If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation, creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in Recycling Christmas Cards so charming. Those lavish graphics on greeting cards were created by professional designers and make fabulous crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life you can give them. Folks love to browse craft fairs and the likes for those inexpensive "little something" gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft tem-

plates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

Offers step-by-step instructions for over twenty paper decoration and gift projects for first- to third-graders to make

Model Rules of Professional Conduct American Bar Association The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.Weird and Wacky Holiday Marketing GuideGinger MarksRabbits and RaindropsNational Geographic BooksIt's the first day outside the nest for Mother rabbit's five babies, and all sorts of new creatures and adventures await them. But when a sudden rain shower sends the rabbits scurrying for shelter under the hedge, the other wild animals come to visit them! Jim Arnosky's graceful watercolors and simple text are sure to delight children experiencing nature's wonders for the first time.Getting Children WritingSAGE'This is a fantastic book which provides creative and practical suggestions of how to engage all children in writing' - Sarah Martin-Denham, Senior Lecturer in Primary Education, University of Sunderland This book is a practical guide designed to stimulate story writing in the early years and primary classroom. It offers a collection of novel and effective Ideas which can be used by educators to energise, excite and motivate children to willingly write stories across the 3-11 age phase. Each chapter offers creative and innovative Ideas to get children writing stories, including: - how to help children 'see the point' of story writing - how speaking and listening, reading and phonics can be utilised to enhance written stories - how technology can facilitate refreshing story writing - how story writing can be physically interactive. By combining theory with practice, this book is ideal for those training to teach the 3 to 11 age range, those beginning their teaching career, and those who are established in their professional role. This stuff is to die for, seriously! This recipe book has sixty 2-page spreads with the recipe template and a lined page for notes. It also includes a Table of Contents and Measurements & Substitutions page. This recipe journal makes a thoughtful and useful gift. The Russian Tea Mix is great as a gift. Simply mix up this goodness and package the mix in jars, bags, or mugs, and make all your loved ones, friends, and co-workers deliriously happy this Christmas! Why is the word our in quotations marks, you ask? Well, there is an incredible and absolutely true story behind how this recipe came to be. You see, my mother-in-law makes the best Russian tea mix EVER. She makes it and gives it as gifts. So, naturally I asked her for the recipe. Well, let's just say that she didn't want to give it to me because what she actually gave me was definitely NOT it. We tried to play around with it, but whatever "recipe" she gave me was so far from the real recipe, we just gave up and would just hound her to send us more when we ran out. Well, lo and behold, just a few years ago, we were visiting her just before Christmas, and she was making a batch. I didn't even bother asking her for the recipe again. Well, I was in the kitchen, and as I turned around towards the table, I just absently glanced down and saw THE RECIPE!!! I ran to the hubs in the living room and told him THE RECIPE was lying on the table. He told me to copy it quick before she came back in there! Of course, I tried to do just that. When I heard her approaching, I had to stop writing it down, but I copied most of it! The reason her recipe is hard to duplicate without the exact measurements is because of some measurements like 2 tablespoons + 3/4 teaspoons and other weird combinations. Well, of course, at the first opportunity I set out to make THE RECIPE. Since I didn't have the complete recipe, we were going to have to do some testing, which ended up being a lot of testing! My mother-in-law makes huge batches of the stuff, so we had to cut the recipe to a batch size for our family. Remember the crazy measurement combinations? Well, couple that with the fact I didn't get a chance to write down two of the ingredient measurements, just the name, so we had a lot of testing that occurred. FINALLY, we got a version that tastes almost exactly like hers! FEATURES AND USES OF THIS BLANK RECIPE JOURNAL 6x9 Perfect size for your kitchen counter, cabinet, or bookcase. From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

'This is a fantastic book which provides creative and practical suggestions of how to engage all children in writing' - Sarah Martin-Denham, Senior Lecturer in Primary Education, University of Sunderland This book is a practical guide designed to stimulate story writing in the early years and primary classroom. It offers a collection of novel and effective Ideas which can be used by educators to energise, excite and motivate children to willingly write stories across the 3-11 age phase. Each chapter offers creative and innovative Ideas to get children writing stories, including: - how to help children 'see the point' of story writing - how speaking and listening, reading and phonics can be utilised to enhance written stories - how technology can facilitate refreshing story writing - how story writing can be physically interactive. By combining theory with practice, this book is ideal for those training to teach the 3 to 11 age range, those beginning their teaching career, and those who are established in their professional role. Simon Brownhill is Senior Teaching Associate at the University of Cambridge.
