### ELB76U - KEENAN MATHEWS

---

Clear off, man. This is your last warning. Drake used his trained voice to advantage, projecting to the drunk who'd seemed to give up the fight suddenly. The man's jaw went slack and his eyes grew round with fear as he stumbled away. Drake smiled in satisfaction as the drunk let the Guardswoman be. He felt smug as the woman turned to him, a trace of annoyed respect on her face. Then her eyes widened as she stepped forward. Drake didn't quite understand why he apparently looked particularly fearsome tonight, but he wasn't asking questions. Whatever it was about him had scared off one ruffian and had the little Guardswoman looking at him with new respect as she moved closer. Moving closer was good. It was, in fact, much better than having her move away. He wanted to get much closer to her before the night was through. She stopped a few yards from him and raised her gaze upwards as Drake's stomach sank. What a fool he'd been! "Friend of yours?" Her eyes lit with humor as she stared at a spot well above his head. Drake followed the woman's gaze upward though he could very well guess what he'd find waiting over his shoulder or rather who. "Jenet." He tried to inject sternness into the thoughts he projected to the dragon, but it was no use. "I thought we agreed I could handle this night's work on my own." "You said that nonsense, but I never agreed."

His memories only go as far back to his days slaying starved beasts and mad men in a dark pit, but soon after he's sold to a criminal syndicate, Mercer gains a chance to avenge the life he lost. Helping him take advantage of the opportunity is an enchanted longsword he finds deep within a mountain, whose power links to that of an ancient dragon. If Mercer hopes to achieve retribution against his formidable foes, he must become something not seen in centuries—a dragon knight.

Through no fault of his own, the once human Jim Eckert had become a dragon. Unfortunately, his beloved Angie had remained human. But in this magical land anything could happen. To make matter worse, Angie had been taken prisoner by an evil dragon and was held captive in the impenetrable Loathly Tower. So in this land where humans were edible and beasts were magical—where spells worked and logic didn't—Jim Eckert had a big, strange problem.

The attraction was undeniable, but their timing was atrocious. Wil and Mandy are both keeping secrets. Wil's is supernatural, Mandy's is more down to earth, but no less devastating. When undeniable attraction is thwarted by sinister attacks and ghosts from Mandy's past, they must leave the mountain that was Wil's childhood home. Will the fire within burn them all to cinders? Years ago, Drake left everything behind for a life in the shadows. While it broke his heart to leave his grieving dragon behind, serving his land as head of a network of spies suited him better. Far better than never quite measuring up to Mace, the "perfect" knight his father wished he could have been. Mace has always done his duty. Drake, his childhood friend and rival, had been the charmer who effortlessly stole every woman who caught Mace's eye. Some things never change—not one day back in town, and Drake's already putting the moves on Krysta, the woman Mace has been courting. The three of them take on the dangerous task of rescuing a kidnapped prince. Each day that passes on their perilous journey, Krysta sinks deeper into the complicated relationship between the two men and their meddling, matchmaking dragons. Mace is clearly the safer choice as a mate, yet Drake tantalizes her with that unpredictable gleam in his eye. When the three of them come together, any sense of torn loyalty burns away in their fiery passion. The safety of the stolen prince hanging in the balance, Krysta accepts the challenge to unite two strong men—and their dragons—into a real family. Note: Features an intensely magical ménage between two former rivals and a woman bold enough to take them on. Heated bickering and explosive love scenes may cause your senses to ignite. This is your last warning. Drake used his trained voice to advantage, projecting to the drunk who'd seemed to give up the fight suddenly. The man's jaw went slack and his eyes grew round

with fear as he stumbled away. Drake smiled in satisfaction as the drunk let the Guardswoman be. He felt smug as the woman turned to him, a trace of annoyed respect on her face. Then her eyes widened as she stepped forward. Drake didn't quite understand why he apparently looked particularly fearsome tonight, but he wasn't asking questions. Whatever it was about him had scared off one ruffian and had the little Guardswoman looking at him with new respect as she moved closer. Moving closer was good. It was, in fact, much better than having her move away. He wanted to get much closer to her before the night was through. She stopped a few yards from him and raised her gaze upwards as Drake's stomach sank. What a fool he'd been! "Friend of yours?" Her eyes lit with humor as she stared at a spot well above his head. Drake followed the woman's gaze upward though he could very well guess what he'd find waiting over his shoulder or rather who. "Jenet." He tried to inject sternness into the thoughts he projected to the dragon, but it was no use. "I thought we agreed I could handle this night's work on my own." "You said that nonsense, but I never agreed." For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Introduces medieval knighthood and the process of becoming a knight, and describes the weapons, armor, and castles of the time.

The powerful poems in this poignant collection weave together multiple voices to tell the story of the March on Washington, DC, in 1963. From the woman singing through a terrifying bus ride to DC, to the teenager who came partly because his father told him, "Don't you dare go to that march," to the young child riding above the crowd on her father's shoulders, each voice brings a unique perspective to this tale. As the characters tell their personal stories of this historic day, their chorus plunges readers into the experience of being at the march—walking shoulder-to-shoulder with strangers, hearing Martin Luther King Jr.'s famous speech, heading home inspired.

One dragon to play matchmaker...two knights to serve a lady's every pleasure. When the call to arms goes out, the dragon Golgorath is the first to take to the skies. Until he finds a knight to equal his heart and fighting skill, Rath flies alone while his mate must wait for her knight, Thorn, to climb on her back. The battleground is a familiar one, an old keep, a noble house without a patriarch, under attack from the evil, snake-like skiths. Lady Cara can fight, but knows better than to try to lead men. With her brother wounded, she relies on her new Master at Arms, Tristan. He is a mysterious, recklessly brave foreigner who can never be hers, as she is to be married off to the highest bidder. Amidst the battle, Rath spies the warrior doing the impossible—slaying a skith single-handed. Rath realizes fate may have just stepped in to help both dragons and men. In Tristan, Rath sees a man worthy of being his knight and, together with Thorn, win Lady Cara's heart into a triad of love. If Tristan's loyalties can first be won by dragonkind. Note: When two dragons really want something, it's best not to stand in their way. And when their knights are focused on a single woman, nothing and no one will stop them from getting what they want. Beware! This trio gets up to all kinds of naughtiness in the pursuit of true love. The Dragon Knights series consists of: Daughters of the Dragon 1. Maiden Flight 2. Border Lair 3. The Ice Dragon 4.
