The 11th edition of Lippincott's Q&A Review for NCLEX-RN provides the highest-quality practice questions, detailed rationales, and preparation strategies needed to succeed on the NCLEX-RN® examination. This revised reprint has been updated to ensure that content will help both U.S. and Canadian students to succeed on the licensure examination, with enhanced laboratory values, medication information, and diversity representation. The practice tests are organized into four major content areas: obstetrics, pediatrics, medical-surgical, and mental health nursing, and are followed by 6 comprehensive tests with a random selection of questions from all content areas. Other features include rationales for both incorrect and correct answers choices, all the types of alternate-format questions found on the NCLEX, an overview of the licensing examination, test-taking strategies for each question format, and study tips, including instructions for creating a personal study plan.

Avoid the stress of NCLEX® prep and ensure exam success with ease. Endorsed by the NSNA, Lippincott® Q&A Review for NCLEX-RN®, 14th Edition, delivers unrivaled NCLEX® practice and proven ex-

am results with thousands of review questions informed by real performance data from students like you via Lippincott's award-winning PrepU adaptive learning platform. Reflecting the content and alignment of the latest NCSBN test plan—including new Next Generation NCLEX® questions—the 14th Edition of this bestselling NCLEX® Q&A review helps you build the critical thinking and clinical judgment skills to excel on your licensure exams and gain the confidence for success from test day to your first day of nursing practice—and beyond.

This study guide makes NCLEX review more interesting, enjoyable, and concise. Every area of nursing is completely reviewed, including adult care, pediatric care, and professional issues. The accompanying e-learning download offers 3,250 additional practice questions.

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205

questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.

This newly expanded 5th edition of Lippincott's Alternate-Format Questions has everything you need to be fully prepared to answer every type of question you will encounter on the NCLEX. More than 350 questions include multiple response questions, drag-and-drop questions, hotspot questions, audio questions, chart questions, graphic option questions, and fill-in-the blank questions. Also includes a comprehensive test with an additional 150 questions. The rationale are clear and detailed and cover correct as well as incorrect answers. In this new edition, the test-taking strategies are expanded, to help you dissect each question to its core components and provide keys to choosing the right answer. Covers all the topics covered on the exam."

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any

other NCLEX-RN review and includes more pharmacology-related questions. Face the demands of the emergency nursing certification exam (CEN) with the self-assurance that only the right kind of preparation can bring, with the newly updated Lippincott® Q&A Certification Review, 3rd Edition. This ideal study guide offers 175 multiple-choice questions, divided evenly among body systems and written in the same style and similar content as those created by the Board of Certification for Emergency Nursing (B-CEN). Offering end-of-chapter answers and rationales plus two end-of-book practice exams, this is the optimal study guide for all RNs preparing for the CEN exam.

Lippincott's Illustrated Q&A Review of Biochemistry offers up-to-date, clinically relevant board-style questions—perfect for course review and board prep! Approximately 400 multiple-choice questions with detailed answer explanations cover frequently tested topics in biochemistry, including introductory human genetics, cancer biology, and molecular biology. The book is heavily illustrated with photos or pathway diagrams in the question or answer explanation. Online access to the questions and answers provides flexible study options. Over 200 bonus recall-style questions are also included online!

Completely revised to meet the latest Board of Nurse Examiners criteria for the NCLEX-RN®, this review book contains over 3,500 questions and answers with rationales covering all areas included on the exam. Two substantially updated introductory chapters discuss studying and test-taking strategies and describe the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, and care of the

child, plus chapters on leadership and management and law and ethics. Six 75-question comprehensive tests appear at the end of the book. This Third Edition also includes nearly 100 new alternate-format questions.

NCLEX-RN(r) Review Made Incredibly Easy! Fifth Edition uses the well-known Incredibly Easy! approach to make NCLEX review more interesting and effective. Fully revised and updated to match the latest NCLEX-RN(r) test plan, this title provides solid clinical information and clear rationales written in a conversational, easy-to-understand manner with wealth of unique memory aids to assist with knowledge retention. It covers every area of nursing that students will see on the NCLEX exam, including adult care, pediatric care, maternal-neonatal care, psychiatric care, and professional issues. Critical thinking questions accompany each chapter and each section, and an additional 3,250 challenging NCLEX-style practice questions, including audio questions and graphic option questions, are offered online. This is the tablet version of NCLEX-RN(r) Review Made Incredibly Easy! which does not include access to the supplemental content mentioned in the

Lippincott Review: Pediatric Nursing is an outline-format, inexpensive, paperback review book for undergraduate nursing students that can be used for course or subject review or NCLEX preparation. Contains NCLEX-style review questions in each chapter, a comprehensive exam, and additional questions on a back-of-book CD-ROM. This edition includes new NCLEX-style innovative item questions.

