The Barber Instructor Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: interpersonal and communication skills; personal hygiene; sanitation; tools and equipment; fundamentals of hair cutting and styling; and more.

Milady's Master Educator, Third Edition provides the backbone of the instructor theory for the beauty and wellness educator. The text presents educators with the teaching skills and educational judgments necessary to become an effective and successful instructor. The content in Master Educator is designed for flexibility, being used in programs ranging from a basic overview of instructor training to programs that require more advanced teaching techniques. Presented in a conversational, easy-to-understand style, it uses many pedagogical features to emphasize important information and powerful teaching techniques. Master Educator serves the future instructor as a valuable, fundamental learning tool, and the seasoned instructor with the strategies needed to adapt to the changing landscape of classroom learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Fluids and Electrolytes with Clinical Applications: A Programmed Approach puts you in control of your learning experience. The self-paced, programmed approach makes learning and mastering difficult concepts simple and straightforward. The eighth edition provides a comprehensive survey of fluid, electrolyte, and acid-base imbalance concepts from the functions and movement of body fluids to intravenous solutions. Important Notice: Media content referenced within the product description or the product text

may not be available in the ebook version.

Provides questions and answers similar to what is found on state licensing exams in cosmetology.

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Step-by-step technicals: Photos and accompanying text help students visualize procedures as they move through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. Hypothetical scenarios require students to use decision making skills mastered in that chapter. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark

beside any step that calls for specific safety precautions. This indicates an ideal moment to check on a client's comfort level. - Publisher.

For decades, Milady has been known as the premier source for beauty and wellness education. Now we have taken that reputation one step further with the brand-new Milady Standard Makeup. This cutting-edge addition to the Milady Standard offerings is aimed at anyone and everyone with a passion and desire for becoming a makeup artist or working in the world of makeup. Milady Standard Makeup is a full-color text, packed with more than 800 photos and illustrations, covering everything from anatomy and physiology to color theory, product types and tools. Step-by-step procedures lead the reader through various looks including bridal, prom, and high-fashion applications. Readers will also learn how to create natural looks and deal with particular skin types such as mature and acne-prone skin. Milady Standard Makeup is destined to establish itself as the foundational textbook in its field, essential for every makeup artist with an eye towards success in this rapidly expanding and dynamic industry. the ebook version.

Milady Standard Nail Technology, 7th Edition is packed with new and updated information on several important topics including infection control, manicuring, pedicuring, chemistry, UV gels, and the salon business. Brand new procedural photography enhances step-by-step instructions for the student. Also included, is a new "Why Study?" section at the beginning of each chapter, outlining the importance of understanding the concepts presented. Chapter objectives have also been revised to provide students and instructors with measureable, outcomes-based goals that can later be assessed using the end-of-chapter review questions. This latest edition of Milady Standard Nail Technology gives the aspiring nail technician the tools they need to launch themselves into a rewarding and successful career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady's Professional Barber-Styling Workbook has been written to meet the needs, interests and abilities of students receiving training in barber-styling. The workbook should be used together with Milady's Standard Textbook of Professional Barber-Styling. The workbook follows the content found in the student workbook. Students are to answer each item in the workbook with pencil after consulting their textbook for correct information. Items can be covered and/or rated during class or individual discussions, or on an independent study basis. The workbook provides detailed, interactive exercises including: fill in the blanks, word review exercises, matching tests, multiple choice tests, and reviews designed to help students learn practical procedures and eliminate faulty practices. "Word reviews" are used as study guides, for class discussions or for the teacher to assign groups of words to be used by the students in creative essays. These various tests are included to emphasize essential facts found in the textbook and to measure the student's progress.

This book presents a review of the material contained in the textbook. It employs multiple choice questions, a form of examination that has been widely adopted by the majority of state boards and sponsors of nationally distributed tests. A valuable aid to students as they prepare for their licensing exams, whether state or national.

Congratulations! You are about to start on a journey that can take you in many directions and holds the potential to make you a

confident, successful professional in cosmetology. As a cosmetologist, you will become a trusted professional, the person your clients rely on to provide them with ongoing service, enabling them to look and feel their best. You will become as personally involved in your clients' lives as their physicians or dentists are, and with study and practice, you can be as much in demand as a well-regarded medical provider. - Preface.

Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a

complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

"The purpose of this book it to assist barbering students in their preparation for state board examinations. The contents of this book mirror the changes and updates reflected in the 5th edition of Milady's Standard Professional Barbering textbook and serve to provide examination candidates with an overall review of the material therein. This material review is presented in a multiple-choice test format, which represents the standard examination form adopted by the majority of states barber boards for written and computer-based examinations." --Foreword.

3rd Edition 3-book set (textbook, study guide and exam prep)

Milady's Standard Professional Barbering brings you the latest in men's haircutting and styling. Designed to help prepare for a successful career in the professional market, this text boasts full-color photos and illustrations that provide better clarity of procedures and accurate visual representations. Procedure photos for mannequin and model work are included to show step-by-step procedures for practice and actual hands-on services, and more ethnic cuts and procedures demonstrate the diversity and application of barbering techniques. New to this edition are chapter key terms and chapter glossaries, which reinforce important terminology and concepts and provide students with easy access to definitions. The new material on the history of the barbering profession and updated material in the science areas make this resource the most interesting and current available for the professional barber.
