Named one of "22 new books...that you should consider reading before the year is out" by Fortune A research-based, practical guide for how to handle difficult people at work. Work relationships can be hard. The stress of dealing with difficult people dampens our creativity and productivity, degrades our ability to think clearly and make sound decisions, and causes us to disengage. We might lie awake at night worrying, withdraw from work, or react in ways we later regret—rolling our eyes in a meeting, snapping at colleagues, or staying silent when we should speak up. Too often we grin and bear it as if we have no choice. Or throw up our hands because one-size-fits-all solutions haven't worked. But you can only endure so much thoughtless, irrational, or malicious behavior—there's your sanity to consider, and your career. In *Getting Along*, workplace expert and Harvard Business Review podcast host Amy Gallo identifies eight familiar types of difficult coworkers—the insecure boss, the passive-aggressive peer, the know-it-all, the biased coworker, and others—and provides strategies tailored to dealing constructively with each one. She also shares principles that will help you turn things around, no matter who you're at odds with. Taking the high road isn't easy, but Gallo offers a crucial perspective on how work relationships really matter, as well as the compassion, encouragement, and tools you need to prevail—on your terms. She answers questions such as: Why can't I stop thinking about that nasty email?! What's behind my problem colleague's behavior? How can I fix things if they won't cooperate? I've tried everything—what now? Full of relatable, sometimes cringe-worthy examples, the latest behavioral science research, and practical advice you can use right now, *Getting Along* is an indispensable guide to navigating your toughest relationships at work—and building interpersonal resilience in the process.

Prioritize your wellbeing with these 150 self-care exercises designed specifically to help Black women revitalize their outlook on life, improve their mental health, eliminate stress, and self-advocate. Between micro- and macro-aggressions at school, at work, and everywhere in between, it's tough to prioritize physical and mental wellness as a Black woman, especially with a constant news cycle highlighting Black trauma. Now, with *The Self-Care for Black Women* you'll find more than 150 exercises that will help you radically choose to put yourself first. Whether you need a quick pick-me-up in the middle of the day, you're working through feelings of burnout, or you need to process a microaggression, this book has everything you need to feel more at peace. You'll find prompts like: -Map out your feelings about a microaggression -Make a list of your safe spaces -Detail out an entire day dedicated to your self-care -And more! It's time to put yourself first and prioritize your self-care once and for all—and this book is here to help you do just that.

Until recently, Tess Vigeland was a longtime host with Public Radio's Marketplace; it was a rewarding, high-status job, and Tess was very good at it—but she'd begun to feel restless. Without any definite, clear sense of what she wanted to do next (but an absolute certainty that what she'd been doing was no longer truly satisfying), she walked away from her dream job and into a vast unknown. Suddenly she was no longer "Marketplace's Tess Vigeland," she was just Tess Vigeland. For the multitude of Americans who change jobs mid-career (by choice or circumstance), the growing legions of freelance workers, and the entrepreneurially-minded who see self-employment as an increasingly more appealing and viable option, Tess Vigeland has created a personal and well-researched account of leaping without a net. With her signature humor, she writes honestly about the fear, uncertainty, and risk involved in leaving the traditional workforce—but also the excitement, resources, and possibilities that are on the other side. Part memoir and part field guide, this book offers a funny, thoughtful, and provocative look at how to find happiness, satisfaction, and success when pursuing a career less ordinary.

How to Quit Your Job: A Complete, Smart and Thorough Guide to Help You Escape from a Terrible Employment Situation and Find New Success Available now on your browser, a Kindle isn't needed to read it. In his spare time, he likes to travel the world.

It's been said that software is eating the planet. The modern economy—the world itself—relies on technology. Demand for the people who can produce it far outweighs the supply. So why do developers occupy largely subordinate roles in the corporate structure? Developer Hegemony explores the

past, present, and future of the corporation and what it means for developers. While it outlines problems with the modern corporate structure, it's ultimately a play-by-play of how to leave the corporate carnival and control your own destiny. And it's an emboldening, specific vision of what software development looks like in the world of developer hegemony—one where developers band together into partner firms of "efficiencyers," finally able to command the pay, respect, and freedom that's earned by solving problems no one else can. Developers, if you grow tired of being treated like geeks who can only be trusted to take orders and churn out code, consider this your call to arms. Bring about the autonomous future that's rightfully yours. It's time for developer hegemony.

"A lively and inspiring guidebook for anyone who wants to make the jump from normal to extraordinary." —Tony Robbins, #1 New York Times bestselling author of *Unshakeable* and *MONEY: Master the Game* An inspirational book that lays out the "Jump Curve"—four steps to wholeheartedly pursuing the career of your dreams—through experiences from a variety of people who have jumped and never looked back When Mike Lewis was twenty-four and working in a prestigious corporate job, he eagerly wanted to leave and pursue his dream of becoming a professional squash player. But he had questions: When is the right time to move from work that is comfortable to a career you have only dared to dream of? How have other people made such a jump? What did they feel when making that jump—and afterward? Mike sought guidance from others who had "jumped," and the responses he got—from a banker who started a brewery, a publicist who became a Bishop, a garbage collector who became a furniture designer, and on and on—were so clear-eyed and inspiring that Mike wanted to share what he had learned with others who might be helped by those stories. First, though, he started playing squash professionally. The right book at the right time, *When to Jump* offers more than forty heartening stories (from the founder of Bonobos, the author of *The Big Short*, the designer of the Lyft logo, the *Humans of New York* creator, and many more) and takeaways that will inspire, instruct, and reassure, including the ingenious four-phase Jump Curve.

