T6UD0T - MILLER JORDAN

Foreword written by Nancy Pearcey "Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers." —J. Warner Wallace "If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation." —Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics® is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, “Mess with our kids and we will demolish your arguments”? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

When Mama Bear teaches the cubs about the wishing star, Sister Bear immediately wishes as hard as she can for the special teddy she saw in a store window. She's thrilled when her wish comes true on her birthday. But what will happen when she sets her heart on a white pony? In this engaging story of essential lessons, Brother Bear teaches his sister about the magic of the wishing star, and the dangers of being greedy. Beginning readers will learn, along with Sister Bear, about the rewards of hard work.

A fussy eater decides to sample the carrots after her brother convinces her that they are really orange twiglets from Jupiter.

The animals are marching dutifully to school - but not Pascaline. It doesn't matter who is going. She knows exactly what she doesn't want. 'Never, not ever!' she shrieks loudly. So loudly, in fact, that something amazing happens - and it changes everything... Charming and laugh-out-loud funny, this irresistible first-day of school saga is sure to be a repeat read.

"Explore a world where the supernatural is an accepted element of everyday life and the horror is mined from the realities of existing." — New York Public Library Best Books of the Year World Fantasy Award finalist British Fantasy Award finalist Ladies of Horror Fiction Award winner Crawford Award shortlist “Am I dead?” Mebuyen sighs. She was hoping the girl would not ask. Spells and stories, urban legends and immigrant tales: the magic in Isabel Yap’s debut collection jumps right off the page, from the friendship and fear building in “A Canticle for Lost Girls” to the joy in “A Spell for Foolish Hearts” to the terrifying tension of the urban legend “Have You Heard the One About Anamaria Marquez.”

A New York Times Book Review Notable Book of the Year • A New York Times Book Review Editors' Choice • Winner of the Alex Award and the Massachusetts Book Award • Named a Best Book of the Year by NPR, San Francisco Chronicle, Entertainment Weekly, The Huffington Post, BuzzFeed, Grantland Booklist, St. Louis Post-Dispatch, Shelf Awareness, Book Riot, School Library Journal, Bustle, and Time Our New York The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Rhyming text depicts the chaos caused by shouting at the zoo.

A memoir in essays that expands on the viral sensation “The Crane Wife” with a frank and funny look at love, intimacy, and self in the twenty-first century. From friends and lovers to blood family and chosen family, this “elegant masterpiece” (Roxane Gay, New York Times bestselling author of Hunger) asks what more expansive definitions of love might offer us all. A BEST BOOK OF THE YEAR: TIME, THE GUARDIAN, GARDEN & GUN "Hauser builds their life's inventory out of deconstructed personal narratives, resulting in a reading experience that's rich like a complicated dessert—not for wolfing down but for savoring in small bites." —The New York Times “Clever, heartfelt, and wrenching.” —Time “Brilliant.” —Oprah Daily Ten days after calling off their wedding, CJ Hauser went on an expedition to Texas to study the whooping crane. After a week wading through the gulf, they realized they'd almost signed up to live someone else's life. What if you released yourself from traditional narratives of happiness? What if you looked for ways to leave room for the unexpected? In Hauser’s case, this meant dissecting pop culture touchstone, from The Philadelphia Story to The X Files, to learn how not to lose yourself in a relationship. They attended a robot convention, contemplated grief at John Belushi’s gravesite, and officiated a wedding. Most importantly, they mapped the difference between the stories we’re asked to hold versus those we choose to carry. Told with the late-night barstool directness of your wisest, most bighearted friend, The Crane Wife is a book for everyone whose path doesn't look the way they thought it would; for everyone learning to find joy in the not-knowing and to build a new sort of life story, a new sort of family, a new sort of home to live in.

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be.Her best friend's a backstabber. Her worst enemy is a sweetheart. And her dog is just waiting for the right moment to seek his revenge. Why should Jamie even bother going to school? Why not? After a run-in with Mega-Popular Angeline, aka Pure Evil, Jamie reforms her selfish ways &

becomes the decent human being she never thought she could be. But she quickly realizes that helping others kind of stinks. Is someone trying to thwart her attempts at irresistible inner beauty? Or will Jamie finally achieve the "I'm an angel" glow she knows will make Hudson Rivers fall madly in love w/ her?

