The New York Times bestselling author of *Electric Idol* delivers a smoking hot series about the O'Malley family--wealthy, powerful, dangerous and seething with scandal. Teague O'Malley hates pretty much everything associated with his family's name. And when his father orders him to marry Callista Sheridan to create a "business" alliance, Teague's ready to tell his dad exactly where he can stuff his millions. But then Teague actually meets his new fiancée, sees the bruises on her neck and the fight still left in her big blue eyes, and vows he will do everything in his power to protect her. Everyone knows the O'Malleys have a dangerous reputation. But Callie wasn't aware just what that meant until she saw Teague, the embodiment of lethal grace and coiled power. His slightest touch sizzles through her. But the closer they get, the more trouble they're in. Because Callie's keeping a dark secret--and what Teague doesn't know could get him killed.

One of the New York Times' most popular journalists presents groundbreaking scientific news about marriage. And, surprise: It's good news. We've all heard the statistic: Fifty percent of marriages end in divorce. It's enough to make many couples give up when the going gets rough, thinking that's what everybody else does. But what if it weren't true? What if, in fact, it's not only possible but often easier than you think to save a seemingly troubled relationship? These are the questions Tara Parker-Pope asked herself after her own divorce. An investigative journalist on the health and wellness beat, she turned to some of the top biologists, neuroscientists, psychologists, and other scientists for the facts about marriage and divorce. Those facts were more positive and provocative than she'd ever expected, and *For Better* offers page after page of astonishing, eye-opening good news. Parker-Pope presents the science behind why some marriages work and others don't; the biology behind why some spouses cheat and others remain faithful; the best diagnostic tools created by the most cutting-edge psychologists to assess the probability of success in getting married, staying married, or remarrying. There are questionnaires to uncover potentially damaging hidden attitudes toward spouses. There are tools to show the impact of routine, fresh activity and how small adjustments can make a huge difference. Tara Parker-Pope's genius is for exploring the science behind the big issues that affect our lives every day and translating that science into advice that we can use every day. *For Better* is the definitive guide to the most profound relationship of our lives.

In the long-awaited follow-up to her groundbreaking, million-copy bestseller *The Proper Care and Feeding of Husbands*, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity; what the best ways to relate, caretaker, and nurture each other are; and how to bring a marriage back from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive.

"The most crucial relationship advice book since *Men Are from Mars*."—Erin Meanley, *Glamour.com*  
A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter *Talk to Me Like I'm Someone You Love*. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, "Talk to me like I'm someone you love," and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include:

- Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?"
- Apologizing: "I know I've really hurt you. What can I do to help you trust me again?"
- Loving: "You are precious, and I get that I haven't been treating you like you are." A one-of-a-kind, practical relationship tool, *Talk to Me Like I'm Someone You Love* will help couples to stop arguing and begin healing.

From New York Times bestselling author Mary Balogh comes the first installment of the beloved Bedwyn saga. Meet the Bedwyns: six brothers and sisters—men and women of passion and privilege, daring and sensuality. Enter their dazzling world of high society and breathtaking seduction, where each will seek love, fight temptation, and court scandal—and where Aidan Bedwyn, the marriage-shy second son, discovers that matrimony may be the most seductive act of all. Like all the Bedwyn men, Aidan has a reputation for cool arrogance. But this proud nobleman also possesses a loyal, passionate heart—and it is this fierce loyalty that has brought Colonel Lord Aidan to Ringwood Manor to honor a dying soldier's request. Having promised to comfort and protect the man's sister, Aidan never expected to find a headstrong, fiercely independent woman who wants no part of his protection—nor did he expect the feelings this beguiling creature would ignite in his guarded heart. And when a relative threatens to turn Eve out of her home, Aidan gallantly makes her an offer she can't refuse: marry him, if only to save her home. And now, as all of London breathlessly awaits the unveiling of the Lady Aidan Bedwyn, the strangest thing happens: With one touch, one searing embrace, Aidan and Eve's "business arrangement" is about to be transformed—into something slightly surprising.
