Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.

Ever been to play a round of golf and found you're having a bit of an 'off' day? Perhaps the ball seems to be flying everywhere except towards the green; or maybe you get stuck in a bunker or a tricky water feature and find it impossible to chip your way out. Such situations can be more than a little frustrating. So, do you ever wonder what the experts would do? Sid Norton's book, writ-

ten with the keen amateur player in mind, aims to demystify all the professional advice out there which is sometimes conflicting and often confusing for the novice. Dealing with such things as the correct placing of the feet, stance and weight distribution and the position of the arms in a swing, this accessible and down-to-earth book is the ideal first guide to the game. It also tackles head-on some of the more obscure and less well-documented problems which might be cause for concern. Throughout, however, Norton maintains that improvement of your game is only a means to an end - the ultimate aim is not to pot the ball but to enjoy doing it!

Appropriate for all basic-to-intermediate level courses in Visual Basic 2008 programming. Created by world-renowned programming instructors Paul and Harvey Deitel, Visual Basic 2008 How to Program, Fourth Edition introduces all facets of the Visual Basic 2008 language hands-on, through hundreds of working programs. This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual Basic 2008 and .NET 3.5; all discussions and sample code have been carefully audited against the newest Visual Basic language specification. The many new platform features covered in depth in this edition include: LINQ data queries, Windows Presentation Foundation (WPF), ASP.NET Ajax and the Microsoft Ajax Library, Silver-

light-based rich Internet application development, and creating Web services with Windows Communication Foundation (WCF). New language features introduced in this edition: object anonymous types, object initializers, implicitly typed local variables and arrays, delegates, lambda expressions, and extension methods. Students begin by getting comfortable with the free Visual Basic Express 2008 IDE and basic VB syntax included on the CD. Next, they build their skills one step at a time, mastering control structures, classes, objects, methods, variables, arrays, and the core techniques of object-oriented programming. With this strong foundation in place, the Deitels introduce more sophisticated techniques, including inheritance, polymorphism, exception handling, strings, GUI's, data structures, generics, and collections. Throughout, the authors show developers how to make the most of Microsoft's Visual Studio tools. A series of appendices provide essential programming reference material on topics ranging from number systems to the Visual Studio Debugger, UML 2 to Unicode and ASCII.

To save my father's life, I have to marry a man I hate. He is arrogant, self-absorbed and hateful. He only wants me as a trophy. He only sees me as a prize. But I can't say no. I look down at the diamond on my left hand and walk down the aisle. That's when I see him. He's the man who showed me that love can petrify you to your core. What happens when I have to make a choice? What happens when the right thing to do is all wrong? What readers are saying about Charlotte Byrd's Books: "This book/series is addictive! Super hot and steamy, intense with twists and turns in the plot that you just won't see coming..." ★★★★★ "One-sitting read!" ★★★★★ "How on earth did I survive that? My mind is

blown, my hearts beating out of my chest and I'm on this cliff, shaking like a leaf in a windstorm waiting to do that all over again with the conclusion to one of the best reasons to get out of work and get lost for a while." ★★★★★ "This series is just so intense and delicious. The stunning twists, raw emotions and nerve wracking tension just keep increasing as each book in this enticing series unfolds. I am so invested in Nicholas and Olivia. These characters really worm their way into your heart, while also totally consuming your mind. The gripping story quickly captivates and pulls you back into this couple's world." ★★★★★ *Beware of spoilers in the reviews below that are without spoiler alerts.*

Originally published in hardcover in 2019 by Alfred A. Knopf. International Bestselling Author Ava Miles' new family series, The Merriams, is back with a good guy trying to get his bad boy on, a good girl starting a risky perfume venture, and everyone's favorite matchmakers. Beau Masters wants to be a bad boy. All his life, he's been careful to be the good guy country singer, the boy-next-door, who opens doors for ladies and says "aw, shucks, ma'am." But a decades-old secret blows the hinges off the door to his life. Everything he thought he knew has scattered to the wind, leaving him questioning who he really is. So when Caitlyn Merriam asks him to be the celebrity spokesperson for the new perfume she's creating in far-off Provence, he swaps out his white cowboy hat for a black one and packs his bags to get away from the past. Caitlyn didn't expect the gorgeous rockstar to join her in her quaint farmhouse in the French countryside. She figures it will only worsen her crush on him. But as Beau tries to get his bad boy on (rather unsuccessfully, in her opinion), she knows some-