The most popular Q&A review for the NCLEX-PN is now fully revised and updated to the NCLEX-PN 2011 test plan. In addition to adding the new Graphic Option

questions and Audio Questions, the Ninth Edition also includes a "Test-Taking Strategy" for each question to help students break down the question to its core components in order to identify the correct answer. A CD contains all the book's questions in an interactive format, with features for both test-taking mode and review mode.

Lippincott's Content Review for NCLEX-RN® provides comprehensive content and Q&A review for effective, efficient NCLEX-RN preparation. Written by Diane Billings, Ed.D, RN, FAAN, a nationally recognized test-item writer whose NCLEX preparation books have helped thousands of students pass the exam, it is a perfect companion to the best-selling Lippincott's Q&A Review for NCLEX-RN®, 10th edition and the new Lippincott's NCLEX-RN 10,000 - Powered by PrepU online adaptive quizzing resource for a complete approach to NCLEX study. Organized both by Nursing Topic and Client Needs categories and offering in-depth coverage of nursing topics often tested on the exam, this comprehensive resource offers:

- An NCLEX overview plus thorough content review in outline format
- Test-taking strategies to help you better prepare for the exam
- Three 100-question post-tests to help you gauge your understanding of important nursing topics
- More than 3,000 high-level practice questions, including alternate-format questions, with a detailed rationale for all correct and incorrect responses.
- A free back-of-book CD-ROM contains additional review questions to complement the text questions
- Student resources - study tips, an NCLEX tutorial and much more are available on thePoint.com

The newly updated Eighth Edition of the top-selling NCLEX-RN(R) review is available in PDA format for easy study on the

go. This edition reflects the current NCLEX(R) test plan and contains more than 5,000 total test questions—including alternate-format questions—to help students practice taking the exam. Organized by practice area—childbearing family and neonate, child health, adult medical-surgical, and psychiatric-mental health—this PDA program contains more questions than any other NCLEX-RN(R) review, and explains the rationale for correct and incorrect answers. Five comprehensive tests resembling the format of the NCLEX-RN(R) are also included. Platform: Palm OS, Windows CE, and Pocket PC handheld devices

Lippincott Fast Facts for NCLEX-RN, 2nd edition is a quick and easy review for nursing students to prepare for the licensing examination. Thousands of facts in this resource cover all aspects of nursing care. Each up-to-date fact has been thoroughly reviewed for validity, conciseness, and alignment with the 2016 NCSBN NCLEX-RN test plan. Content, features, and functionality of the resource are aligned with PassPoint RN, making this an ideal print-electronic study package.

NCLEX-RN® Review Made Incredibly Easy! Fifth Edition uses the well-known Incredibly Easy! approach to make NCLEX review more interesting and effective. Fully revised and updated to match the latest NCLEX-RN® test plan, this title provides solid clinical information and clear rationales written in a conversational, easy-to-understand manner with wealth of unique memory aids to assist with knowledge retention. It covers every area of nursing that students will see on the NCLEX exam, including adult care, pediatric care, maternal-neonatal care, psychiatric care, and professional issues. Critical thinking questions accompany each chapter and each section, and

an additional 3,250 challenging NCLEX-style practice questions, including audio questions and graphic option questions, are offered online.

Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam.

Lippincott Review for NCLEX-PN , 12E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. This comprehensive NCLEX® review pro-

gram is designed for individual student NCLEX® review. The popular NCLEX® 4000 study software provides more than 4,000 NCLEX®-quality review questions covering all 29 topics in five major content areas, including fundamentals, pediatrics, psychiatric-mental health, maternal-neonatal, and medical-surgical nursing. The software delivers NCLEX®-style multiple-choice questions and alternate-format questions. Three study modes—pretest, review, and test—give correct and incorrect answers with rationales and new supporting references. NCLEX® 4000 includes important new questions on prioritizing and delegation, a key topic on the NCLEX® exam. Updated to reflect the National Council of State Boards of Nursing's latest test plan, including all forms of alternate-format questions.

The perfect study guide for the emergency nursing certification exam (CEN), this new edition contains over 1,600 questions, answers, and rationales in an easy-to-use two-column format—questions in the left column, correct answers and rationales in the right. The format closely follows the actual CEN exam blueprint. In addition to Q&A, the book also provides test-taking tips and strategies and an extensive appendix with commonly encountered cardiac arrhythmias, ECGs, life-support drugs, and triage assessment principles. The Point offers 400 additional Q&A in both review and self-test modes.