AWARDS: Independent Publisher Book Award 2015 (Silver) and National Mature Media Award 2015 (Bronze) Step-by-step tips for revitalizing your career Yes, it is possible to have a job you love, and it doesn't require starting from scratch. *Love Your Job* is a guide to making work fulfilling and fun — again, or even for the first time. Why count down the hours of the day or the days to retirement when you could reinvigorate your workday, transforming the daily doldrums into a daily dose of enjoyable activity? Kerry Hannon, The New York Times columnist and AARP's Jobs Expert, focuses on the little things that can make a big difference in how we feel about work. *Love Your Job* is all about the routines, habits, and thought patterns that, over the years, may have turned a dream job into a drudge or, worse, a nightmare. Changing these habits and attitudes is simple, and this book shows you how to identify the little things that make work enjoyable and engaging. Using these simple techniques, you can adopt the attitude that will keep you happy and that might just lead to bigger and better things, no matter what stage of your career you are in. In this book, you will learn to: Develop new habits that bring more purpose into every single workday Rekindle your hope and motivation by celebrating small successes Recognize negative patterns that keep you from enjoying your job Craft an entrepreneurial attitude that will get you noticed and enrich your work life We all deserve to experience happiness and satisfaction every day, at every stage of our careers. Kerry Hannon explains that you don't have to make a huge career transition to love work again. But if you reinvent the way you see work, who knows where your new outlook will lead? Wake up to the countless possibilities that await you with *Love Your Job*.

Are you sick of working a job you hate for a boss who despises you? Do you want to get paid what your worth...instead of what your company thinks they can get away with? Are you struggling to get up in the morning and praying for a snow day? Or just ready to start enjoying some of that freedom you've heard so much about? Whether you're about to enter the job market for the first time or you've been slaving away for decades - you need to read *Fire Your Boss* - as soon as possible! In this book, you'll learn how to break free of the underpaying labor market and start the journey to financial and emotional freedom. You cannot underestimate the power of controlling your income. Learn how to blast through every roadblock keeping you from starting your own business. From "don't know where to start" to "I'm not good with technology" to "I don't have the confidence" to "I don't have enough time," *Fire Your Boss* sets all those excuses on fire with simple and actionable business models that you can start in your spare time to start building up your savings account. What pragmatic and actionable lessons will you learn? Sixteen business models that all cooperate with each other The simple technique for turning your voice into an ATM machine The secret to building a business when you don't have any time The foolproof method for getting paid to learn The most common mistakes even experienced entrepreneurs make and how to avoid them. The singular best way to create an unstoppable passive revenue stream Here's what this book ISN'T: this isn't a list of startups you can slave away for, a guide on how to join the "gig economy," or a plan to get a promotion at work. This is about building consistent and passive revenue streams that can support you when shocks hit the market and the economy turns against you. How will your life improve? Never live in fear of getting fired every again Go to sleep knowing that TOMORROW THERE WILL BE MORE MONEY IN YOUR BANK ACCOUNT THAN TODAY Follow a process that allowed the author to move to a tropical island Chase your dreams without letting stress and fear hold you back Implement these techniques and watch your happiness skyrocket. Follow this amazing journey and take control of your destiny by scrolling up and clicking the BUY NOW button at the top of this page!

On his thirtieth birthday, Jeff Goins quit his job and began his pursuit of becoming a full-time writer. While certainly that was a milestone day, it was still less significant than the ones that led to that memorable moment. The journey he took leading up to that daring decision involved twists, turns, and surprises he never expected. In the end, he found his life's purpose, his calling; and in *The Art of Work*, he wants to share his journey with you and help you, too, discover your life's work, along with the invaluable treasure that comes with doing so. As writer, keynote speaker, and award-winning blogger Jeff Goins explains, our search for discovering the task we were born to do begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, as Jeff discovered along the journey he shares in this one-of-a-

kind book, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows readers how to find the vocation they were meant for and what to expect during the long, arduous journey to discovering and pursuing it.

Fire Your Boss is the disruptive alternative blueprint for charting a new life-giving career path that gives you control, allowing you to set your own rules for your work life. Provocative, liberating, and universally appealing, Fire Your Boss seeks to help readers resolve the deepest root of workplace unrest—namely, fear and self-preservation. This book upgrades readers' core belief systems, demonstrates how to liberate their careers forever, and ultimately, join a heretical uprising without becoming an entrepreneur, changing jobs, or simply white-knuckling their way to retirement. Aaron McHugh maps out how to make philosophical, emotional, tactical, and heart-centered shifts at every intersection on the career journey. Firing your boss does not require you to leave to your job. Firing your boss does not require you to start a new business. Firing your boss becomes the life-altering daily mantra that transforms the disengaged into hopeful leaders. Discover how to plot a new course of career freedom and independence, empowerment, and self-reliance. Find your smile again, rekindle your mojo, recapture the art of your work, and start enjoying your work every single day.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.