thing is wrong and calls in back-up. Uncle Arthur and Aunt Clara might be bent on matchmaking these days, but they know how to straighten someone out, and Caitlyn needs all the help she can get to keep her spokesperson on track. But soon it's not just about business, and they're holding hands and walking the lavender fields together. Until Beau's secret threatens to bring down her new venture and the love blossoming between them. ----- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryl Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Tricia O'Malley, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousens, Portia MacIntosh. In this volume, a distinguished set of international scholars examine the nature of collaboration between life partners in the sciences, with particular attention to the ways in which personal and professional dynamics can foster or inhibit scientific practice. Breaking from traditional gender analyses which focus on divi-

sions of labor and the assignment of credit, the studies scrutinize collaboration as a variable process between partners living in the nineteenth and twentieth centuries who were married and divorced, heterosexual and homosexual, aristocratic and working-class and politically right and left. The contributors analyze cases shaped by their particular geographical locations, ranging from retreat settings like the English countryside and Woods Hole, Massachusetts, to university laboratories and urban centers in Berlin, Stockholm, Geneva and London. The volume demonstrates how the terms and meanings of collaboration, variably shaped by disciplinary imperatives, cultural mores, and the agency of the collaborators themselves, illuminate critical intellectual and institutional developments in the modern sciences.

Irishness and Womanhood in Nineteenth-century British Writing
Ashgate Publishing, Ltd.

Abandoned by a rogue Betrothed to an earl she had never met, Charlotte Haversham arrived at Balfurin, hoping to find love at the legendary Scottish castle. Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose—until . . . Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous

intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.

Using Lady Morgan's *The Wild Irish Girl* as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps the genealogy of this development in fiction, political discourse, and the popular press, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s.

In New York Times bestseller Allison Brennan's *Cold as Ice*, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy's life hell. The plot begins with Lucy's husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean's innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean's brother Kane is missing in Mexico,

her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn't have the resources or patience to execute such a devious plan. Did Elise's father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn't find the answers fast, Sean will die.

Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its

path again—only this time it's her daughter's life that hangs in the balance. "Riley Edwards is the queen of suspense! She knows just how to grab a reader and not let go! I recommend every single one of her books!" ~Susan Stoker, NYT Bestselling Author

I've been through hell to get to this place. To wear the perfect white dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and failed. Or maybe I'm still trapped in hell because the devil is here too. He lurks at my side, plotting terrible ways to make me his. It's win at all costs in this family, and I know now just how far the Hales will go to get what they

want. But you can't survive in a house full of lies without learning the art of deception, and once I become a Hale, I'll show them exactly what I've mastered. THE DECEPTION is the third and final book in the twisted Filthy Rich Americans trilogy. It should be read after THE INITIATION and THE OBSESSION.

A fugitive woman finds refuge in the arms of a Highland warrior in this historical Scottish romance by the New York Times-best-selling author. Scotland, 1479. When her dagger is found buried in the body of one of the king's men, there is little room for doubt—the perpetrator must pay with her life. But IIsabeth Murray Armstrong is no killer, and only one person can help clear her name: Sir Simon Innes, a man so steely and cool that no danger can rattle him . . . and no woman in distress can sway his heart. Until now. Simon has spent his life searching for truth in a world fraught with deception. But the hauntingly beautiful fugitive seeking his aid affects him so deeply, he wonders if he can trust the flawless judgment he has always relied on. For all signs point to IIsabeth's guilt, except one—the unparalleled desire he feels at her slightest touch.

