New rules for judicial review in Scotland | Shepherd and ...

Background to judicial review in Scotland. Judicial review represents the means by which the courts control the exercise of governmental power. Judicial review has developed to ensure that public bodies, which exercise law-making or adjudicatory powers, are kept within the confines of the power

conferred.

Judicial review is a specialised type of court procedure that can be used to challenge the way in which a public organisation (such as your local council) has made a decision that affects you. It's a way of supervising public bodies to make sure they're acting within their legal powers and that they have proper procedures in place to deal with people fairly and openly.