"A guidebook to help people make smart career moves right out of college; land a dream job; establish a strong business reputation; navigate their organization's social scene through networking; and more"--

Quitting your day job to embark on another career or start your own business is a huge and frightening step. If you do it, though, you want to make sure you do it right. This book provides a practical plan & great tips for quitting your job and making a successful transition.

A detailed system that will help you achieve your professional and personal goals Moving the Needle provides both the "kick in the pants" and the game plan many of us need to break out of the rut and get moving to achieve our goals. CEOs, vice presidents, professionals, military personnel, and even college students frequently express frustration at the entrenched status quo, in which initiating progress feels like moving mountains. This book lights a path toward continual improvement, helping readers first find a direction, then make the key transitions that jumpstart forward progress. This highly practical guide outlines a change process that can be applied to professional or personal goals, giving readers a concrete plan for making big things happen. Rather than blindly shooting for the moon, readers will formulate a solid, systematic, actionable plan that can only result in progress. In today's tenuous business climate, employers and employees alike can be glued to the ground, unsure of the path they should take, or whether they have the freedom to move forward. Moving the Needle helps readers clarify their current position, identify their optimum position, and formulate a workable strategy for getting from here to there. Find what "moving forward" means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis, at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress. Moving forward requires a vision, a plan, and the impetus to get things done. Those who sense that big things can happen need to get clear, get free, and start Moving the Needle.

Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.

High-achieving women share their worst mistakes at work—and how learning from them paved the way to success. Named by Fast Company as a "Top 10 Book You Need to Read This Year" In Mistakes I Made at Work, a Publishers Weekly Top 10 Business Book for Spring 2014, Jessica Bacal interviews twenty-five successful women about their toughest on-the-job moments. These innovators across a variety of fields - from the arts to finance to tech - reveal that they're more thoughtful, purposeful and assertive as leaders because they learned from their mistakes, not because they never made any. Interviewees include: Cheryl Strayed, bestselling author of Wild Anna Holmes, founding editor of Jezebel.com Kim Gordon, founding member of the band Sonic Youth Joanna Barsch, Director Emeritus of McKinsey & Company Carol Dweck, Stanford psychology professor Ruth Ozeki, New York Times bestselling author of Tale for the Time Being And many more For readers of Lean In and #Girlboss, Mistakes I Made for Work is ideal for millenials just starting their careers, for women seeking to advance at work, or for anyone grappling with issues of perfectionism, and features fascinating and

surprising anecdotes, as well as tips for readers.

Learn how to survive and thrive within organisations In Don't Quit Your Day Job, former Google and Twitter executive Aliza Knox delivers hands-on, practical steps for achieving career success. Driven by Knox's four decades working in and leading some of the world's most celebrated firms, and featuring candid accounts of other people's successes and missteps in global tech, consumer goods, healthcare, academia, social services and more, this book is an essential guide to integrating your professional and personal goals to build a fulfilling, complete life. The book also includes: Invaluable advice to power up your people skills and soft skills, and how to care for your career like you would any other relationship. Effective perspectives to help balance your working life and personal life and to build stamina for the long haul. A global outlook that reveals how to excel in today's hybrid, often dispersed world of work. Whether you're just starting your first job or you're ready to rise to the C-suite, Don't Quit Your Day Job will help you advance and flourish in the workplace.

Dreading going to work every day when you wish you could be working full-time for yourself? Want to create a strategic plan to successfully build a business and quit your job? Before You Quit Your Job is the strategic step by step guide to assist you with developing a strategic plan for leaving your job for good. A real world practical guide to dramatically increase your wages, as told by an average working stiff who quit four jobs in five years and tripled his pay! The proven, step-by-step approach to strategically changing jobs and exponentially improving your salary and career. The rules have changed. Mergers, acquisitions, downsizing, re-engineering, outsourcing, massive layoffs, and the global economy have reshaped the job market. It's no longer enough to work year after year for incremental pay raises in exchange for job security. Employers today are driven by the bottom line; by and large, company loyalty and commitment have gone the way of the dinosaurs. To get ahead in today's world you have to manage your career like your finances, by constantly planning ahead for your next job. Quit Your Job Often and Get Big Raises shows you how to get ahead--and dramatically increase your salary--by changing jobs frequently and leveraging your current position for something better. It shows you why you should do it, when to do it, and how to do it. You'll discover: How to identify the industries with strong future growth Why the ability to market yourself is crucial--and how to do it When you should begin looking for your next job How to hit the ground running when you do change jobs And much, much more!

Many of us dream of quitting our jobs, hopping on a plane, and escaping our daily reality to frolic around on a beach for a while. But for most of us, it's just a dream - until now. How to Quit Your Job & Travel is a practical, step-by-step guide to one of the most exciting, exhilarating, and terrifying things you'll ever do. You'll learn how to tackle each of the challenges preventing you from taking off on a long-term trip, from finances to fear to returning to reality - and all the nitty-gritty logistics