I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

tract Algebra John Wiley & Sons Praise for the Third Edition ". . . an expository masterpiece of the highest didactic value that has gained additional attractiveness through the various improvements . . ."—Zentralblatt MATH The Fourth Edition of *Introduction to Abstract Algebra* continues to provide an accessible approach to the basic structures of abstract algebra: groups, rings, and fields. The book's unique presentation helps readers advance to abstract theory by presenting concrete examples of induction, number theory, integers modulo n , and permutations before the abstract structures are defined. Readers can immediately begin to perform computations using abstract concepts that are developed in greater detail later in the text. The Fourth Edition features important concepts as well as specialized topics, including: The treatment of nilpotent groups, including the Frattini and Fitting subgroups Symmetric polynomials The proof of the fundamental theorem of algebra using symmetric polynomials The proof of Wedderburn's theorem on finite division rings The proof of the Wedderburn-Artin theorem Throughout the book, worked examples and real-world problems illustrate concepts and their applications, facilitating a complete understanding for readers regardless of their background in mathematics. A wealth of computational and theoretical exercises, ranging from basic to complex, allows readers to test their comprehension of the material. In addition, detailed historical notes and biographies of mathematicians provide context for and illuminate the discussion of key topics. A solutions manual is also available for readers who would like access to partial solutions to the book's exercises. *Introduction to Abstract Algebra, Fourth Edition* is an excellent book for courses on the topic at the upper-undergraduate and beginning-graduate levels. When God Goes to Starbucks A Guide to Everyday Apologetics Baker Books More than ever, Christians are bombarded with tough faith questions from their pluralistic friends and neighbors. Many of these emerge as "anti-truth claims" and slogans we are all familiar with: • Why not just look out for yourself? • Do what you want--just as long as you don't hurt anyone • Miracles violate the laws of nature • Aren't people born gay? Paul Copan has been answering questions like these for many years. In When God Goes to Starbucks, he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks, shopping malls, youth groups, and schools. Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today.

Great book." - 5 STARS ***** ON A WILD AND WINDSWEPT ISLAND, THE SECRETS OF THE PAST UNRAVEL... When she hears the news of the death of her ex-husband, Binnie feels like her tranquil life in the West Country is over. To her sur-

prise, she discovers that he has left her the island in the beautiful archipelago off the coast of Cornwall and the dilapidated house where he spent his childhood, and Binnie has to take her family to the island - revisiting it for the first time in years - and work out what to do. As she becomes involved in the life of the island, and its inhabitants, she has to embark upon a whole new life and discovers many things about her husband - and her own past - that will change everything forever... Blood Memory Penguin Targeted for assassination after doing a story on an attempt by the Arapaho and Cheyenne tribes to file a claim on their ancestral lands, Denver reporter Catherine McLeod uncovers a conspiracy involving her ex-husband's wealthy family and state politicians. Protecting His Witch Entangled: Amara The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan? the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas? like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is STANDALONE: * Protect-

Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose—until . . . Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.Man in LovePaige Press, LLCScott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.Gran Libro de Los Mejores Cuentos: Volumen 1Tacet BooksEste libro contiene 70 cuentos de 10 autores clásicos, premiados y notables. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since

I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do. **Crimson Elite**. T.L. Smith **LIMITED TIME BOX SET RELEASE!** Welcome to **Crimson Elite**, the most exclusive sex club in the world. Enter at your own risk, and always remember our number one rule— You must never speak of **Crimson Elite**—the punishment is severe. **BOOK 1 (CAVALIER) Creed 'Too Hot for Words'** Christopher If God created the perfect man he would closely resemble Creed, on the outside that is. He's as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it's the most magical thing I've ever experienced. And I'm sucked in time and time again. Like a moth to the flame, I am ready to be set alight. **Elicea 'F*cks With My Head'** Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it's my work. Not one of them has managed to get their claws into me the way she does. It's as if she's seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But

