iPhone 4 Screen Replacement Disassembly and Reassembly - FULL WALK-THROUGH ... iPhone 4 battery ... iPhone X Teardown Repair Guide - Fixez.com - Duration: ...

The iPhone 5 practically flew apart under our nimble spudgers once we got it on the operating table. Good news for all the phone droppers out there: the front glass/display is the first thing that comes off the iPhone 5! Replacing a cracked front panel is significantly easier than the iPhone 4/4S.

Chipworks' in-depth analysis of the iPhone 4's components. TOOLS: P2 Pentalobe Screwdriver iPhone (1) The iPhone 4 originally shipped with Phillips #00 screws on its outer case, but a hardware update later changed them to Pentalobe screws. Phillips #000 Screwdriver (1) iFix-it Opening Tools (1) iPhone 4 Teardown Guide ID: 3130 -Draft: 2017-03-15

If you have an AT&T/GSM iPhone 4 that's showing it's age and exhibiting some hardware issues, and you don't have the benefit of AppleCare or insurance, we can help you give it some love and get it back in working order. Whether it's time to replace that problem battery, fix that cracked screen, or get that broken Home

button back in working order, iMore will help you get the longest...

iPhone 4S-Disassemble Guide There is a cover over the battery connector. To disconnect the cover, locate and remove the one Phillips screw (#00) that secures it in place. • When the screw is removed, use the spudger to gently pry up the connection releasing it from the motherboard.

The iPhone 4's design is a dramatic departure from the aluminum and plastic drenched days that have plagued the iPhone in the past. The rugged stainless steel bezels around the iPhone 4's perimeter double as both structural supports and antennas to boost reception. Only time will tell if they absorb shock as poorly as the iPhone 3GS.

How to disassemble the iPhone 4 and put it back together again in another color ... iPhone 4 Complete Disassembly and Rebuild Repair Guide ... iPhone 4 Complete Disassembly - Duration: ...

Step 1 — iPhone 4 Verizon Teardown The iPhone 4 is finally on Verizon! We didn't try making a call, but we hear that this phone does make and maintain "complete calls." On the back, Apple's removed the visual warning to not throw your iPhone 4 in the trash. These logos tend to relate to non US countries. The

"recycling bin" logo, for example, is for the
