my best friend on the cell phone. Once the sun goes down, I am the baddest thing prowling the night: I command the elements, and I know no fear. For centuries, I've protected the innocent and watched over the mankind, making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress, who wants nothing more from me than one night. Instead, I get a runaway Mardi Gras float that tries to turn me into road-kill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant, Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight, no ties, no long-term commitments. But every time I look at her, I start yearning for dreams that I buried centuries ago. With her unconventional ways and ability to baffle me, Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness-not so long as my enemy waits in the night to destroy us both. --- Talon of the Morigantes

Final issue! When he tracks the Scarf Man to his secret lair, and with Bianca, R, and Z's lives at stake, Poe comes face-to-face with the man who's been kidnapping the Mice from the Maze.

"This book is a significant revision of my 2006 doctoral dissertation, 'Bold with the bow and arrow: Amazons and the ethnic gendering of martial prowess in ancient Greek and Asian cultures' ..."--Preface.

When the goddess Artemis goes missing,

she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The third book in a new time-travelling series - perfect for fans of Beast Quest.

NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would

be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk.

This collection contains more than 30 enthralling new retellings of favorite myths as well as some you might not have heard before! Including Theseus and the Minotaur, The Twelve Labors of Heracles, and the escapades of Jason and the Argonauts, each myth is told in engaging modern language, which is easy for children to understand yet still retains the humor and intrigue of the original tales. Stunning illustrations by multi-award winning artist Katie Ponder breathe new life into each classic story. Additional feature pages delve deeper into the mythical world, providing profiles of the gods. The reference section provides key background information, such as Ancient Greek storytelling and the incredible beasts of the myths, and a pronunciation guide. *Greek Myths* is the perfect gift, featuring foil on the cover and beautiful illustrations throughout. Children will love exploring the tales by themselves or as bedtime stories. It will be treasured forever.

Through an exploration of various representations of the hunt, Barringer provides extraordinary insight into Athenian

society.

A special hardcover release of the seventh book in the blockbuster Dark-Hunter series.

Prince of the Underworld and Lord of Fire, Ares was banished from his home by his father, Hades, two centuries ago and given a new duty and purpose—to keep our world and his from colliding in a calamity foreseen by the Moirai. Together with his six brothers, he fights to defend the gates to the Underworld from daemons bent on breaching them and gaining entrance to that forbidden land, striving to protect his home from their dark influence. Caged by the manifestation of his power, held apart from those he loves by his own fire and starved of physical contact, Ares lives a cold existence driven by duty and the desire to return to his world. Until his world collides with a daemon who steals his power and a mortal female who shatters the ice around his heart and awakens the true fire within him—a soul-stirring passion both dangerous and seductive. Megan has wandered far from her home, driven from everyone she loves by the devastating realisation that she is different to them all. Unsure who to trust in the world, she keeps to herself, until a fateful stormy night brings a temptingly handsome warrior crashing into her life and into her heart—a warrior who seems to hold powers more frightening and marvellous than her own. When the New York gate comes under threat, and Ares is put to the test, will he choose his duty and regain the power he needs in order to save his world or will he choose the desires of his heart and sacrifice his fire so he can be with the woman becoming his whole world? Ares is the first novel in the Guardians of Hades Romance series. This paranormal romance features a Greek god of fire who just lost his power,

a mortal heroine who is more than meets the eye, and a cast of sizzling Greek god brothers determined to protect the Underworld and their father Hades, plus lots of action and adventure--and steamy scenes! Traces the research scientist co-author's explorations in Greece and the Gobi Desert for the origins of the mythical griffin, relating the story of the ancient Scythians and the griffins that were said to have guarded their treasure.

Determined to solve an ancient mystery, a woman undertakes a forbidden quest that pits her against the Dark-Hunter leader and proud god Acheron, with whom she joins forces when ancient guardians and old enemies threaten

both of them. Reprint.

Full of action, romance, betrayal, passion, violence, and tragedy, the timeless ancient Greek and Roman myths make great reading. With a cast of unique characters and unbelievable story lines, classical mythology explains phenomena such as creation, weather, nature, and the universe with unparalleled drama. The Everything Classical Mythology Book is an entertaining and educational guide that explains all the great myths and explores how they have influenced language, art, music, psychology, and even today's popular culture. The book tells the fascinating stories of the gods' rise to power on Mount Olympus and of their frequent clashes with larger-than-life heroes. Rounded out with a helpful glossary, an index of characters, and many reading resources, this action-packed new addition to the Everything series brings classical mythology to life!

From the #1 New York Times best-selling author of *The Darkest Minds* comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption. Every seven years, the Agon begins. As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance

against their mutual enemy and a way to leave the Agon behind forever. But Lore's decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to bring humanity to its knees.

