Ideal for classroom use and self study.The World Is Flat [Further Updated and Expanded; Release 3.0]A Brief History of the Twenty-first CenturyMacmillanThis new edition of Friedman's landmark book explains the flattening of the world better than ever- and takes a new measure of the effects of this change on each of us.Language in International BusinessDeveloping a FieldSpringer-Tracing the treatment of language in international business as represented in the Journal of International Business Studies, this seminal collection critically explores the conceptualizations of language

that have been adopted or ignored by international business scholars over the years and showcases nine articles that have played an important role in establishing and advancing the field. In today's increasingly globalized context of business, significantly richer theories from interdisciplinary perspectives are needed to explain the complexity of the interplay between multiple facets of language and how they affect day-to-day operations. With insights from linguistics, psychology and organizational theory, Language in International Business provides an assessment of scholarly efforts to uncover the profound impact that language has on global business today and proposes some important ways in which this nascent field of language in international business may be further advanced. Chapter 9 is licensed under a Creative Commons Attribution NonCommercial-NoDerivs 3.0 Unported License. The Journal of International Business Studies (JIBS) is an official publication of the Academy of International Business and is the top-ranked journal in the field of international business. The goal of JIBS is to publish insightful, innovative and impactful research on international business. JIBS is multidisciplinary in scope and interdisciplinary in content and methodology. For more information, visit www.jibs.net. The Academy of International Business (AIB) is the leading association of scholars and specialists in the field of international business. A global community of scholars and researchers for the creation and dissemination of knowledge about international business and policy issues, the AIB transcends the boundaries of single academic disciplines and managerial functions to enhance business education and practice. Several perspectives are explored, including the individual, the firmDynamics of International Business: Asia-Pacific Business CasesCambridge University PressDynamics of International Business: Asia-Pacific Business Cases brings the challenges and complexities of the contemporary international business environment into the classroom. These authentic case studies, based on recent research and events, enable students to engage with the economic, social, political and intercultural factors that impact on international business and understand how these factors are addressed in the real world. Designed to facilitate a problem-based learning approach, the cases in this book: • draw on a diverse range of businesses and industries - from seafood to video games to renewable energy • illustrate fundamental themes and concerns within global business, including ethics, sustainability, emerging markets and cultural and legal differences • span many countries across the Asia-Pacific region • include discussion questions that encourage students to apply international business theory in the context of realistic scenarios • include references and suggestions for further reading. Extra resources for instructors, including case synopses and learning objectives, are available on the companion website at www.cambridge.edu.au/academic/internationalbusiness.The Culture MapBreaking Through the Invisible Boundaries of Global BusinessPublicAffairsAn international business expert helps you understand and navigate cultural differences in this insightful and practical guide, perfect for both your work and personal life. Americans precede anything negative with three nice comments; French, Dutch, Israelis, and Germans get straight to the point; Latin Americans and Asians are steeped in hierarchy; Scandinavians think the best boss is just one of the crowd. It's no surprise that when they try and talk to each other, chaos breaks out. In The Culture Map, INSEAD professor Erin Meyer is your guide through this subtle, sometimes treacherous terrain in which people from starkly different backgrounds are expected to work harmoniously together. She provides a field-tested model for decoding how cultural differences impact international business, and combines a smart analytical framework with practical, actionable advice.Cambridge Advanced Learner's Dictionary KLETT VERSIONCambridge University PressThe Cambridge Advanced Learner's Dictionary gives the vital support which advanced students need, especially with the essential skills: reading, writing, listening and speaking. In the book: * 170,000 words, phrases and examples * New words: so your English stays up-to-date * Colour headwords: so you can find the word you are looking for quickly * Idiom Finder * 200 'Common Learner Error' notes show how to avoid common mistakes * 25,000 collocations show the way words work together * Colour pictures: 16 full page colour pictures On the CD-ROM: * Sound: recordings in British and American English, plus practice tools to help improve pronunciation * UNIQUE! Smart Thesaurus helps you choose the right word * QUICKfind looks up words for you while you are working or reading on screen * UNIQUE! SUPERwrite gives on screen help with grammar, spelling and collocation when you are writing * Hundreds of interactive exercisesNew International Business English Workbook Audio Cassette Set (2)Cambridge University PressFifteen topic-based units cover a wide range of business situations and the course provides frequent opportunity for discussion and thorough vocabulary development.Business Vocabulary in Use Advanced with AnswersCambridge University PressThis is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.Confessions of an Economic Hit ManBerrett-Koehler PublishersPerkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.International Express - Intermediate Student's Book PackThis completely revised International Express, with 100% new material, meets all the practical language needs of adult professional learners. The series retains the popular student-centred approach and strong communicative focus, while adding a range of new features.The Student's Book and Workbook are now