that can't work, it won't work. Not in my world. **BOOK 2 (ANGUISHED)** It wasn't meant to be this way—she shouldn't have fallen for my brother and left me for him. But she did. And now I'm left to pick up the pieces of my shattered, broken heart. And to top it off, they want me to come to their wedding. Do they think I'm a pushover? Do they think of me as a joke? The old saying stands true, 'Why have enemies when you can have family.' I understand it now, better than I ever have in my life. There's one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She's exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them. **Where We Come from** Vintage Originally published in hardcover in 2019 by Alfred A. Knopf. **Developing Intelligent Agent Systems A Practical Guide** John Wiley & Sons Build your own intelligent agent system... Intelligent agent technology is a tool of modern computer science that can be used to engineer complex computer programmes that behave rationally in dynamic and changing environments. Applications range from small programmes that intelligently search the Web buying and selling goods via electronic commerce, to autonomous space probes. This powerful technology is not widely used, however, as developing intelligent agent software requires high levels of training and skill. The authors of this book have developed and tested a methodology and tools for developing intelligent agent systems. With this methodology (**Prometheus**) developers can start agent-oriented designs and implementations easily from scratch saving valuable time and resources. **Developing Intelligent Agent Systems** not only answers

the questions “what are agents?” and “why are they useful?” but also the crucial question: “how do I design and build intelligent agent systems?” The book covers everything a practitioner needs to know to begin to effectively use this technology - including an introduction to the notion of agents, a description of the concepts involved, and a software engineering methodology. Read on for: a practical step-by-step introduction to designing and building intelligent agent systems. a full life-cycle methodology for developing intelligent agent systems covering specification, analysis, design and implementation of agents. A Post-Apocalyptic Alien Invasion Adventure
Luke Mitchell
He just wanted his exosuit back. She was out to save her brother. What they got were bloodthirsty aliens. And maybe the end of the world. Prepare for 1,700+ pages of rip-roaring sci-fi shenanigans... "Extremely entertaining!" "This author KNOWS HOW TO WRITE AN ADVENTURE STORY!!" "Suspenseful, funny, and compelling." "Sci-fi, dystopia, vampires, Star Wars references, and style. It has it all." In a world devastated by alien invasion, Jarek and Rachel were never paragons of heroism. They sur-

vived, same as anyone else. They protected what was dear—Jarek with his exosuit and beloved AI companion, Rachel with her brother. They kept things simple... until the raknoth came and took it all away. Now, Jarek and Rachel will stop at nothing to protect what's theirs, even if it means swallowing their pride and working together to survive. Because it turns out the raknoth are only the beginning of the bad news for Mother Earth... What do a smart-mouthed sword-slinger and a surly arcanist have in common? Neither of them signed up for this crap. But together, they might just be strong enough to finish it. Assuming they don't kill each other first... Are you ready to suit up and save the world? Grab the COMPLETE 8-Story Collection today, and prepare for a high-octane sci-fi romp you won't forget! The Chateau
I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...-

like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free. Holden's Resurrection Riley Edwards Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had,

Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance. "Riley Edwards is the queen of suspense! She knows just how to grab a reader and not let go! I recommend every single one of her books!" ~Susan Stoker, NYT Bestselling Author What are readers saying about Gemini Group: "I absolutely love the guys in the Gemini group." For Better or For Worse? Collaborative Couples in the Sciences Springer Science & Business Media In this volume, a distinguished set of international scholars examine the nature of collaboration between life partners in the sciences, with particular attention to the ways in which personal and professional dynamics can foster or inhibit scientific practice. Breaking from traditional gender analyses which focus on divisions of labor and the assignment of credit, the studies

scrutinize collaboration as a variable process between partners living in the nineteenth and twentieth centuries who were married and divorced, heterosexual and homosexual, aristocratic and working-class and politically right and left. The contributors analyze cases shaped by their particular geographical locations, ranging from retreat settings like the English countryside and Woods Hole, Massachusetts, to university laboratories and urban centers in Berlin, Stockholm, Geneva and London. The volume demonstrates how the terms and meanings of collaboration, variably shaped by disciplinary imperatives, cultural mores, and the agency of the collaborators themselves, illuminate critical intellectual and institutional developments in the modern sciences. Cold as Ice Minotaur Books In New York Times bestseller Allison Brennan's Cold as Ice, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy's life hell. The plot begins with Lucy's husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean's innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean's brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn't have the resources or patience to execute such a devious plan. Did Elise's father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy

