In liberal arts education, the quadrivium consists of the four subjects or arts taught after the trivium. The word is Latin, meaning 'four ways', and its use for the four subjects has been attributed to Boethius or Cassiodorus in the 6th century. Together, the trivium and the quadrivium comprised the seven liberal arts, as distinguished from the practical arts. The quadrivium followed the preparatory work of the trivium, consisting of grammar, logic, and rhetoric. In turn, the quadrivium was con
