The Beading Answer Book Product Code: CBC71 Author: Karen Morris - 432 pages Puts to rest the fears of every unstrung beader with illustrated instructions and insightful advice for solving every problem they may face.

"The Beading Answer Book" puts to rest the fears of every (well maybe not every) unstrung beader with illustrated instructions and insightful advice for solving problems they may face. Beadwork instructor and author Karen Morris has assembled more than 200 of the most vexing questions her students ask and offers skillful advice on how to resolve every dilemma.

The Beading Answer Book covers more than just seed beads, but its tiny format and simple answers to common questions make it a must-have for any beader interested in mastering the craft. For more simple jewelry making ideas, please review the LoveToKnow Crafts slideshow Making Bead Bracelet Patterns .

Whether you're mastering crocheting with beads or choosing supplies for your very first necklace, Karen Morris has the answers to all your questions. Concise, straightforward, and packed with illustrations, this handy little book is full of tips and techniques that will take your craft to the next level.

A nice, clearly written book with lots of

clear colour photographs and line drawings to explain techniques. The book covers everything from bead types, sizes, names, beading threads etc., onto the many different beading techniques from standard loom beading through to the off loom stitches and has many tips to increase your proficiency.
