I'm not usually a fan of fairy tale remakes or retellings, but G. Bailey did an amazing job of incorporating aspects of Little Red Riding Hood in to Run Little Wolf. Harper has grown up in foster care and only has one true friend, Colton. On the night of her 18th birthday, she decides to go to a bonfire in the forest with all of her classmates.

A deep, long growl comes from behind me and I turn, my eyes widening at the sight of a big black wolf crouched down not far away from me. The wolf growls again and then turns, running into the forest. "Wait!" I shout before I even think about what I just said. The wolf stops, looking over its shoulder at me as I step forward.
