Reinventing Organizations: An Illustrated Invitation to ...

The uplifting message of Reinventing Organizations has resonated with readers all over the world, and they have turned it, one conversation at a time, into a word-of-mouth phenomenon. The book has helped shift the conversation from what's broken with management today to what's possible. It is inspiring thousands of organizations—corporations and nonprofits, schools and hospitals—to adopt radically more powerful, soulful, and purposeful practices.

"Reinventing Organizations" comes from a different place. It is written for people (founders of organizations, leaders, coaches, and advisors) who sense that something is broken in the way we run organizations today and who feel that something entirely different is called for... but wonder what that might be.