along the way. But once you do actually pack your bags, throw your stuff into storage, and head off - what's next? Lia Garcia, co-founder and CEO of one of the most-read travel blogs in the world, spills all the things nobody tells you about the reality of long term travel - and coming home again - with stories from her own disastrous year-long honeymoon. About the Book This book is divided into four sections: Part One focuses on laying the groundwork for your trip, including the preparations and decisions that take place well before you leave. You'll learn to identify and navigate fears and obstacles in your way as you develop a rough outline for your trip, set yourself a departure deadline, calculate the cost of your adventure, start working towards a specific savings goal, and turn your travel dream into an actionable plan. Part Two takes place in the months before your trip, as you finalize your plans, pack your bags, book your itinerary, and tie up loose ends at home. You'll learn how to effectively plan a long-term trip, tackle each piece of the logistical puzzle of placing your life on hold, find out what to pack (and what to leave at home), and take off on the adventure of a lifetime. Part Three prepares you for the trip itself, including all the things that nobody tells you about long-term travel, how to stay safe and prevent theft, and what to do if you find yourself running out of funds. You'll learn about the many challenges of long-term travel, the beauty of "travel magic," and how to overcome challenges while you're on the road. Part Four occurs after the trip, as you return home and reintegrate into ordinary life. We'll cover how to prepare yourself for the most difficult part of long-term travel, including picking back up where you left off with your career (or choosing not to), and how to use the skills you learned during your travels to identify your needs and adjust to the life you've returned to. In each part of the book, you'll find specific, actionable advice interwoven with stories and mishaps from the author's year-long honeymoon. At the end of the book is a reference section containing all of the websites, apps, businesses, academic studies, spreadsheet templates, and tools mentioned or recommended, as well as tables organizing specific information you'll need as you plan your trip. You'll also receive access to a digital and printable version of the "Reference" section.

Learn how to quit your job-the right way. Although it can be nerve-wracking to hand in your notice, it's important to leave on the best possible terms to keep your reputation and relationships intact. In this short training course, Aimee Bateman shows you how to prepare to resign, how to write a resignation letter, and how to conduct yourself during your last few weeks. She also reviews the dos and don'ts of quitting, and explains what happens during the exit interview. With these tips, you will be able to gracefully leave your current job and embark on the next stage of your career. This course was created by Careercake, the careers content platform. We are pleased to host this training in our library.

"Lose the Résumé" breaks down every aspect of job hunting, explaining what matters and what doesn't. - The New York Times Book Review Lose the resume and land that coveted job Gone are the days of polishing up your resume and sending it out at random. At every level today, you need to "lose the resume" in order to land the right job. In other words, you have to learn to tell a story about yourself that speaks to your competencies, purpose, passion, and values. Lose the Resume, Land the Job shares the new rules of engagement: How you must think, act, and present yourself so you can win. Based on inner exploration drawn from the IP of the world's largest executive recruiting firm, the book gleans insights and stories (the good, the bad, and sometimes the ugly) from Korn Ferry recruiters across the globe who work with thousands of candidates each day. It helps you gain a deeper perspective on who you are, what you're passionate about, the cultures in which you fit, the kind of bosses you should work for, and where you can bring the most value to organizations. • Includes assessments, questionnaires, and other tools • Candid advice for young professionals through middle managers • Offers trusted guidance from the same firm that has shown 8 million executives how to achieve their career goals, and that puts a professional in new job every three minutes • Helps you build a plan for the future so you can contribute more to the next employer Getting a job and, more importantly, building a career has never been more complex. Lose the Resume, Land the Job helps you score the positions that align with your passion and match your attributes — and that will put you on a trajectory toward bigger and better things.

Tired of working? Sick of the Rat Race? Feel like leaving it all behind? You are one step closer just by picking up this book. Quit Your Job And Move To Key West is your complete guide on how to do it by people who have made it happen.

The world of work has changed. People in previous generations tended to pick one professional path and stick to it. Switching companies every few years wasn't the norm, and changing careers was even rarer. Today's career trajectories aren't so scripted and linear. Technology has given rise to new positions that never before existed, which means we are choosing from a much broader set of career options—and have even more opportunities to find work that lights us up. However, we don't discover and apply for jobs the same way anymore, and employers don't find applicants the way they used to. Isn't it about time we had a playbook for navigating it all? Kathryn Minshew and Alexandra Cavoulacos, founders of the popular career website TheMuse, offer the definitive guide to the modern workplace. Through quick exercises and structured tips, you will learn: • The New Rules for finding the right path: Sift through, and narrow today's ever-growing menu of job and career options, using the simple step-by-step Muse Method. • The New Rules for landing the perfect job: Build your personal brand, and communicate exactly how you can contribute and why your experience is valuable in a way that is sure to get the attention of your dream employer. Then ace every step of the interview process, from getting a foot in the door to negotiating your offer. • The New Rules for growing and advancing in your career: Mastering first impressions, the art of communication, networking, managing up and other "soft" skills - and make it obvious that whatever level you're at, you're ready to get ahead. Whether you are starting out in your career, looking to advance, navigating a mid-career shift, or anywhere in between, this is the book you need to thrive in the New World of Work.

The problem that affects almost everyone today is being stuck in a career they hate. People are conditioned to work their lives away for someone else and only get paid for the hour they work. Follow the proven path to financial freedom that many have already successfully navigated.

