Pmi Math Guide

Answer: In additional to the ITTO questions, PMP® Maths formulas questions are generally considered to be the more difficult questions.. In my PMP® Exam question set, I got around 10 PMP® calculation questions in total (that is around 5% of all the questions). 5% is definitely not a significant number of questions for the PMP® Exam which has 200 questions.

Our math review goes far beyond the typical study guide by including comprehensive instruction, guided practice, and interactive tests. All of these features are available for anyone at Pima Medical Institute to try out by simply selecting the “start course” button above. Additionally, our approach to math instruction is direct and to the ...
