The Czechs in a Nutshell - Horizon Lanka Foundation

At my request, Klara brought me a good book, "The Czechs in a Nutshell" which I am still reading. I wish I could read this faster, but with the backlog of 10 years of work at Horizon Lanka, I do not have the luxury of reading as fast as I used to be in the past.

Klara was one of the smartest female volunteers that I met at Horizon Lanka.

Like many books about the Czech Republic, this one is very Prague centric. As such, it does a poor job of reflecting life outside of the capital. As the years pass, it is less and less reflective of life in the capital as well. I've lived in the Czech Republic since 2004 and have compared the 2004 and 2009 editions of this book.

This brings us to two basic terms from the Czech beer world: desítka and dvanáctka. The first means ten-degree beer and the latter twelve-degree beer, and both correspond to the two main types that are consumed in this country. Many people, including lots of native Czechs, confuse this marking with the alcohol content, which is actually a big mistake.