A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters. Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

When Designing Your Life was published in 2016, Stanford's Bill Burnett and Dave Evans taught readers how to use design thinking to build meaningful, fulfilling lives ("Life has questions. They have answers." -The New York Times). The book struck a chord, becoming an instant #1 New York Times bestseller. Now, in DESIGNING YOUR WORK LIFE: How to Thrive and Change and Find Happiness at Work they apply that transformative thinking to the place we spend more time than anywhere else:

work. DESIGNING YOUR WORK LIFE teaches readers how to create the job they want—without necessarily leaving the job they already have. "Increasingly, it's up to workers to define their own happiness and success in this ever-moving landscape," they write, and chapter by chapter, they demonstrate how to build positive change, wherever you are in your career. Whether you want to stay in your job and make it a more meaningful experience, or if you decide it's time to move on, Evans and Burnett show you how to visualize and build a work-life that is productive, engaged, meaningful, and more fun.

Rich Dad's Before You Quit Your JobBusiness PlusThe tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.How to Quit Your Job & TravelPractical WanderlustMany of us dream of quitting our jobs, hopping on a plane, and escaping our daily reality to frolic around on a beach for a while. But for most of us, it's just a dream - until now. How to Quit Your Job & Travel is a practical, step-by-step guide to one of the most exciting, exhilarating, and terrifying things you'll ever do. You'll learn how to tackle each of the challenges preventing you from taking off on a long-term trip, from finances to fear to returning to reality - and all the nitty-gritty logistics along the way. But once you do actually pack your bags, throw your stuff into storage, and head off - what's next? Lia Garcia, co-founder and CEO of one of the most-read travel blogs in the world, spills all the things nobody tells you about the reality of long term travel - and coming home again - with stories from her own disastrous year-long honeymoon. About the Book This book is divided into four sections: Part One focuses on laying the groundwork for your trip, including the preparations and decisions that take place well before you leave. You'll learn to identify and navigate fears and obstacles in your way as you develop a rough outline for your trip, set yourself a departure deadline, calculate the cost of your adventure, start working towards a specific savings goal, and turn your travel dream into an actionable plan. Part Two takes place in the months before your trip, as you finalize your plans, pack your bags, book your itinerary, and tie up loose ends at home. You'll learn how to effectively plan a long-term trip, tackle each piece of the logistical puzzle of placing your life on hold, find out what to pack (and what to leave at home), and take off on the adventure of a lifetime. Part Three prepares you for the trip itself, including all the things that nobody tells you about long-term travel, how to stay safe and prevent theft, and what to do if you find yourself running out of funds. You'll learn about the many challenges of long-term travel, the beauty of "travel magic," and how to overcome challenges while you're on the road. Part Four occurs after the trip, as you return home and reintegrate into ordinary life. We'll cover how to prepare yourself for the most difficult part of long-term travel, including picking back up where you left off with your career (or choosing not to), and how to use the skills you learned during your travels to identify your needs and adjust to the life you've returned to. In each part of the book, you'll find specific, actionable advice interwoven with stories and mishaps from the author's year-long honeymoon. At the end of the book is a reference section containing all of the websites, apps, businesses, academic studies, spreadsheet templates, and tools mentioned or recommended, as well as tables organizing specific information you'll need as you plan your trip. You'll also receive access to a digital and printable version of the "Reference" section.

101 Reasons to Quit Your JobThe one thing every working person dreams of is quitting their job. What if I told you and gave you 101 reasons that you can? Quit your job. You know you want to. Admit it. You've contemplated it. You've thought about it while brushing your teeth. You've promised yourself while getting dressed. You've sworn never again - while in traffic. Find the courage to take the steps necessary to gain freedom for you and your family. Exposing the lie of employment.Getting AlongHarvard Business PressNamed one of "22 new books...that you should consider reading before the year is out" by Fortune A research-based, practical guide for how to handle difficult people at work. Work relationships can be hard. The stress of dealing with difficult people dampens our creativity and productivity, degrades our ability to think clearly and make sound decisions, and causes us to disengage. We might lie awake at night worrying, withdraw from work, or react in ways we later regret—rolling our eyes in a meeting, snapping at colleagues, or staying silent when we should speak up. Too often we grin and bear it as if we have no choice. Or throw up our hands because one-size-fits-all solutions haven't worked. But you can only endure so much thoughtless, irrational, or malicious behavior—there's your sanity to consider, and your career.

