An advantage of first mention—that is, faster access to participants mentioned first in a sentence—has previously been demonstrated only in English. We report three experiments demonstrating that the advantage of first mention occurs also in Spanish sentences, regardless of whether the first-mentioned participants are syntactic subjects ...

~~The advantage of first mention in Spanish | SpringerLink~~

Managing a project schedule seems like a straight-forward and explicit task. But when the concept of time is introduced, developing and managing a project schedule becomes greatly complicated, primarily because time is shaped by cultural influences. This paper examines how culture can affect a multicultural project team's orientation to time, and in turn, shape the team's project performance.
