"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

When angels fall, Hell will rise. Lucifer isn't Hell's only devil. When a powerful angel purposely abandons Heaven, their descent creates a new level of torment in Hell's Kingdom. If only it didn't take me nearly dying by the hands of my ex-fiancé to discover this. I could've begged for a miracle or at least mercy. Now, the best I can hope for is a crappy deal with Hell's most notorious ruler and some twisted help from my new devil soul keepers. Lucifer, Kase, and Dante need me to force the rest of their traitorous brethren to fall from grace and take their rightful places to bring Hell's Kingdom to its intended glory. I'm the only one who can complete the task-whether or not I want to-because of my angel-kissed soul. I unknowingly made an angel fall in another life and am the perfect angel bait. Corrupting some angels sounds easy...right? Unfortunately, the divine brethren aren't the sweet, innocent angels I've heard about. These guys are fierce and won't think twice before smiting me. To survive the power struggle between the angels and devils and save my soul, I need to embrace my wicked side or summon a miracle. If I can't, my eternity is over. The rulers of Hell and the saviors of Heaven will rip me apart. My soul will burn. This is a dark and addictive romance with possible triggering situations, gore, violence, and M/M. If you like psycho, protective men, fast-burn goodness, and a woman who doesn't shy away from embracing her devilish side, Her Personal Demons is a must-read. Enter Hell's Kingdom and meet the devils today!

Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ FAKE is book 3 of 4 in the MADISON KATE series. The blurb below will contain spoilers for previous books, and I urge you not to read it until you've finished both HATE and LIAR. ♦♦♦ "You'll always be mine." The latest taunt from my stalker reminded me I was nothing more than a possession to my father, to the Reapers, to Archer D'Ath. Even to Kody and Steele. Princess Danvers-the prize. His wife. Archer D'Ath's wife. I hated them. They lied to me. Over and over again. I knew they lied and I hated myself for letting it happen. For believing in the fake relationships I had wanted so desperately to be real. Fake. It was all fucking fake. My stalker isn't letting me go. None of them are. Archer and his boys think they control me. My stalker wants to possess me. I'm not an idiot, I know my newest allies are using me, too. That's fine. I'll use all of them. I'll use them to take back what's mine. My life. My freedom. My name. No one owns Madison Kate Danvers.

I didn't fall into a place of wonder and madness. I was taken. This world is a perfect, enchanting wonderland. The people here are just as alluring. But we all have our secrets. Like the white rabbit who's leading a rebellion right under the King's nose. Or the sweet March Hare who's actually an enemy spy. Or my one true ally in all of this, a killer who's so feared they won't even say his real name. As for me, I have more secrets than all of them combined. Because Wonderland is waiting for the beloved Alice Liddell. And I'm just the bitch pretending to be her. This is a reverse harem series, recommended for readers 18 and over.

Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . I've always felt different than everyone around me. And it feels like they know it too, because they treat me like an outcast. When all I really want is to be cared for by someone. To be loved for who I am. Not hated by my parents like I am now, or bullied by girls who know nothing about me, but treated like I too am important and worthy of affection. It seems like that day has finally arrived when four new guys show up at school and turn my life on its head. I know I shouldn't let my loneliness be the reason I let them into my life, but I can't seem to help myself. There is just something about them that draws me in, that makes me long to be near them. But when my eighteenth birthday arrives, everything I thought I knew about them, and myself, changes. I have to adapt to all sorts of new challenges, like controlling powers I never knew I had. Let's just hope I don't destroy the world by accident. \*\*\*Warning: this book, while based in high school, is not YA. Three sexy-but-psycho monsters. The witch they're determined to protect. And a high-stakes heist about to go very wrong... I've made some pretty questionable choices in my life—dabbling in necromancy, double-crossing vampires—but summoning the dark goddess to save my sisters? That was just plain stupid. Now I'm in her debt, and goddesses don't exactly do payment plans. She wants the blood of the dark fae warlord of Midnight, a realm of exiles where the sun never rises and torture is a competitive sport. It's a death trap only three men have ever escaped—my newly appointed escorts. Jax, a terrifying demon whose icy touch leaves me trembling in more ways than one. Hudson, a hulking, fiercely protective gargoyle shifter hiding a past so painful he doesn't speak. And Elian, a cocky fae prick with eyes like molten silver and a heart full of vengeance—a heart that once belonged to me. I'll do anything to settle my debts and get back home to my sisters, even if it means teaming up with my infuriating ex and the other sinfully hot psychos for the most dangerous blood heist in history. But when it comes to the cruel fae warlord, not even my monsters can protect me... Especially when we discover why the dark goddess really sent us to Midnight. **BLOOD AND MIDNIGHT** is the first book in The Witch's Monsters series, a dark fantasy reverse harem romance featuring a kickass witch and the sinfully hot monsters who've vowed to protect her. Perfect for fans of sizzling enemies to lovers romance, villain romance, and dark fantasy romance.

Or, at least, they will when a girl goes missing. Now it's up to Jane and her angels to crack the case, bring the girl home, and save the day. ...and this time, she might find that helping gets her what she's really wanted all along.

One woman. Four weeks. Five men. Just one chance. After years of putting love on the back burner and struggling to break into Hollywood as an actress, I couldn't help myself. I jumped on an opportunity to do both--by accepting the chance to be the pursued woman in a reality television show called Matchmaker. Choosing among five men hand-picked specifically for me should be easy, but by the time I've discovered that not all of the men are ideal, it's way too late. There's no getting out of this contract. And when I attempt to salvage the situation, I'm met with the harsh reality that I don't really have a choice after all...

What would you do for a well paying job and a dental plan? I know what I'd do. A whole helluva lot. And that's exactly what I got. Hell. Baby sitting a cemetery was supposed to be an easy job. Stay up all night. Keep an eye out for kids partying. Maybe get some school work in. What I wasn't supposed to do was deal with three ghosts that wanted nothing more than to drive me insane. Did I mention they're three guys who are as hot as the hell I'm in? I have one thing to say to my ghostly friends. Bring it on.