In Getting Along, workplace expert and Harvard Business Review podcast host Amy Gallo identifies eight familiar types of difficult coworkers—the insecure boss, the passive-aggressive peer, the know-it-all, the biased coworker, and others—and provides strategies tailored to dealing constructively with each one. She also shares principles that will help you turn things around, no matter who you're at odds with. Taking the high road isn't easy, but Gallo offers a crucial perspective on how work relationships really matter, as well as the compassion, encouragement, and tools you need to prevail—on your terms. She answers questions such as: Why can't I stop thinking about that nasty email? What's behind my problem colleague's behavior? How can I fix things if they won't cooperate? I've tried everything—what now? Full of relatable, sometimes cringe-worthy examples, the latest behavioral science research, and practical advice you can use right now, Getting Along is an indispensable guide to navigating your toughest relationships at work—and building interpersonal resilience in the process.How to Quit WorkingCreatespace Independent PubDo you want to quit your job and start a business so you can do something you are passionate about, make a difference and have a lot of fun in the process? How to Quit Working shows you how. They Don't Teach Corporate in College, Updated Edition "A guidebook to help people make smart career moves right out of college; land a dream job; establish a strong business reputation; navigate their organization's social scene through networking; and more"--HBR Guide to Dealing with Conflict (HBR Guide Series) Harvard Business Review Press While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether you—and your counterpart—typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and your counterpart's emotions Develop a resolution together Know when to walk away Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges. This plan will show you the ways to design your ideal lifestyle and develop the means to achieve that in six months or even less. Ask a Manager Ballantine Books From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist has taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together Don't Quit Your Day Job John Wiley & Sons Learn how to survive and thrive within organisations In Don't Quit Your Day Job, former Google and Twitter executive Aliza Knox delivers hands-on, practical steps for achieving career success. Driven by Knox's four decades working in and leading some of the world's most celebrated firms, and featuring candid accounts of other people's successes and missteps in global tech, consumer goods, healthcare, academia, social services and more, this book is an essential guide to integrating your professional and personal goals to build a fulfilling, complete life. The book also includes: Invaluable advice to power up your people skills and soft skills, and how to care for your career like you would any other relationship. Effective perspectives to help balance your working life and personal life and to build stamina for the long haul. A global outlook that reveals how to excel in today's hybrid, often dispersed world of work. Whether you're just starting your first job or you're ready to rise to the C-suite, Don't Quit Your Day Job will help you advance and flourish in the workplace. Designing Your Work Life Knopf When Designing Your Life was published in 2016, Stanford's Bill Burnett and Dave Evans taught readers how to use design thinking to build meaningful, fulfilling lives ("Life has questions. They have answers."—The New York Times). The book struck a chord, becoming an instant #1 New York Times bestseller. Now, in DESIGNING YOUR WORK LIFE: How to Thrive and Change and Find Happiness at Work they apply that transformative thinking to the place we spend more time than anywhere else: work. DESIGNING YOUR WORK LIFE teaches readers how to create the job they want—without necessarily leaving the job they already have. "Increasingly, it's up to workers to define their own happiness and success in this ever-moving landscape," they write, and chapter by chapter, they demonstrate how to build positive change, wherever you are in your career. Whether you want to stay in your job and make it a more meaningful experience, or if you decide it's time to move on, Evans and Burnett show you how to visualize and build a work-life that is productive, engaged, meaningful, and more fun. Mistakes I Made at Work Penguin High-achieving women share their worst mistakes at work—and how learning from them paved the way to success. Named by Fast Company as a "Top 10 Book You Need to Read This Year" In Mistakes I Made at Work, a Publishers Weekly Top 10 Business Book for Spring 2014, Jessica Bacal interviews twenty-five successful women about their toughest on-the-job moments. These innovators across a variety of fields – from the arts to finance to tech – reveal that they're more thoughtful, purposeful and assertive as leaders because they learned from their mistakes, not because they never made any. Interviewees include: Cheryl Strayed, bestselling author of Wild Anna Holmes, founding editor of Jezebel.com Kim Gordon, founding member of the band Sonic Youth Joanna Barsch, Director Emeritus of McKinsey & Company Carol Dweck, Stanford psychology professor Ruth Ozeki, New York Times bestselling author of Tale for the Time Being And many more For readers of Lean In and #Girlboss, Mistakes I Made for Work is