If you want your startup to succeed, you need to understand why startups fail. “Whether you’re a first-time founder or looking to bring innovation into a corporate environment, Why Startups Fail is essential reading.”—Eric Ries, founder and CEO, LTSE, and New York Times bestselling author of The Lean Startup and The Startup Way Why do startups fail? That question caught Harvard Business School professor Tom Eisenmann by surprise when he realized he couldn’t answer it. So he launched a multiyear research project to find out. In Why Startups Fail, Eisenmann reveals his findings: six distinct patterns that account for the vast majority of startup failures. • Bad Bedfellows. Startup success is thought to rest largely on the founder’s talents and instincts. But the wrong team, investors, or partners can sink a venture just as quickly. • False Starts. In following the oft-cited advice to “fail fast” and to “launch before you’re ready,” founders risk wasting time and capital on the wrong solutions. • False Promises. Success with early adopters can be misleading and give founders unwarranted confidence to expand. • Speed Traps. Despite the pressure to “get big fast,” hypergrowth can spell disaster for even the most promising ventures. • Help Wanted. Rapidly scaling startups need lots of capital and talent, but they can make mistakes that leave them suddenly in short supply of both. • Cascading Miracles. Silicon Valley exhorts entrepreneurs to dream big. But the bigger the vision, the more things that can go wrong. Drawing on fascinating stories of ventures that failed to fulfill their early promise—from a home-furnishings retailer to a concierge dog-walking service, from a dating app to the inventor of a sophisticated social robot, from a fashion brand to a startup deploying a vast network of charging stations for electric vehicles—Eisenmann offers frameworks for detecting when a venture is vulnerable to these patterns, along with a wealth of strategies and tactics for avoiding them. A must-read for founders at any stage of their entrepreneurial journey, Why Startups Fail is not merely a guide to preventing failure but also a roadmap charting the path to startup success.

AN INSTANT #1 NEW YORK TIMES BESTSELLER! Never stop...Never forget...Just remember. Colleen Hoover, the #1 New York Times bestselling author of It Starts with Us joins forces with Tarryn Fisher, the New York Times bestselling author of The Wives. Together, they have created a gripping, twisty, romantic mystery unlike any other. Charlie Wynwood and Silas Nash have been best friends since they could walk. They've been in love since the age of fourteen. But as of this morning...they are complete strangers. Their first kiss, their first fight, the moment they fell in love...every memory has vanished. Now Charlie and Silas must work together to uncover the truth about what happened to them and why. But the more they learn about the couple they used to be...the more they question why they were ever together to begin with. Forgetting is terrifying, but remembering may be worse. Heart-stopping and utterly captivating, the complete Never Never series, now available in one volume, will leave readers breathless and believing in the power of love. Looking for more suspenseful reads? Find out how far one twin will go to uncover where her “good half” has gone in Tarryn Fisher's upcoming novel, Good Half Gone! Can't wait until March--you can read these books now: The Wives The Wrong Family An Honest Lie In the follow-up to I Will Never Not Ever Eat a Tomato, Charlie helps Lola get ready for bed, despite the tigers, whales, and other animals that serve as obstacles.

