The New Guidebook for Pastors: Mac Brunson, James Bryant ...

The New Guidebook for Pastors: A Book Review Essay ...

The New Guidebook for Pastors really is an updated and revised version of W.A. Criswells Criswells Guidebook for Pastors, which I believe was published around 1980 or so. I have not personally seen a copy of Criswells book, so I cannot personally speak to what was updated or revised in The New Guidebook for Pastors.

In the book The New Guidebook for Pastors, James W. Bryant and Mac Brunson do a magnificent job of identifying and explaining the practical nuts and bolts that make a successful pastorate and a

fruitful church. No chapter in this book is more convincing than the very first one. In chapter one Bryant and Brunson address God's call to preach. The New Guidebook for Pastors is written in the tradition of classics like Criswell's Guidebook for Pastors. But since most pastoral guidebooks available today date back to 1980 or earlier, this new resource by Mac Brunson and James W. Bryant will offer fresh experience-based encouragement to all pastors in their pursuit of excellence and development in their God-called profession.

The New Guidebook for Pastors should be required reading for every pastor. It is filled with truths discovered, not in the halls of academia, but in the daily life of local church ministry. It is filled

with truths discovered, not in the halls of academia, but in the daily life of local church ministry.
