The Hundredth Queen The Hundredth

The Hundredth Queen is an imaginative fantasy that blends beautiful imagery and persistent characters. We follow Kalinda, an orphan ward of the Sisterhood, as shes chosen to be the hundredth queen for the tyrant Rajah Tarek. Kali must fight for her place in the palace, while hiding a dangerous secret about herself.

The Hundredth Queen (The Hundredth Queen, #1) by Emily R. King

The Rogue Queen is the third book in the fast paced and girl power Hundredth Queen series. This

book had the best world building in the series so far and has action, adventure, and romance. While I really liked the friendships in this book, I am so tired of love triangles and I didnt feel it needed to happen again between Kali, Deven, and Ashwin.

The Rogue Queen (The Hundredth Queen, #3) by Emily R. King

The Hundredth Queen is a novel full of action, romance, and magic as Kalinda attempts to save herself, those around her, and live the life she has always wanted. I absolutely adored the way that King implemented Sumerian culture and mythology into the novel, and how it became the groundwork for pushing the narrative forward.