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

Mais um romance de sucesso. Verity é perturbador, arrepiante e inesperado. Uma experiência inesquecível. Lowen Ashleigh é uma escritora que se debate com grandes dificuldades financeiras, até que aceita uma oferta de trabalho irrecusável: terminar os três últimos volumes da série de sucesso de Verity Crawford, uma autora de renome que ficou incapacitada depois de um terrível acidente. Para poder entrar na cabeça de Verity e estudar as anotações e ideias reunidas ao longo de anos de trabalho, Lowen aceita o convite de Jeremy Crawford, marido da autora, e muda-se temporariamente para a casa deles. Mas o que ela não esperava encontrar no caótico escritório de Verity era a autobiografia inacabada da autora. Ao lê-la, percebe que esta não se destinava a ser partilhada com ninguém. São páginas e páginas de confissões arrepiantes, incluindo as memórias de Verity relativas ao dia da morte da filha. Lowen decide ocultar de Jeremy a existência do manuscrito, sabendo que o seu conteúdo destroçaria aquele pai, já em tão grande sofrimento. Mas, à medida que os sentimentos de Lowen por Jeremy se intensificam, ela apercebe-se de que talvez seja melhor ele ler as palavras escritas por Verity. Afinal de contas, por mais dedicado que Jeremy seja à sua mulher doente, uma verdade tão horrenda faria com que fosse impossível ele continuar a amá-la. Os elogios da crítica: «Aviso: Verity não vai derreter-lhe o coração... Vai incendiar-lhe a alma.» - Kindle Crack Book Reviews «Isto não é um livro, é uma experiência visceral!» - B. B. Easton, autora bestseller

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald’s only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world’s health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents’ large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald’s place in the family spotlight and Ivana’s penchant for regifting to her grandmother’s fre-

quent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Woof! Meet Roy, an adorable white dog who is wild about digging, digging, digging in the dirt! David Shannon's picture books are loved for their endearing characters and laugh-aloud humor, and Roy's charming naughtiness will remind readers of what they love about Shannon's *No, David!*, a best-selling Caldecott Honor Book about a boy with a nose for trouble. Although it's a smelly task for those who have to constantly bathe him, Roy's happiness centers on his very favorite thing—dirt—and from sunrise to sunset, he burrows in it, rolls in it, and digs up buried treasures. There's terror in every terrier, and when Roy runs into the house after being sprayed by a skunk, he faces the dreaded bathtub. Readers will see themselves in Roy's child-like delight each time he makes the biggest mess ever.

The best-selling author of *The Dance of Anger* shares insight into the role of apologies in healing broken connections and restoring trust, sharing compelling case stories and tested theories that explain how to craft a meaningful apology while avoiding choices that deepen original injuries.

"She didn't believe in love until a real-life Peter Pan stole her heart"—Front cover.

Once upon a time there was a little girl called Mabel. A girl who didn't like books. She used them for all sorts of things, from juggling to sledging, but she never looked at the stories inside. Until the books decided they had had enough!

A girl describes the hectic life she leads among the members of her large family, and her search for a little peace and quiet.

At first, Lola does not want her wobbly tooth to ever fall out, but when she learns about the tooth fairy, she wiggles and wobbles her tooth until out it pops! Finally it is time to go to bed—but the tooth has disappeared! Now how will Lola convince the tooth fairy that she really did lose her tooth? Big brother Charlie has just the answer—if Lola has dreams so lovely that she smiles while she sleeps, the tooth fairy will be able to see for herself!

This is a mopeke. Mopeke loves peace and quiet. He is about to find out that you can't always get what you want. Visually brilliant and hysterically funny, Philip Bunting's pictures tell a thousand words, with the support of very sparse, very hilarious, text. This is a book destined to become a classic.

A social psychologist uncovers the psychological basis of the "laziness lie," which originated with the Puritans and has ultimately created blurred boundaries between work and life with modern technologies and offers advice for not succumbing to societal pressure to "do more."

It started with a simple question: How can we help them? It became an international movement called NEGU: Never Ever Give Up. When Jessica Joy Rees was diagnosed with an inoperable brain tumor at age 11, she chose to focus not on herself but on bringing joy and hope to other children suffering from cancer. During the ten months she battled cancer, she and her family worked in the "Joy Factory" (originally their garage) making JoyJars®—packages filled with toys, games, and love for other kids with cancer. Jessie first handed them out personally at the hospital where she was being treated, but the effort blossomed quickly and there were soon thousands of JoyJars® being distributed across the United States and to over fifteen countries. Today, more than 100,000 kids have received JoyJars®, and they continue shipping each week to kids in over 200 children's hospitals and 175 Ronald McDonald Houses. Jessie lost her battle with cancer in January 2012, but her message lives on in the Jessie Rees Foundation, which has become a beacon of hope for families fighting pediatric cancer. Join the movement at negu.org.

