With unparalleled depth and breadth of coverage, the Routledge Handbook of Sports Development is the definitive guide to policy, practice and research in sports development. It is essential reading for all students, researchers and professionals with an interest in this important and rapidly evolving discipline.

The Routledge Handbook of Sport Governance is a comprehensive and authoritative survey of the wide range of issues shaping sport governance.

The Routledge Handbook of Sport and Politics goes further than any other book in surveying the complex, embedded relationships between sport and politics. With sections addressing ideologies, nation and statehood, corporate politics, political activism, social justice, and the politics of sports events, it introduces the conceptual foundations that underpin our understanding of the sport-politics nexus and examines emergent issues in this field of study.