by hurting the people she loves? One thing is certain: if Lucy doesn't find the answers fast, Sean will die. Ancora non mi fido di te-Byrd Book Llc Una volta eri l'uomo che odiavo, ma ti ho perdonato per quello che hai fatto. Ora tocca a te perdonarmi. No, non ti ho tradito, nemmeno lontanamente. Ma ho commesso un errore enorme, di quelli che fanno sopravvivere poche relazioni. E adesso? Dove andremo? È stata la cosa più stupida che abbia mai fatto, e ha cambiato tutto. Troverai nel tuo cuore la forza per perdonarmi? O è la nostra fine? ** ANCORA NON MI FIDO DI TE è il secondo libro della COPPIA dei nemici - amanti dell'autrice best-seller Charlotte Byrd che ti farà girare la testa. Cosa dicono i lettori di Charlotte Byrd: "Questo libro / serie crea dipendenza! Estremamente scottante e infuocato, intenso con colpi di scena che proprio non ti aspetterai... "★★★★★ "Lo inizi e non lo posi più!" ★★★★★ "Come diavolo ho fatto a sopravvivere? La mia mente è sconvolta, il cuore mi esplose nel petto e sono sul baratro, tremando come una foglia in una tempesta, in attesa di rifare tutto da capo, con la conclusione che sia uno dei migliori motivi per uscire dal lavoro e perdersi per un po'." ★★★★★ "Questa serie è così intensa e deliziosa. I colpi di scena mozzafiato, le emozioni selvagge e la tensione snervante continuano ad aumentare man mano che si prosegue ogni libro di questa affascinante serie. Sono così coinvolto nella storia di Nicholas e Olivia. Questi personaggi si insinuano davvero nel tuo cuore, consumando totalmente anche la tua mente. La avvincente storia ti cattura rapidamente e ti immerge nel mondo di questa coppia. Cerca di essere preparato per il colpo di scena e per l'attesa per il sesto e ultimo libro di questa fantastica serie." ★★★★★ The Deception Nikki Sloanel've been through hell to get to this place. To wear the perfect white

dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and failed. Or maybe I'm still trapped in hell because the devil is here too. He lurks at my side, plotting terrible ways to make me his. It's win at all costs in this family, and I know now just how far the Hales will go to get what they want. But you can't survive in a house full of lies without learning the art of deception, and once I become a Hale, I'll show them exactly what I've mastered. THE DECEPTION is the third and final book in the twisted Filthy Rich Americans trilogy. It should be read after THE INITIATION and THE OBSESSION. International Bestselling Author Ava Miles' new family series, The Merriams, is back with a good guy trying to get his bad boy on, a good girl starting a risky perfume venture, and everyone's favorite matchmakers. Beau Masters wants to be a bad boy. All his life, he's been careful to be the good guy country singer, the boy-next-door, who opens doors for ladies and says "aw, shucks, ma'am." But a decades-old secret blows the hinges off the door to his life. Everything he thought he knew has scattered to the wind, leaving him questioning who he really is. So when Caitlyn Merriam asks him to be the celebrity spokesperson for the new perfume she's creating in far-off Provence, he swaps out his white cowboy hat for a black one and packs his bags to get away from the past. Caitlyn didn't expect the gorgeous rockstar to join her in her quaint farmhouse in the French countryside. She figures it will only worsen her crush on him. But as Beau tries to get his bad boy on (rather unsuccessfully, in her opinion), she knows something is wrong and calls in back-up. Uncle Arthur and Aunt Clara might be bent on matchmaking these days, but they know how to straighten someone out, and Caitlyn needs all the help she can get to keep her spokesperson on track. But soon it's not just about business, and they're holding hands and walking the lavender fields together. Until Beau's secret threatens to bring down her new venture and the love blossoming between them. ----- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryl Woods,

Badd Ass Jasinda Wilder! was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout

“MEDIC!” training just kicks in. It’s automatic, immediate. I don’t think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he’d been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn’t getting him, it’s keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn’t know what to do with him. It’s not in my nature, and if life has taught me anything, it’s to not trust anyone, least of all men like Zane. He’s a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it’s a conflict as old as humanity itself, but it’s brand new for me. * * * Life as Navy SEAL doesn’t exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn’t know I’d had until I saw her—explodes into my life like a frag grenade? I’m trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you’ve got it finally figured out, fate throws you a screwball and sends everything FUBAR. A Very Blizzard Christmas Kat Mizera She has a new baby with the love of her life and Christmas is almost here. It should be the best time of her life.... right? But when Danielle Petrov wel-

comes her new bundle of joy just in time for the holidays, everything isn’t as magical as it should have been. She’s trying to plan a surprise for their first Christmas as a family of four while dealing with a touch of postpartum depression and a six-year-old who wants nothing to do with his new sibling. Sergei is completely smitten with his wife, his son, and the new baby, but he knows something is bothering Dani. Between being on the road with the Blizzard and trying to spend time with the kids, he’s not there for her the way he wants to be. As the holiday barrels down on them, nothing is going according to plan. Sergei is determined to salvage what he can of a complicated holiday season. The Book of Carol Sue Kensington Books Award-winning author Lynne Hugo returns with a life-affirming, poignant novel in the spirit of *A Man Called Ove*—a story brimming with both wit and warmth about how a family gets on . . . and goes on. Carol Sue and her sister, Louisa, are best friends, but haven’t had much in common since Carol Sue married Charlie, moved to Atlanta, and swapped shoes covered with India-

na farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. But canning vegetables and feeding chickens are alien to CarolSue, and she resolves to return to Atlanta—until Louisa's son, Reverend Gary, arrives with an abandoned infant and a dubious story. He begs the women to look after the baby while he locates the mother—a young immigrant who fears deportation. Keeping his own secrets, Gary enlists the aid of the sheriff, Gus, in the search. But CarolSue's bond with the baby is undeniable, and she forms an unconventional secret plan of her own. How many mistakes can be redeemed? "Thus far," he wrote, "it continues to be an exotic." The situation today has changed: translations of the writings of Husserl, Heidegger, Marcel, Sartre, and Merleau-Ponty have appeared, and commentaries on these and related thinkers are not uncommon. Moreover, discussion of

phenomenological problems is increasingly becoming part of the American (if not the British) philosophical scene. Phenomenology is in danger of domestication! Signs of its accommodation include a willingness to pay tribute to Husserl's *Logical Investigations* by those who find relatively little to interest them in his later work, a location of what are taken to be common themes and underlying convergences of emphasis in Continental phenomenology and Anglo-American philosophy of the more nearly Wittgensteinian and Austinian varieties, and a growing impatience (shared by some phenomenologists) with expositions, explications, and interpretations of Husserl's work at the expense of original applications of phenomenology. Most bluntly put, the attitude is: Don't talk about it; do it! It would seem that we have arrived at a point where introductions to phenomenology are of doubtful value, if not superfluous. The present collection of essays is based on different assumptions and points to an alternative conception of the role of both methodology and originality in phenomenological work. Enjoy Playing Golf The Alternative Guide for the Enthusiastic Amateur Athena Press Pub Company Ever been to play a round of golf and found you're having a bit of an 'off' day? Perhaps the ball seems to be flying everywhere except towards the green; or maybe you get stuck in a bunker or a tricky water feature and find it impossible to chip your way out. Such situations can be more than a little frustrating. So, do you ever wonder what the experts would do? Sid Norton's book, written with the keen amateur player in mind, aims to demystify all the professional advice out there which is sometimes conflicting and often confusing for the novice. Dealing with such things as the correct placing of the feet, stance and weight distribution and the position of the arms in a swing, this ac-

cessible and down-to-earth book is the ideal first guide to the game. It also tackles head-on some of the more obscure and less well-documented problems which might be cause for concern. Throughout, however, Norton maintains that improvement of your game is only a means to an end - the ultimate aim is not to pot the ball but to enjoy doing it!