ideal for millennials just starting their careers, for women seeking to advance at work, or for anyone grappling with issues of perfectionism, and features fascinating and surprising anecdotes, as well as tips for readers. *The Art of Work* HarperCollins Leadership On his thirtieth birthday, Jeff Goins quit his job and began his pursuit of becoming a full-time writer. While certainly that was a milestone day, it was still less significant than the ones that lead to that memorable moment. The journey he took leading up to that daring decision involved twists, turns, and surprises he never expected. In the end, he found his life's purpose, his calling; and in *The Art of Work*, he wants to share his journey with you and help you, too, discover your life's work, along with the invaluable treasure that comes with doing so. As writer, keynote speaker, and award-winning blogger Jeff Goins explains, our search for discovering the task we were born to do begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, as Jeff discovered along the journey he shares in this one-of-a-kind book, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows readers how to find the vocation they were meant for and what to expect during the long, arduous journey to discovering and pursuing it. *Moving the Needle* John Wiley & Sons A detailed system that will help you achieve your professional and personal goals *Moving the Needle* provides both the "kick in the pants" and the game plan many of us need to break out of the rut and get moving to achieve our goals. CEOs, vice presidents, professionals, military personnel, and even college students frequently express frustration at the entrenched status quo, in which initiating progress feels like moving mountains. This book lights a path toward continual improvement, helping readers first find a direction, then make the key transitions that jumpstart forward progress. This highly practical guide outlines a change process that can be applied to professional or personal goals, giving readers a concrete plan for making big things happen. Rather than blindly shooting for the moon, readers will formulate a solid, systematic, actionable plan that can only result in progress. In today's tenuous business climate, employers and employees alike can be glued to the ground, unsure of the path they should take, or whether they have the freedom to move forward. *Moving the Needle* helps readers clarify their current position, identify their optimum position, and formulate a workable strategy for getting from here to there. Find what "moving forward" means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis, at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress. Moving forward requires a vision, a plan, and the impetus to get things done. Those who sense that big things can happen need to get clear, get free, and start *Moving the Needle*. *How to Quit Your Job with Rental Properties* The problem that affects almost everyone today is being stuck in a career they hate. People are conditioned to work their lives away for someone else and only get paid for the hour they work. Follow the proven path to financial freedom that many have already successfully navigated. *The Dip* Penguin A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters. Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win. *Quit Your Job* Can Akdeniz Quitting your day job to embark on another career or start your own business is a huge and frightening step. If you do it, though, you want to make sure you do it right. This book provides a practical plan & great tips for quitting your job and making a successful transition. *Fire Your Boss* Dragon God, Inc. Are you sick of working a job you hate for a boss who despises you? Do you want to get paid what your worth...instead of what your company thinks they can get away with? Are you struggling to get up in the morning and praying for a snow day? Or just ready to start enjoying some of that freedom you've heard so much about? Whether you're about to enter the job market for the first time or you've been slaving away for decades - you need to read *Fire Your Boss* - as soon as possible! In this book, you'll learn how to break free of the underpaying labor market and start the journey to financial and emotional freedom. You cannot underestimate the power of controlling your income. Learn how to blast through every roadblock keeping you from starting your own business. From "don't know where to start" to "I'm not good with technology" to "I don't have the confidence" to "I don't have enough time," *Fire Your Boss* sets all those excuses on fire with simple and actionable business models that you can start in your spare time to start building up your savings account. What pragmatic and actionable lessons will you learn? Sixteen business models that all cooperate with each other The simple technique for turning your voice into an ATM machine The secret to building a business when you don't have any time The foolproof method for getting paid to learn The most common mistakes even experienced entrepreneurs make and how to avoid them. The singular best way to create an unstoppable passive revenue stream Here's what this book ISN'T: this isn't a list of startups you can slave away for, a guide on how to join the "gig economy," or a plan to get a promotion at work. This is about building consistent and passive revenue streams that can support you when shocks hit the market and the economy turns against you. How will your life improve? Never live in fear of getting fired every again Go to sleep knowing that TOMORROW THERE WILL BE MORE MONEY IN YOUR BANK ACCOUNT THAN TODAY Follow a process that allowed the author to move to a tropical island Chase your dreams without letting stress and fear hold you back Implement these techniques and watch your happiness skyrocket. Follow this amazing journey and take control of your destiny by scrolling up and clicking the BUY NOW button at the top of this page! *Love Your Job* John Wiley & Sons AWARDS: Independent Publisher Book Award 2015 (Silver) and National Mature Media Award 2015 (Bronze) Step-by-step tips for revitalizing your career Yes, it is possible to have a job you love, and it doesn't require starting from scratch. *Love Your Job* is a guide to making work fulfilling and fun — again, or even for the first time. Why count down the hours of the day or the days to retirement when you could reinvigorate your workday, transforming the daily doldrums into a daily dose of enjoyable activity? Kerry Hannon, The New York Times columnist and AARP's Jobs Expert, focuses on the little things that can make a big difference in how we feel about work. *Love Your Job* is all about the routines, habits, and thought patterns that, over the years, may have turned a dream job into a drudge or, worse, a nightmare. Changing these habits and attitudes is simple, and this book shows you how to identify the little things that make work enjoyable and engaging. Using these simple techniques, you can adopt the attitude that will keep you happy and that might just lead to bigger and better things, no matter what stage of your career you are in. In this book, you will learn to: Develop new habits that bring more purpose into every single workday Rekindle your hope and motivation by celebrating small successes Recognize negative patterns that keep you from enjoying your job Craft an entrepreneurial attitude that will get you noticed and enrich your work life We all deserve to experience happiness and satisfaction every day, at every stage of our careers. Kerry Hannon explains that you don't have to make a huge career transition to love work again. But if you reinvent the way

