The book also includes generous information about the French culture -- introductions to cities and regions are comprehensive and included before each chapter. This is a fast-paced, full-throated look at French and all its nuances.

Explore MailOnline's latest sport news including football, F1, rugby, NFL and more! Sign up for newsletters to get breaking news delivered to your inbox.

The book explains language pretty well. But let's be honest: you're not buying this book because you want to learn french. You're buying it because it's on a booklist. Buy it used. Seriously. Don't let the bookstore's online component combo scare you away. You can buy the book used then buy a 3-term quia pack for like \$60. That's it. Bon chance!
