Lonely Planet: The world's leading travel guide publisher. Lonely Planet Slovenia is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Stroll the leafy streets of Ljubljana, dive into the great outdoors at Lake Bled or sip some of the world's best Merlot in Vipava -all with your trusted travel companion.

Welcome to Lake Bled. Yes, it's every bit as lovely in real life. With its bluish-green lake, picture-postcard church on an islet, a medieval castle clinging to a rocky cliff and some of the highest peaks of the Julian Alps and the Karavanke as backdrops, Bled is Slovenia's most popular resort, drawing everyone from honeymooners lured by the over-the-top romantic setting to backpackers, who come for the hiking, biking, water-sports and canyoning possibilities.

Soča Valley's de facto capital, Bovec offers plenty for adventure-sports enthusiasts. With the Julian Alps above, the Soča River below and Triglav National Park all around, you could spend a week here rafting, hiking, kayaking, mountain biking and, in winter, skiing, without ever doing the same thing twice. It's beautiful country and Bovec's a pleasant town in which to base yourself for these activities.