Dangerous Engagement Byrd Book Llc To save my father's life, I have to marry a man I hate. He is arrogant, self-absorbed and hateful. He only wants me as a trophy. He only sees me as a prize. But I can't say no. I look down at the diamond on my left hand and walk down the aisle. That's when I see him. He's the man who showed me that love can petrify you to your core. What happens when I have to make a choice? What happens when the right thing to do is all wrong? What readers are saying about Charlotte Byrd's Books: "This book/series is addictive! Super hot and steamy, intense with twists and turns in the plot that you just won't see coming..." ★★★★★ "One-sitting read!" ★★★★★ "How on earth did I survive that? My mind is blown, my hearts beating out of my chest and I'm on this cliff, shaking like a leaf in a windstorm waiting to do that all over again with the conclusion to one of the best reasons to get out of work and get lost for a while." ★★★★★ "This series

is just so intense and delicious. The stunning twists, raw emotions and nerve wracking tension just keep increasing as each book in this enticing series unfolds. I am so invested in Nicholas and Olivia. These characters really worm their way into your heart, while also totally consuming your mind. The gripping story quickly captivates and pulls you back into this couple's world." ★★★★★ *Beware of spoilers in the reviews below that are without spoiler alerts.*

He's as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it's the most magical thing I've ever experienced. And I'm sucked in time and time again. Like a moth to the flame, I am ready to be set alight. Elicea 'F*cks With My Head' Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it's my work. Not one of them has managed to get their claws into me the way she does. It's as if she's seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But that can't work, it won't work. Not in my world. **BOOK 2 (ANGUISHED)** It wasn't meant to be this way—she shouldn't have fallen for my brother and left me for him. But she did. And now I'm left to pick up the pieces of my shattered, broken heart. And to top it off, they want

me to come to their wedding. Do they think I'm a pushover? Do they think of me as a joke? The old saying stands true, 'Why have enemies when you can have family.' I understand it now, better than I ever have in my life. There's one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She's exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them.

The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the *Keepers of the Veil* series is **STANDALONE**: * *Protecting His Witch* * *His Witch to Keep* * *Playing the Witch's Game*

Stone Barrington must track down an enemy intent on disturbing law and order in the latest action-packed thriller from the #1 New York Times bestselling author. Upon returning from a dangerous

coastal adventure, Stone Barrington is looking forward to some normalcy with the leading lady in his life. But when a grisly crime arrives on his doorstep, along with some suspicious new clients eager for his help, Stone realizes peace and quiet are no longer an option. As it turns out, the mastermind behind the malfeasance rocking New York City and the nation's capital wields a heavy hand of influence. And when Stone is unable to recruit those closest to the case to his side, he is left with few leads and a handful of dead-ends. But with the help of important people in high places--and the expertise of alluring new friends--Stone is more than ready to rise to the occasion.

Una volta eri l'uomo che odiavo, ma ti ho perdonato per quello che hai fatto. Ora tocca a te perdonarmi. No, non ti ho tradito, nemmeno lontanamente. Ma ho commesso un errore enorme, di quelli che fanno sopravvivere poche relazioni. E adesso? Dove andremo? È stata la cosa più stupida che abbia mai fatto, e ha cambiato tutto. Troverai nel tuo cuore la forza per perdonarmi? O è la nostra fine? ** ANCORA NON MI FIDO DI TE è il secondo libro della COPPIA dei nemici - amanti dell'autrice bestseller Charlotte Byrd che ti farà girare la testa. Cosa dicono i lettori di Charlotte Byrd: "Questo libro / serie crea dipendenza! Estremamente scottante e infuocato, intenso con colpi di scena che proprio non ti aspetterai..." ★★★★★ "Lo inizi e non lo posi più!" ★★★★★ "Come diavolo ho fatto a sopravvivere? La mia mente è sconvolta, il cuore mi esplose nel petto e sono sul baratro, tremando come una foglia in una tempesta, in attesa di rifare tutto da capo, con la conclusione che sia uno dei migliori motivi per uscire dal lavoro e perdersi per un po'." ★★★★★ "Questa serie è così intensa e del-

iziosa. I colpi di scena mozzafiato, le emozioni selvagge e la tensione snervante continuano ad aumentare man mano che si prosegue ogni libro di questa affascinante serie. Sono così coinvolto nella storia di Nicholas e Olivia. Questi personaggi si insinuano davvero nel tuo cuore, consumando totalmente anche la tua mente. La avvincente storia ti cattura rapidamente e ti immerge nel mondo di questa coppia. Cerca di essere preparato per il colpo di scena e per l'attesa per il sesto e ultimo libro di questa fantastica serie. " ★★★★★

