An intense Regency romance which brings to mind hints of Jane Eyre, Ethan Frome, and First Knight, Julie Klassen's *Lady Maybe* held me captive from word one. This story of riveting secrets, love... polygons (too complicated for a simple triangle lol), and colorful characters reminds us of the power of our choices - past, present, and future.

Lady Maybe I worked on this novel over a few years, in between other projects. In 2011, my husband and I visited the Arlington Court Carriage Museum. There, I asked question after question of the helpful volunteer guides and learned the difference between a landau, barouche, traveling chariot, town coach, gig, chaise, and more.
