What Is a Mind Map? A mind map is a simple hierarchical radial diagram. In other words, you organize your thoughts around a central idea. This technique is especially useful whenever you need

to “dump your brain”, or develop an idea, a project (for example, a new product or service), a problem, a solution, etc. By capturing what you have in your head, you make space for other thoughts.

Create a Central Idea The central idea is the starting point of your Mind Map and represents the topic you are going to explore. This should be in the center of your page and can include an image or colour that fits with your Mind Map's topic. This draws attention and triggers associations, as our brains respond better to visual stimuli.