This is a story that celebrates the individual. Objects, like people, interact differently to one another and with the world according to their perspective. Big wishes he could be carefree and drift away with the wind like Smalls but he is solid and predictable. Talls are wibbly and wobbly and fall over in the wind. A big gust of wind comes along and threatens to take away Big's new friends so he provides shelter for them with his sturdy shape. Suddenly a wind even stronger and bigger comes along and the Smalls start to drift away. The Talls band together to reach the Smalls and Big finds, for the first time, that he is drifting feely into the wind with the help of his friends. *Never Ever Before* is another fresh and whimsical book by Stephen Michael King. Stephen has subtly paid homage to the surrealist and abstract painters of the 20th century demonstrating how shapes create emotion. It's an out of this world underpants war in this laugh-out-loud picture book from the team that brought you *Monsters Love Underpants*, *Dinosaurs Love Underpants*, and *Pirates Love Underpants*. When aliens crash-land in the jungle, they have no idea that they are about to stumble into the biggest stash of underwear ever. Their happiness knows no bounds since all aliens share a love for zany underpants! But what will happen when the prehistoric owners of the oversized stash turn up?

A hilarious and colorful children's book about a stubborn baby flamingo and her encouraging parents, perfect for fans of *Grumpy Monkey* and *I Don't Want to Be a Frog*. Meet Lola, the "no, no" flamingo. Lola will NOT eat shrimp, thank you very much. She does NOT care that it will turn her feathers pink. It is just plain yucky. But each time Lola sneaks a different food, she changes colors! This funny visual tale will delight even the pickiest of young readers and resonate with parents eager to see their kids try just one bite. This repetitive and charming tale is a good story time pick, and it's also great for toddlers, preschoolers and early readers who may be fussy about certain foods! Don't miss the fun facts about real life flamingos in the back, a cool STEM supplement! Perfect for buyers who want: Great read aloud books like *The Wonky Donkey* and *We Don't Eat Our Classmates* Childrens books about food Flamingo gifts for little girls and boys Picture books about picky eating Toddler books 2 year olds, books for 3 year olds, and kids books ages 4-6 Praise for Fussy Flamingo: "Try it. You'll like it."—Kirkus Reviews

for Good and Evil #6: One True King!

It's the first day of school, and Camilla discovers that she is covered from head to toe in stripes, then polka-dots, and any other pattern spoken aloud! With a little help, she learns the secret of accepting her true self, in spite of her peculiar ailment.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Charlie and Lola are planning to put on a circus show, but their plans are cut short when Charlie breaks his arm. Not only is Lola worried because Charlie has hurt himself but also because he is feeling a bit sad. Can Lola find a way to cheer him up?

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." —Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." —Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

"The Hollywood memoir that tells all . . . Sex. Drugs. Greed. Why, it sounds just like a movie."—The New York Times Every memoir claims to bare it all, but Julia Phillips's actually does. This is an addictive, gloves-off exposé from the producer of the classic films *The Sting*, *Taxi Driver*, and *Close Encounters of the Third Kind*—and the first woman ever to win an Academy Award for Best Picture—who made her name in Hollywood during the halcyon seventies and the yuppiefest eighties and lived to tell the tale. Wickedly funny and surprisingly moving, *You'll Never Eat Lunch in This Town Again* takes you on a trip through the dream-manufacturing capital of the world and into the vortex of drug addiction and rehab on the arm of one

who saw it all, did it all, and took her leave. Praise for You'll Never Eat Lunch in This Town Again "One of the most honest books ever written about one of the most dishonest towns ever created."—The Boston Globe "Gossip too hot for even the National Enquirer . . . Julia Phillips is not so much Hollywood's Boswell as its Dante."—Los Angeles Magazine "A blistering look at La La Land."—USA Today "One of the nastiest, tastiest tell-alls in showbiz history."—People

Traditional Chinese edition of I Will Never Not Ever Eat a Tomato (Charlie and Lola). Charlie used his imagination to turn Lola - the finicky eater - into trying something fantastic. Distributed by Tsai Fong Books, Inc.

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the

field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.