combined, and every unit is supported by stunning new video footage, bringing the outside world into the classroom. Five-Minute Activities for Business English Cambridge University Press This comprehensive resource book contains an easy-to-use set of short activities essential for anyone teaching Business English. Reflecting real-life business activities such as emails, noisy telephone conversations, making excuses, negotiating, handling customer complaints and cultural awareness, Five-Minute Activities for Business English helps teachers mirror the pacey feel of the work environment. This book is also of interest to teachers of general English who are looking for stimulating skills-based activities in meaningful contexts and complements both tailored and coursebook-based materials. The four main areas covered are 'Business topics', 'Business communication skills', 'Language work' and 'Exploiting coursebooks'. These areas feature activities on various topics such as money, finance, meetings, negotiations, telephoning, management, marketing, etc. Business Advantage Intermediate Student's Book with DVD Cambridge University Press An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Intermediate level books include input from the following leading institutions and organisations: the Cambridge Judge Business School, IKEA, Emirates NBD, Isuzu and Unilever - to name but a few. The Student's Book comes with a free DVD of video case studies. Globish: The World Over A Book Written IN Globish "I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words. New International Business English Student's book International Business Strategy, Management, and the New Realities Pearson Education India KEY BENEFIT: CKR is an evolving learning package that makes teaching easier and captures IB as practiced today. The text addresses emerging markets, the growing participation of small and medium-sized firms in international business, and examples of both international and national businesses so students can see IB from all perspectives. CKR also offers an online resource called the Educator's Consortium that supports and connects students and instructors worldwide. This text is for business students and professionals interested in learning about the impact of international business and emerging markets. English Grammar An Outline Cambridge University Press A thorough and precise account of all the major areas of English grammar. International Express Upper Intermediate Student's Book English for Business Communication Audio CD Set (2 CDs) Cambridge University Press This short course is for learners who need to improve their ability to communicate when socialising, telephoning, presenting, taking part in meetings and negotiating. The course aims to build confidence and fluency by encouraging students to analyse tasks and take part in practice activities. This second edition has been redesigned and now includes a page of self-study tasks for each of the 15 units. Global English in International Business Bright Pen Ready or not, English is now the global language of business. More and more multinational companies are mandating English as the common corporate language, in an attempt to facilitate communication and performance across geographically diverse functions and business endeavours. Companies must overcome language barriers to survive and thrive in a global economy - and English will be the common ground, at least for now. The new edition of Global English in International Business underlines some basic issues in the field, namely: the role of intercultural communication, the peculiarity of English for International Business, the tools we can choose to learn and improve it, and above all an active approach to real 'business texts', such as the financial statement of a company. In other words, a global approach to business English and business communication is given to teachers and students in the field. Holy Bible A traditional favorite, the NIV Children's Bible is a full-text Bible for kids with color illustrations of key Bible stories. Corruption in International Business The Challenge of Cultural and Legal Diversity Gower Publishing, Ltd. It is common practice to assume that business practices are universally similar. Business and social attitudes to corruption, however, vary according to the wide variety of cultural norms across the countries of the world. International business involves complex, ethically challenging, and sometimes threatening, dilemmas that can involve political and personal agendas. Corruption in International Business presents a broad range of perspectives on how corruption can be defined; the responsibilities of those working for publicly traded companies to their shareholders; and the positive influences that corporations can have upon combating international corruption. The authors differentiate between public and private sector corruption and explore the implications of both, as well as methods for qualifying and quantifying corruption and the challenges facing policy makers, legal systems, corporations, and NGOs, as they seek to mitigate the effects of corruption and enable cultural and social change.

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

A traditional favorite, the NIV Children's Bible is a full-text Bible for kids with color illustrations of key Bible stories. This new edition of Friedman's landmark book explains the flattening of the world better than ever and takes a new measure of the effects of this change on each of us.
