The Fifth Head of Cerberus is the title of both a novella and a single-volume collection of three novellas, written by American science fiction and fantasy author Gene Wolfe, both published in 1972.

Gene Wolfe, *The Fifth Head of Cerberus* (Millennium, 1999) reviewed by Robert Borski "When I was a boy my brother David and I had to go to bed early whether we were tired or not." So begins, with its Proustian echo, the titular novella of Gene Wolfe's *The Fifth Head of Cerberus*, first published in 1972.

Gene Wolfe's *The Fifth Head of Cerberus* is a collection of three related novellas about a binary planetary system settled

by Earth, but with the suggestion of an aboriginal population on one planet that either died off or by virtue of their shapeshifting properties replaced the original human colonists. The 1st tale concerns an unusual childhood that involves growing up in a brothel run by a strange brother sister tag team where the children are clones.

The Fifth Head of Cerberus (cu sensul de Al cincilea cap al Cerberului) este o nvelă științifico-fantastică și o colecție de trei nuvele din 1972 de Gene Wolfe (de aici titlul romanului, deoarece Cerberul din mitologie a avut trei capete). A fost publicată de editura Charles Scribner's Sons.
