Chip Block, the hero of Parts, is back, and still worried about falling apart based on the things he hears. This time he’s made a list of all the strange, crazy things he’s heard people say: “I lost my head.” “My nose is running.” “I sang my heart out. . . .” It’s scary stuff, but he has a plan for making sure he doesn’t accidentally leave any of his parts behind. A hilarious sequel to the wildly popular Parts and More Parts.

Unaware of his pirate ancestry and his clan's long-standing rivalry with the Hood family, accountant Morgan Cooke is shanghaied by his estranged father and placed at the forefront of the families' latest clash in the Caribbean, which is marked by the promise of a vast treasure. A first novel. 20,000 first printing.

Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

This collection of stories, set in various locales of North Carolina create entire worlds and indelible moments as only the best short fiction does.

Lambretta TV/LI ScooterlineaTerza serie Storia, modelli e documenti / Series 3 History, Models and DocumentationGiorgio Nada Editore SrlThe Hanoverian Dimension in British History, 1714-1837-Cambridge University PressFor more than 120 years (1714-1837) Great Britain was linked to the German Electorate, later Kingdom, of Hanover through Personal Union. This made Britain a continental European state in many respects, and diluted her sense of insular apartness. The geopolitical focus of Britain was now as much on Germany, on the Elbe and the Weser as it was on the Channel or overseas. At the same time, the Hanoverian connection was a major and highly controversial factor in British high politics and popular political debate. This volume was the first systematically to explore the subject by a team of experts drawn from the UK, US and Germany. They integrate the burgeoning specialist literature on aspects of the Personal Union into the broader history of eighteenth- and early nineteenth-century Britain. Never before had the impact of the Hanoverian connection on British politics, monarchy and the public sphere, been so thoroughly investigated.Triumph T120/T140 BonnevilleHaynes Publishing GroupThe spearhead of a highly successful export drive, a winning production racer and the top 'street fighter' of its day, the Triumph Bonneville retains a special place in the hearts of motorcyclists worldwide. Now, like many bibliophiles, he fears for the books that once saved him. In One for the Books, Queenan examines the entire culture of reading and what books really mean in people’s lives today. What does it suggest if a person has no books displayed in his living room? Can an obsession with reading prove detrimental to one’s well being? How useful are covers in selling books? Queenan’s many fans—as well as anyone who loves books and reading—will want to join him on his unforgettably funny and moving journey.A History of Classical Greek LiteraturePininfarina90 Anni / 90 YearsGiorgio NADA EditoreOn

the occasion of the 90th anniversary of Pininfarina, a marque synonymous with style and elegance applied to car design, Pininfarina is a book that surveys, for the first time, the entire output of the Turin coachbuilder, model by model. Produced in close collaboration with the company, it draws on invaluable photographic material accompanying brief contextualising texts. Tracing the history of Pininfarina from its origins to the present day entails reviewing some of the most iconic models in automotive history: from the numerous Ferraris bodied by the historic partner of the Maranello firm to cars such as the Cisitalia 202, the Lancia Aurelia, the Alfa Romeo Duetto and 164, the Maserati GranTurismo through to the current models born under the aegis of the Indian firm Mahindra. The book also covers the numerous Pininfarina concept cars that have written glorious pages in the history of design, raising the bar every time in terms of the excellence of the car product.Riding the BulletSimon and SchusterFrom international bestseller Stephen King the first ebook ever published—a novella about a young man who hitches a ride with a driver from the other side. Do What You Want's principal storytellers are the four voices that define Bad Religion: Greg Graffin, a Wisconsin kid who sang in the choir and became an L.A. punk rock icon while he was still a teenager; Brett Gurewitz, a high school dropout who founded the independent punk label Epitaph Records and went on to become a record mogul; Jay Bentley, a surfer and skater who gained recognition as much for his bass skills as for his antics on and off the stage; and Brian Baker, a founding member of Minor Threat who joined the band in 1994 and brings a fresh perspective as an intimate outsider. With a unique blend of melodic hardcore and thought-provoking lyrics, Bad Religion paved the way for the punk rock explosion of the 1990s, opening the door for bands like NOFX, The Offspring, Rancid, Green Day, and Blink-182 to reach wider audiences. They showed the world what punk could be, and they continue to spread their message one song, one show, one tour at a time.Tiger CountryNick Hern BooksNina Raine's Tiger Country is a hospital play that follows a tangle of doctors and nurses in a busy London hospital - from the award-winning author of Tribes.
