One geology intern who desperately needs to be rescued from a hostage situation. One billionaire who has the capability to save her life. Two people who are inexplicably drawn to each other even though they have almost nothing in common. Taylor: Just when I thought I was destined to die in a foreign country after being kidnapped while doing a geological exploration, a mysterious rescuer shows up just in time to save my life. Unfortunately, my liberator also happens to be the co-CEO of Montgomery Mining, my employer, and a billionaire with an attitude. At first glance, Hudson Montgomery seems like the quintessential gorgeous billionaire with plenty of money to burn, and no concern for anyone but himself. The arrogant billionaire I could handle, but I wasn't quite so sure how to deal with the amazing guy I discovered once I looked past the superficial exterior. The one who stayed by my side as I recovered mentally and physically from the trauma of being a hostage. There was so much more to Hudson than just billions of dollars, a prestigious last name and a very handsome face. When the white-hot chemistry between the two of us finally explodes, do I trust the man I've come to know, or do I accept that Hudson Montgomery is the same guy the rest of the world sees?

I have three rules I live by when building multi-billion-dollar companies. Rule number one: don't sleep with your employees. Rule number two: never, ever, ever sleep with your employees. And Rule number three: listen idiot, she's obviously gorgeous but you can't have her. Only now... she quit... or she's leaving... or, whatever. I've had my eyes on her for two years. I practically get in my ten thousand steps each day just by making

excuses to walk by her desk...catch a glimpse. And now I seem to have contracted a serious case of coitus interruptus. Love in an elevator... not so fast. Hot and sweaty yet unfulfilled... you're suffering from the side effects of coitus interruptus. Sex on the beach... sounds yummy. You might think so, but sand in the nether regions can be just another side effect of coitus interruptus when an ever-so-nice family decides to stroll down the beach at the perfect time. And the woman I'm losing sleep over? I actually think she is enjoying my misery. I won't stop now. And if that means I need a little help from a mysterious friend playing matchmaker? I won't say no. I'm desperate. Love is a trickster, but I've faced fiercer enemies and emerged victorious. I must have her.

My life didn't give me what I wanted. It gave me what I worked for. Amanda Taylor is one of the hardest working and motivated single mothers on the block. She worked herself from a teenager with a baby to the lead ads manager at a multi-billion-dollar ad firm. She had been there

for years, running her division, making her systems, and then going home to take care of her little boy, Mikey, and her ill mother in the hospital. Life was a struggle, she never denied that, but she definitely was never going to give up on her dreams of a better life for her and her son. Elon Truitt built his company from the ground up, loving every single second of it. After it his big time and the money rolled in, though, he started to move out of an active role and spent his time drinking and perusing the local bars. The board wasn't ignoring that fact, especially not the man that wanted to take his company. In a final vote Elon is given an ultimatum, true hard work or an absent seat at the table. His spirits aren't very high to the say the least. Sparks fly and tempers flare as Elon and Amanda are paired on one of the biggest projects in the company's history. Will the sparks between the two ignite into passion or burn the whole place to the ground? Nothing is certain anymore for either of them, not even their own feelings. Professional BDSM Mistress Kelsey Marley doesn't do "ignored." She's been hired to do what she does best—push the billionaire's buttons until his defenses crack. As Kelsey administers the discipline Harvey needs to release his pain, she realizes too late they're getting too close, too fast. My life didn't give me what I wanted. It gave me what I worked for. Amanda Taylor, after besting the board at their own games and finishing a project that saved the boss and won her accolades, should be jumping for joy, but she isn't. Between being a single mom and supporting her mother on life support, the money is running low and she knows she must make a choice. She just isn't sure what is the right one. Elon Truitt, owner of Truitt Marketing, and billion-dollar playboy, was on cloud nine when he finished the project. It was an impossible situation, but he knew he had to make it work. He could do anything he put his mind to, right? There are just a few issues with his plan. Amanda's not taking his crap anymore, and as far as a job, she's struggling to keep her home to-

gether, much less turn down offers at other companies. Something else has snuck up on him, and he's not sure what to do. He's now lusting over the fiery woman that fought him at every turn. Is there even a remote chance she's interested? In the end they are all left with a choice, and those choices will change their lives forever. Wanted: one bride for marriage to billionaire heir at New Year's Eve wedding. Submit resume and photo to INEEDAWIFE@wannamarryabillionaire.com ARCHIMEDES All I want is to be CEO at Warren Enterprises Worldwide, but the newly revised Warren Trust makes it clear... I won't inherit the company or the family fortune unless I'm hitched before the first of the year. Too bad I don't have a girlfriend or fiancée. What I do have is charm, dashing good looks, a prestigious lineage, an email address, and a faithful assistant willing to help me sort through all the applicants. But the

longer we spend weeding out the duds, the more I appreciate the woman in front of me. Too bad Blaire doesn't fit the requirements for a Warren bride. And one way or another, this New Year's Eve, I'll be kissing my wife at the stroke of midnight. BLAIRE Helping my hot boss find a bride isn't really part of my job description. It's busy enough around the office during the holidays without having to comb through applications from vapid bimbos who only want the Warren money. But Archie needs my help, and I'm hopeless to deny him when he flashes me that panty-melting grin and sings my praises. He says I'm invaluable. As an employee...or more? Because with every moment we spend together planning his loveless New Year's Eve wedding, my heart inches closer to falling in love with him. Holiday miracles are the things of fairy tales, but this New Year's Eve, one might be found in the place they least expect it.
