Even in the twenty-first century, the undead walk among us... Before *Twilight* and *True Blood*, vampires haunted the nineteenth century, when brilliant writers indulged their bloodthirsty imaginations, culminating in Bram Stoker's legendary 1897 novel, *Dracula*. Acclaimed author and anthologist Michael Sims brings together the finest vampire stories of the Victorian era in a unique collection that highlights their cultural variety. Beginning with the supposedly true accounts that captivated Byron and Shelley, the stories range from Aleksei Tolstoy's tale of a vampire family to Fitz James O'Brien's invisible monster to Mary Elizabeth Braddon's rich and sinister widow, *Good Lady Duayne*. Sims also includes a nineteenth-century travel tour of Transylvanian superstitions, and finishes the collection with Stoker's own *Dracula's Guest* - a chapter omitted from his landmark novel. Vampires captivated Victorian society, and these wonderful stories demonstrate how Romantic and Victorian writers refined the raw ore of peasant superstition into a whole vampire mythology of aristocratic decadence and innocence betrayed.

This wide-ranging collection of twenty-four spine-tingling stories draws on the best traditions of classic horror, from powerful myths and folktales to contemporary stories of man-made terrors. With contributions by writers of the caliber of Philip K. Dick, Stephen King, and Edgar Allan Poe, this is a truly chilling anthology.

Thanks to its unique combination of human and vampire residents, Morganville, Texas, is a small college town with big time problems. When student Claire Danvers gets the chance to experience life on the outside, she takes it. But Morganville isn't the only town with vampire trouble... Claire never thought she'd get to leave Morganville, but she can't pass up the chance to finally attend her dream school, MIT. After all, getting to invent anti-vamp devices with Professor Anderson—a Morganville exile herself—sounds like a dream come true...until Claire realizes that there are sinister forces in play, and she's not the only one with a vampire-related agenda. Without her friends Shane, Eve and Michael, surviving a killer schedule may be hard...but with them, it might turn out to be impossible.

"This funny and fresh take on a classic tale manages to comment on gender roles, racial disparities, and white privilege all while creeping me all the way out. So good."—Zakiya Dalila Harris, author of *The Other Black Girl* *Steel Magnolias* meets *Dracula* in this New York Times best-selling horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town. Bonus features: • Reading group guide for book clubs • Hand-drawn map of Mt. Pleasant • Annotated true-crime reading list by Grady Hendrix • And more! Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is

well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

It doesn't take long for Cody Elliot to realize that his new high school is a little different. The other students are supernaturally strong, don't like the sunlight, and are always placing orders at the local blood bank. When his new friend shows him his fangs, Cody doesn't need any more clues—these kids are vampires! As Cody struggles to fit into this secretive community, he disrupts centuries of human-vampire segregation, with some serious—and some seriously funny—consequences. In sharp, humorous, and insightful prose, Douglas Rees creates a world of vampires where the real issue for humans is not the fear of being bitten, but the need to get along.

Featuring such masters of horror and fantasy as Bram Stoker, Fritz Leiber, and Tanith Lee, this chilling volume contains 33 short stories, all centering around the theme of the dreaded vampire in all his irresistible and fearsome forms.

College freshman Claire Danvers has had enough of her nightmarish dorm situation, where the popular girls never let her forget just where she ranks in the school's social scene: somewhere less than zero. But they'll have Claire's back when the town's deepest secrets come crawling out, hungry for fresh blood. Watch a Windows Media trailer for this book.

Dracula is an 1897 Gothic horror novel by Irish author Bram Stoker. It introduced the character of Count Dracula and established many conventions of subsequent vampire fantasy.

Claire Danvers's college town may be run by vampires but a truce between the living and the dead made things relatively safe. For a while. Now people are turning up dead, a psycho is stalking her, and an ancient bloodsucker has proposed private mentoring. To what end, Claire will find out. And it's giving night school a whole new meaning. Watch a Windows Media trailer for this book.

Before Twilight and True Blood, vampires haunted the nineteenth century, when brilliant writers indulged their bloodthirsty imaginations, culminating in Bram Stoker's legendary 1897 novel, Dracula. Acclaimed author and anthologist Michael Sims brings together the finest vampire stories of the Victorian era in a unique collection that highlights their cultural variety. Beginning with the supposedly true accounts that captivated Byron and Shelley, the stories range from Aleksei Tolstoy's tale of a vampire family to Fitz James O'Brien's invisible monster to Mary Elizabeth Braddon's rich and sinister widow, Good Lady Ducaigne. Sims also includes a nineteenth-century travel tour of Transylvanian superstitions, and finishes the collection with Stoker's own Dracula's Guest - a chapter omitted from his landmark novel. Vampires captivated Victorian society, and these wonderful stories demonstrate how Romantic and Victorian writers refined the raw ore of peasant superstition into a whole vampire mythology of aristocratic decadence and innocence betrayed. This terrifying selection of ghost stories brings together the very best classic works from the masters of the supernatural: Phantom coaches, evil familiars, shadowy houses, spectral children and mysterious doppelgängers haunt these tales. They range from the famous, such as M. R. James's tale of an ancient curse, 'Oh, Whistle, and I'll Come To You, My Lad' and W. W. Jacobs's story of gruesome wish-fulfillment, 'The Monkey's Paw', to lesser-known masterpieces: Robert Louis Stevenson's 'Thrawn Janet', telling of a parish priest tormented for life by his encounter with the undead; Charles Dickens's unsettling account of a railway signal-man and an ominous portent; and Edward Bulwer Lytton's 'The Hounded and the Haunters', where a cursed house harbours a diabolical secret. Michael Newton's introduction discusses why ghost stories scare us and why they flourished from the mid-nineteenth to early-twentieth century, examining their changing conventions throughout history. This edition also includes further reading, notes, a glossary and a chronology. Edited with an introduction and notes by Michael Newton