The Dark-Hunters are ancient warriors who have sworn to protect mankind and the fate of the world is in their hands. . . He is solitude. He is darkness. He is the ruler of the night. Yet Kyrian of Thrace has just woken up handcuffed to his worst nightmare: An accountant. Worse, she's being hunted by one of the most lethal vampires out there. And if Amanda Devereaux goes down, then he does too. But it's not just their lives that are hanging in the balance. Kyrian and Amanda are all that stands between humanity and oblivion. Let's hope they win.

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The fifth book in a new time-travelling series - perfect for fans of *Beast Quest*.

A retelling of all the great tales of Greek mythology in language that is simple, swift and highly dramatic.

'Golden-shielded, silver-sworded, man-

loving, male-child slaughtering Amazons,' is how the fifth-century Greek historian Hellanicus described the Amazons, and they have fascinated humanity ever since. Did they really exist? For centuries, scholars consigned them to the world of myth, but Lyn Webster Wilde journeyed into the homeland of the Amazons and uncovered astonishing evidence of their historic reality. North of the Black Sea she found archaeological excavations of graves of Iron Age women buried with arrows, swords and armour. In the hidden world of the Hittites, near the Amazons' ancient capital of Thermiscyra in Anatolia, she unearthed traces of powerful priestesses, women-only religious cults, and an armed, bisexual goddess - all possible sources for the ferocious women. Combining scholarly penetration with a sense of adventure, Webster Wilde has produced a coherent and absorbing book that challenges preconceived notions, still disturbingly widespread, of what men and women can do. Traces the story of how ancient cultures envisioned artificial life, automata, self-moving devices and human enhancements, sharing insights into how the mythologies of the past related to and shaped ancient machine innovations.

The Huntresses of Artemis must obey two rules: never disobey the goddess, and never fall in love. But when Kahina encounters the legendary warrior Atalanta on a routine mission, a dangerous line is crossed and both girls learn that their actions have consequences and rules were made to be broken.

Join Tom on an incredible treasure hunt through time and battle history's mightiest warriors. The second book in a new time-travelling series - perfect for fans of *Beast Quest*.

The real history of the Amazons in war

and love Amazons—fierce warrior women dwelling on the fringes of the known world—were the mythic archenemies of the ancient Greeks. Heracles and Achilles displayed their valor in duels with Amazon queens, and the Athenians reveled in their victory over a powerful Amazon army. In historical times, Cyrus of Persia, Alexander the Great, and the Roman general Pompey tangled with Amazons. But just who were these bold barbarian archers on horseback who gloried in fighting, hunting, and sexual freedom? Were Amazons real? In this deeply researched, wide-ranging, and lavishly illustrated book, National Book Award finalist Adrienne Mayor presents the Amazons as they have never been seen before. This is the first comprehensive account of warrior women in myth and history across the ancient world, from the Mediterranean Sea to the Great Wall of China. Mayor tells how amazing new archaeological discoveries of battle-scarred female skeletons buried with their weapons prove that women warriors were not merely figments of the Greek imagination. Combining classical myth and art, nomad traditions, and scientific archaeology, she reveals intimate, surprising details and original insights about the lives and legends of the women known as Amazons. Provocatively arguing that a timeless search for a balance between the sexes explains the allure of the Amazons, Mayor reminds us that there were as many Amazon love stories as there were war stories. The Greeks were not the only people enchanted by Amazons—Mayor shows that warlike women of nomadic cultures inspired exciting tales in ancient Egypt, Persia, India, Central Asia, and China. Driven by a detective's curiosity, Mayor unearths long-buried evidence and sifts fact from fiction to show how flesh-and-blood women

of the Eurasian steppes were mythologized as Amazons, the equals of men. The result is likely to become a classic.

In Harry Turtledove's *The Gladiator*, the Soviet Union won the Cold War. The Russians were a little smarter than they were in our own world, and the United States was a little dumber and a lot less resolute. Now, more than a century later, the world's gone Communist, and capitalism is a bad word. For Gianfranco and his friend Annarita, a couple of teenagers growing up in Milan, life in a heavily regimented, surveillance-rich command economy is just plain dreary. The eventual withering-away of the state doesn't look like it's going to happen anytime soon. Annarita's a hard-working student and a member of the Young Socialists' League. Gianfranco is a lot less motivated--but on the other hand, his father's a Party apparatchik. The biggest excitement in their lives is a wargame shop called *The Gladiator*, which runs tournaments, and stocks marvelous complex

games you can't find anywhere else. Then, abruptly, the shop is shut down. Someone's figured out that *The Gladiator's* games are teaching counterrevolutionary capitalist principles. The Security Police are searching high and low for the shop's proprietors, who've not only vanished into thin air, but have left behind sets of fingerprints that aren't in the records of any government on earth. Only one staffer is left: Gianfranco and Annarita's friend Eduardo. He's on the run, and he comes to them in secret with an astonishing story: he's a time trader from our own timeline, accidentally left behind when the store was evacuated. The only way Eduardo can get home to his own timeline is if Gianfranco and Annarita can help him reach one of the other time trader sites in this world--and the Security Police will be on their tails all the way there. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