Confidently provide best practices in patient care, with the newly updated Lippincott® Nursing Procedures, 9th Edition. More than 400 entries offer detailed, evidence-based guidance on procedures ranging from the most basic patient care to assisting with intricate surgeries. The alphabetical organization allows you to quickly look up any procedure by name,

and benefit from the clear, concise, step-by-step direction of nursing experts. Whether you're a nursing student, are new to nursing, or are a seasoned practitioner, this is your go-to guide to the latest in expert care and positive outcomes.

NCLEX-RN®: 6 Comprehensive Tests Made Incredibly Easy! provides six challenging NCLEX® practice exams, each containing 75 questions. This unique practice exam resource covers all areas of nursing included in the latest NCLEX test plan, and includes detailed rationales, client needs, and cognitive levels for all practice tests. Complete rationales are provided for all correct and incorrect responses, so students understand exactly why an answer is correct. The book also includes explanations of the exam structure, studying and test-taking tips, strategies (including Nursing Process), and information to help international students and graduate nurses pass the exam.

needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the-blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan

and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

Lippincott Certification Review: Pediatric Acute Care Nurse Practitioner is the ideal companion while preparing for the Acute Care CPNP® exam administered by the Pediatric Nursing Certification Review Board, or for anyone who seeks to perform at a higher level of practice for children who are acutely, chronically, and critically ill. Organized in a simple, bulleted format, this invaluable resource includes multiple choice self-assessment questions with rationales at the end of every chapter, plus two self-assessment exams with rationales – totaling more than 750 questions. Content focuses on the diagnosis and management of pediatric acute care problems typically treated in the emergency department or an inpatient setting.

Assure your mastery of medical-surgical nursing knowledge while honing your critical thinking and test-taking skills. The 3rd Edition of this popular resource features over 2,300 questions (including 550 alternate-format questions) that reflect the latest advances in medical-surgical nursing and the latest NCLEX-RN® test plan. They organize the seemingly huge volume of information you must master into manageable sections divided by body systems and specific diseases

The 11th edition of Lippincott's Q&A Review for NCLEX-RN provides the highest-quality practice questions, detailed rationales, and preparation strategies needed to succeed on the NCLEX-RN® examination. This revised reprint has been updated to ensure that content will

help both U.S. and Canadian students to succeed on the licensure examination, with enhanced laboratory values, medication information, and diversity representation. The practice tests are organized into four major content areas: obstetrics, pediatrics, medical-surgical, and mental health nursing, and are followed by 6 comprehensive tests with a random selection of questions from all content areas. Other features include rationales for both incorrect and correct answers choices, all the types of alternate-format questions found on the NCLEX, an overview of the licensing examination, test-taking strategies for each question format, and study tips, including instructions for creating a personal study plan. In addition, there is a CD-ROM containing questions that allow students to practice test-taking skills in both a study and review mode, as well as student and instructor resources on thePoint.

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the-blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Coun-

cil of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

Current, comprehensive, and written in a conversational, easy-to-read style, Lippincott Textbook for Nursing Assistants: A Humanistic Approach to Caregiving, 6th Edition, makes essential skills approachable and prepares students to deliver confident, compassionate care throughout their healthcare careers. This updated, streamlined 6th edition distills the must-know information students need for success as nursing assistants with a human-centered perspective, and guides students through the clinical decision-making process behind safe, effective clinical outcomes across today's healthcare landscape.

The second edition of NCLEX-RN Questions & Answers Made Incredibly Easy! is a completely updated NCLEX review book. Over 3,500 questions and answers with rationales are included. The book is divided into six parts: Part 1 provides studying and test-taking strategies for the test itself. Parts 2-6 cover adult care,

psychiatric care, maternal-neonatal care, pediatric care, and professional issues. The professional issues section is new to this edition, and includes chapters on management, leadership, and legal and ethical issues. Six comprehensive sample tests with 75 questions each are also included. The book continues the light-hearted approach of the Incredibly Easy! Series™, and familiar cartoon characters from the series provide support for the reader and point out vital information.

Lippincott's Fast Facts for NCLEX-RN is a targeted study tool providing 5,000 essential nursing facts for review for the NCLEX-RN exam. Arranged in a bullet point format for fast and easy review, these essential nuggets of information are organized around the major subject areas on the exam: adult health, maternal-neonatal nursing, pediatric nursing, psychiatric nursing, pharmacology, and management of care. The number of nursing facts and concise presentation are perfect for testing yourself on critical information needed to pass the exam. With an appendix providing study tips, test-taking strategies and other insider information, you can test your knowledge, study more efficiently, and approach the exam with confidence.
