DCUV73 - LESTER SANCHEZ

The serial number of each vehicle is printed on a bar code decal mounted either below the passenger side cup holder or above the accelerator or brake pedal (Example: PH0901-123456, as shown, or F9901123456).

This Trane (American Standard) style began use in 2002. It consists of at least 4 digits at the beginning of the serial number. The remaining characters (sequence) can be any combination of letters or numbers. It is still found in use under the Trane, American Standard, and Ingersoll Rand brand names to name a few.
