3 Point Estimating is a 3-Step Process. 1. First, you work with the team member assigned to each task and identify both the positive and negative risks involved in their task. Negative risks are the things that could make it take more time and positive risks are the things that could make it take less time. 2.

West Point (4-2) fell from third to ninth overall and from first to third in Class 5A after its 35-26 loss to Lake Cormorant last Thursday. It snapped a streak of 36 straight Region 1-5A wins for ...