I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout “MEDIC!” training just kicks in. It’s automatic, immediate. I don’t think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he’d been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn’t getting him, it’s keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn’t know what to do with him. It’s not in my nature, and if life has taught me anything, it’s to not trust anyone, least of all men like Zane. He’s a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it’s a conflict as old as humanity itself, but it’s brand new for me. * * * Life as Navy SEAL doesn’t exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my

dreams—dreams I didn’t know I’d had until I saw her—explodes into my life like a frag grenade? I’m trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you’ve got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Praise for the Third Edition ". . . an expository masterpiece of the highest didactic value that has gained additional attractivity through the various improvements . . ."—Zentralblatt MATH The Fourth Edition of Introduction to Abstract Algebra continues to provide an accessible approach to the basic structures of abstract algebra: groups, rings, and fields. The book's unique presentation helps readers advance to abstract theory by presenting concrete examples of induction, number theory, integers modulo n , and permutations before the abstract structures are defined. Readers can immediately begin to perform computations using abstract concepts that are developed in greater detail later in the text. The Fourth Edition features important concepts as well as specialized topics, including: The treatment of nilpotent groups, including the Frattini and Fitting subgroups Symmetric polynomials The proof of the fundamental theorem of algebra using symmetric polynomials The proof of Wedderburn's theorem on finite division rings The proof of the Wedderburn-Artin theorem Throughout the book, worked examples and real-world problems illustrate concepts and their applications, facilitating a complete understanding for readers regardless of their background in mathematics. A wealth of computational and theoretical exercises, ranging from

basic to complex, allows readers to test their comprehension of the material. In addition, detailed historical notes and biographies of mathematicians provide context for and illuminate the discussion of key topics. A solutions manual is also available for readers who would like access to partial solutions to the book's exercises. Introduction to Abstract Algebra, Fourth Edition is an excellent book for courses on the topic at the upper-undergraduate and beginning-graduate levels. The book also serves as a valuable reference and self-study tool for practitioners in the fields of engineering, computer science, and applied mathematics.

Build your own intelligent agent system... Intelligent agent technology is a tool of modern computer science that can be used to engineer complex computer programmes that behave rationally in dynamic and changing environments. Applications range from small programmes that intelligently search the Web buying and selling goods via electronic commerce, to autonomous space probes. This powerful technology is not widely used, however, as developing intelligent agent software requires high levels of training and skill. The authors of this book have developed and tested a methodology and tools for developing intelligent agent systems. With this methodology (Prometheus) developers can start agent-oriented designs and implementations easily from scratch saving valuable time and resources. Developing Intelligent Agent Systems not only answers the questions "what are agents?" and "why are they useful?" but also the crucial question: "how do I design and build intelligent agent systems?" The book covers everything a practitioner needs to know to begin to effectively use this technology - including an introduction to the notion of agents, a description of the concepts involved, and a software engineering methodology. Read on for: a practical step-by-step introduction to designing and building intelligent agent systems. a full life-cycle methodology for developing intelligent agent systems covering specification, analysis, design and implementation of agents.

PDT: Prometheus Design Tool - software support for the Prometheus design process. the example of an electronic bookstore to illustrate the design process throughout the book. Electronic resources including the Prometheus Design Tool (PDT), can be found at: <http://www.cs.rmit.edu.au/agents/prometheus> This book is aimed at industrial software developers, software engineers and at advanced undergraduate students. It assumes knowledge of basic software engineering but does not require knowledge of Artificial Intelligence or of mathematics. Familiarity with Java will help in reading the examples in chapter 10.

More than ever, Christians are bombarded with tough faith questions from their pluralistic friends and neighbors. Many of these emerge as "anti-truth claims" and slogans we are all familiar with: • Why not just look out for yourself? • Do what you want--just as long as you don't hurt anyone • Miracles violate the laws of nature • Aren't people born gay? Paul Copan has been answering questions like these for many years. In *When God Goes to Starbucks*, he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks, shopping malls, youth groups, and schools. Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today.

Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me

because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.