you see work, who knows where your new outlook will lead? Wake up to the countless possibilities that await you with *Love Your Job*. *Quit Your Job* Alternative Comics On his way to work, Magic Boy discovers an enchanted ring and starts an expedition to the North Pole. From Paycheck to Purpose Ramsey Press Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all. *Lose the Resume, Land the Job* John Wiley & Sons "Lose the Résumé" breaks down every aspect of job hunting, explaining what matters and what doesn't." — The New York Times Book Review *Lose the resume and land that coveted job* Gone are the days of polishing up your resume and sending it out at random. At every level today, you need to "lose the resume" in order to land the right job. In other words, you have to learn to tell a story about yourself that speaks to your competencies, purpose, passion, and values. *Lose the Resume, Land the Job* shares the new rules of engagement: How you must think, act, and present yourself so you can win. Based on inner exploration drawn from the IP of the world's largest executive recruiting firm, the book gleams insights and stories (the good, the bad, and sometimes the ugly) from Korn Ferry recruiters across the globe who work with thousands of candidates each day. It helps you gain a deeper perspective on who you are, what you're passionate about, the cultures in which you fit, the kind of bosses you should work for, and where you can bring the most value to organizations. • Includes assessments, questionnaires, and other tools • Candid advice for young professionals through middle managers • Offers trusted guidance from the same firm that has shown 8 million executives how to achieve their career goals, and that puts a professional in new job every three minutes • Helps you build a plan for the future so you can contribute more to the next employer Getting a job and, more importantly, building a career has never been more complex. *Lose the Resume, Land the Job* helps you score the positions that align with your passion and match your attributes — and that will put you on a trajectory toward bigger and better things. *Developer Hegemony* Blog Into Book.com It's been said that software is eating the planet. The modern economy—the world itself—relies on technology. Demand for the people who can produce it far outweighs the supply. So why do developers occupy largely subordinate roles in the corporate structure? *Developer Hegemony* explores the past, present, and future of the corporation and what it means for developers. While it outlines problems with the modern corporate structure, it's ultimately a play-by-play of how to leave the corporate carnival and control your own destiny. And it's an emboldening, specific vision of what software development looks like in the world of developer hegemony—one where developers band together into partner firms of "efficiencers," finally able to command the pay, respect, and freedom that's earned by solving problems no one else can. Developers, if you grow tired of being treated like geeks who can only be trusted to take orders and churn out code, consider this your call to arms. Bring about the autonomous future that's rightfully yours. It's time for developer hegemony. When to Jump Henry Holt and Company "A lively and inspiring guidebook for anyone who wants to make the jump from normal to extraordinary." —Tony Robbins, #1 New York Times bestselling author of *Unshakeable* and *MONEY: Master the Game* An inspirational book that lays out the "Jump Curve"—four steps to wholeheartedly pursuing the career of your dreams—through experiences from a variety of people who have jumped and never looked back When Mike Lewis was twenty-four and working in a prestigious corporate job, he eagerly wanted to leave and pursue his dream of becoming a professional squash player. But he had questions: When is the right time to move from work that is comfortable to a career you have only dared to dream of? How have other people made such a jump? What did they feel when making that jump—and afterward? Mike sought guidance from others who had "jumped," and the responses he got—from a banker who started a brewery, a publicist who became a Bishop, a garbage collector who became a furniture designer, and on and on—were so clear-eyed and inspiring that Mike wanted to share what he had learned with others who might be helped by those stories. First, though, he started playing squash professionally. The right book at the right time, *When to Jump* offers more than forty heartening stories (from the founder of Bonobos, the author of *The Big Short*, the designer of the Lyft logo, the Humans of New York creator, and many more) and takeaways that will inspire, instruct, and reassure, including the ingenious four-phase Jump Curve. *Fire Your Boss* Post Hill Press *Fire Your Boss* is the disruptive alternative blueprint for charting a new life-giving career path that gives you control, allowing you to set your own rules for your work life. Provocative, liberating, and universally appealing, *Fire Your Boss* seeks to help readers resolve the deepest root of workplace unrest—namely, fear and self-preservation. This book upgrades readers' core belief systems, demonstrates how to liberate their careers forever, and ultimately, join a heretical uprising without becoming an entrepreneur, changing jobs, or simply white-knuckling their way to retirement. Aaron McHugh maps out how to make philosophical, emotional, tactical, and heart-centered shifts at every intersection on the career journey. Firing your boss does not require you to leave to your job. Firing your boss does not require you to start a new business. Firing your boss becomes the life-altering daily mantra that transforms the disengaged into hopeful leaders. Discover how to plot a new course of career freedom and independence, empowerment, and self-reliance. Find your smile again, rekindle your mojo, recapture the art of your work, and start enjoying your work every single day. *Leap* Harmony Until recently, Tess Vigeland was a longtime host with Public Radio's Marketplace; it was a rewarding, high-status job, and Tess was very good at it—but she'd begun to feel restless. Without any definite, clear sense of what she wanted to do next (but an absolute certainty that what she'd been doing was no longer truly satisfying), she walked away from her dream job and into a vast unknown. Suddenly she was no longer "Marketplace's Tess Vigeland," she was just Tess Vigeland. For the multitude of Americans who change jobs mid-career (by choice or circumstance), the growing legions of freelance workers, and the entrepreneurially-minded who see self-employment as an increasingly more appealing and viable option, Tess Vigeland has created a personal and well-researched account of leaping without a net. With her signature humor, she writes honestly about the fear, uncertainty, and risk involved in leaving the traditional workforce—but also the excitement, resources, and possibilities that are on the other side. Part memoir and part field guide, this book offers a funny, thoughtful, and provocative look at how to find happiness, satisfaction, and success when pursuing a career less ordinary. *How to Quit Your 9 - 5 Without Regret* Createspace Independent Publishing Platform Are you a Millennial Employee who is tired, frustrated, or simply facing a tough time in your job? Are you in your current employment just to make ends meet and the ends are not being met? Or you are working at a job that does not align with your life dream/purpose? If you've answered yes to any of the above, then it is likely you are considering a job change, career switch, or want to finally pursue your passion. But then again, you are scared to the marrow to quit your job as you do not

want to face the challenge of not having an income or run out of cash. I know that feeling as I have been there before and it is not a good condition to be in trust me. But quitting your job to follow your dream or to move to a better-paying one should not be a disdainful act. It should be easy, smooth, and exciting especially when you have a step-by-step guide to follow in thinking through the whole decision of quitting and knowing what to put in place before turning in the resignation letter. HOW TO QUIT YOUR 9-5 WITHOUT REGRET provides practical steps on what you need to be doing NOW before you quit in order to get the best out of your current job and assist you to plan properly in taking the bold step of quitting when you want to.

"Billions of dollars are given out every year to ordinary citizens!! Don't miss out!"--Cover.

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The *HBR Guide to Dealing with Conflict* will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether you—and your counterpart—typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and your counterpart's emotions Develop a resolution together Know when to walk away Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the *HBR Guides* provide smart answers to your most pressing work challenges.
